For All Peoples All Nations:

For All Peoples and All Nations John Nurser, 2005 In this new century born in hope but soon thereafter cloaked in terror many see religion and politics as a volatile if not deadly mixture *For All Peoples and All Nations* uncovers a remarkable time when that was not so when together those two entities gave rise to a new ideal universal human rights John Nurser has given life to a history almost sadly forgotten and introduces the reader to the brilliant and heroic people of many faiths who out of the aftermath of World War II and in the face of cynicism dismissive animosity and even ridicule forged one of the world's most important secular documents the United Nations's Universal Declaration of Human Rights These courageous persistent visionary individuals notable among them an American Lutheran Seminary professor from Philadelphia O Frederick Nolde created the Commission on Human Rights Eventually headed by one of the world's greatest humanitarians Eleanor Roosevelt the Universal Declaration has become the touchstone for political legitimacy As David Little says in the foreword to this remarkable chronicle Both because of the large gap it fills in the story of the founding of the United Nations and the events surrounding the adoption of human rights and because of the wider message it conveys about religion and peacebuilding *For All Peoples and All Nations* is an immensely important contribution We are all mightily in John Nurser's debt If religion and politics could once find common ground in the interest of our shared humanity there is hope that it may yet be found again

A Great Revealing for All Peoples & All Nations Ernest Reagan Clark II, 2019-08-16 After many years of study and research the author came to the realization that what most Christians believe contradicts the very WORD of GOD This is a major cause for all the angst in the world today as well as in America Seminaries and preachers contradict the very WORD of GOD every Sunday He recently shared a copy of this with a seminary degreed missionary preacher that spent about 35 years on the mission field in South America Three weeks later he got a phone call from the man He confessed that he had been taught a lie in seminary and also confessed that his eyes had been opened to truth The man said that he would like to call the author father but that he would take the admonishment of Jesus to call no man on earth father seriously He said that he would be considered least in the kingdom of God for all of time due to what he had taught and preached for many decades Are you ready to be set free from the chains that bind
