Footprints Of Growth 99 Works By Sun Fan:

THE VAGARIES OF SWING (Footprints on the Margate Sands of Time) Mac Carty, 2013-05-01 The BBC TV series True Love was the catalyst for this tale portraying various romantic encounters all set by the Margate seaside True love has many forms A passion for cricket can also be a manifestation of love Yet it is impossible to discuss cricket with its broad themes without reflecting on life itself I have set my story broadly in 1965 when a girl lost her life At the time her death meant little to us but such are the vagaries of writing that the more I researched the subject the greater I became drawn in Any discussion on the circumstances surrounding her murder led inevitably to the inclusion of another theme which I have encountered in life violence towards women I still return to Margate regularly and regard it with deep affection It was in danger of becoming a wasteland There are those now some famous some often unsung trying to fashion a resurgence Another form of true love May their guardian angels help them succeed
