Conservatives Only

A close-up photograph of a man with a serious, intense expression, his mouth wide open as if shouting or speaking forcefully. He is wearing a dark jacket with a visible American flag patch on the lapel. The background is dark and out of focus.

**THE LEFT CAN'T HANDLE
FREE SPEECH!**

For Conservatives Only

François B. Gérard

For Conservatives Only:

For Conservatives Only Richard Kidston Law Baron Coleraine, 1970 **Conservative thinkers** Mark Garnett, Kevin Hickson, 2013-07-19 This book outlines and evaluates the political thought of the Conservative Party through a detailed examination of its principal thinkers from Harold Macmillan to the present. Traditionally the Conservative Party has been regarded as a vote gathering machine rather than a vehicle for ideas. This book redresses the balance through a series of biographical essays examining the thought of those who have contributed most to the development of ideas within the party. The chapters benefit from archival research and interviews with leading Conservatives. The recent revival of Conservative fortunes makes the book particularly timely. The book begins with an introductory chapter explaining the role of ideology in the Conservative Party. It then traces the political thought of the Conservative Party through its principal theorists since the 1930s. These are Harold Macmillan, R A Butler, Quintin Hogg, Enoch Powell, Angus Maude, Keith Joseph, the traditionalists Maurice Cowling, T E Peter Utley, Peregrine Worsthorne, Shirley Letwin, and Roger Scruton, Ian Gilmour, John Redwood, and David Willetts. The book concludes with an overall assessment of the political thought of the Conservative Party and the relevance of past debates for contemporary Conservatism. The book will be of considerable interest to academics and non academics alike for those who have a special interest in the Conservative Party but also for any student of contemporary British Politics.

Black Conservative Intellectuals in Modern America Michael L. Ondaatje, 2011-11-29 In the last three decades a brand of black conservatism espoused by a controversial group of African American intellectuals has become a fixture in the nation's political landscape, its proponents having shaped policy debates over some of the most pressing matters that confront contemporary American society. Their ideas though have been neglected by scholars of the African American experience and much of the responsibility for explaining black conservatism's historical and contemporary significance has fallen to highly partisan journalists. Typically those pundits have addressed black conservatives as an undifferentiated mass, proclaiming them good or bad, right or wrong, color blind visionaries or Uncle Toms. In *Black Conservative Intellectuals in Modern America* Michael L. Ondaatje delves deeply into the historical archive to chronicle the origins of black conservatism in the United States from the early 1980s to the present. Focusing on three significant policy issues: affirmative action, welfare, and education, Ondaatje critically engages with the ideas of nine of the most influential black conservatives. He further documents how their ideas were received both by white conservatives eager to capitalize on black support for their ideas and by activists on the left who too often sought to impugn the motives of black conservatives instead of challenging the merits of their claims. While Ondaatje's investigation uncovers the themes and issues that link these voices together, he debunks the myth of a monolithic black conservatism. Figures such as Supreme Court Justice Clarence Thomas, the Hoover Institution's Thomas Sowell, and Shelby Steele, and cultural theorist John McWhorter emerge as individuals with their own distinct understandings of and relationships to the conservative political tradition.

A Case for Conservatism John

Kekes, 2018-10-18 In his recent book *Against Liberalism* philosopher John Kekes argued that liberalism as a political system is doomed to failure by its internal inconsistencies. In this companion volume he makes a compelling case for conservatism as the best alternative. His is the first systematic description and defense of the basic assumptions underlying conservative thought. Conservatism, Kekes maintains, is concerned with the political arrangements that enable members of a society to live good lives. These political arrangements are based on skepticism about ideologies, pluralism about values, traditionalism about institutions, and pessimism about human perfectibility. The political morality of conservatism requires the protection of universal conditions of all good lives, social conditions that vary with societies and individual conditions that reflect differences in character and circumstance. Good lives, according to Kekes, depend equally on pursuing possibilities that these conditions establish and on setting limits to their violations. Attempts to make political arrangements reflect these basic tenets of conservatism are unavoidably imperfect. Kekes concludes, however, that they represent a better hope for the future than any other possibility.

The Guardians of Concepts Martina Steber, 2023-01-13 Since 1945 what conservative means has troubled intellectuals, politicians, and parties in the United Kingdom and West Germany. In Britain, conservatism was an accepted term of the political vocabulary denoting a particular tradition of political thought and practice. In West Germany, by contrast, conservatism was a difficult concept for the young democracy to swallow. It carried a heavy antiliberal and antidemocratic burden and led people to question whether there was a place for conservatism within democratic culture. After all, *The Guardians of Concepts* scrutinizes the debates about conservatism in the UK and the Federal Republic of Germany from the late 1940s to the early 1980s. Informed by historical semantics, it conceives of conservatism as a flexible linguistic structure and shows the importance of language for the self-understanding of many conservatives who, not by chance, have regarded themselves as the guardians of concepts. The intense national and transnational debates about the meaning of conservatism had far-reaching consequences and continue to influence politics today.

The Conservative Mind Russell Kirk, 1968

The Only Average Guy John Filion, 2015-10-20 The first book to go beyond the scandal and distraction of the world's most infamous local politician and reveal what drives Rob Ford and the many voters who steadfastly support him. Eye-opening and at times frightening, *The Only Average Guy* cuts through the uproar that followed Ford everywhere. A journalist before entering politics, Filion peels back the layers of an extremely complicated man. Weaving together the personal and political stories, he explains how Ford's tragic weaknesses helped propel him to power before leading to his inevitable failure. Through Ford, the book also explains the growing North American phenomenon by which angry voters are attracted to outspoken candidates flaunting outrageous flaws. For fifteen years, Toronto city councillor John Filion has had an uncommon relationship with Rob Ford. Sitting two seats away from the wildly unpredictable councillor from Etobicoke who served as mayor from 2010 to 2014, Filion formed an unlikely camaraderie that allowed him to look beyond Rob's red-faced persona, seeing a boy still longing for the approval of his father, struggling with the impossible expectations of

a family that fancied itself a political dynasty The Conservative Party from Peel to Major Robert Blake, 2012-02-02 There was no more appropriate person to write this book Robert Blake was the doyen of Tory historians being most famous for his unsurpassed biography of Disraeli to be reissued in Faber Finds His history of the Conservative Party was first published in 1970 It then went as far as Churchill A subsequent edition took it up to Thatcher and the final edition the one being reissued by Faber Finds to Major For the span it covers it remains the definitive one volume history His consummate insight into the whole of the political scene and his power to communicate the enjoyment of it makes this exciting reading for anyone remotely interested in British political and social history or even in the English character Sunday Times This book is full of insights and enriched throughout by sparkling commentary Evening Standard An up to date history of the Party was wanted Mr Blake supplies it with lucidity scholarship and serene worldliness Guardian *The State of Civil Society in Japan* Frank J. Schwartz, Susan J. Pharr, 2003-10-20 Table of contents **The Canadian Federal Election of 2021** Jon H. Pammett, Christopher Dornan, 2022-09-15 Media pundits and students of Canadian politics alike have strived to interpret the relevance of the 2021 federal election held in the midst of a global pandemic and reinforcing the existing parliamentary balance of power This timely volume explains the election s import offering an insightful account of Canadian democracy in an age of increasing rancour and polarization and explaining why the Liberals did not win a majority government In a unique collaboration some of the country s most distinguished political scientists pollsters and journalists examine the parties issues machinery and media of Canadian electoral politics teasing out the complexities and nuances of what was seen to be a premature federal election The Canadian Federal Election of 2021 analyzes the campaigns of the major parties and the patterns of voting behaviour A special feature of this book is its focus on issues of diversity and difference in the partisan theatre the voting patterns of gendered Indigenous and newly immigrant Canadians as well as the millennial generation These chapters offer important lessons for the present and for the election to come A must read for students journalists those working at affiliated think tanks and institutes and engaged citizens this thoughtful expos will interest international observers and anyone following the Canadian political landscape **How the Conservatives Ruined America** Eric v.d. Luft, 2020-03-26 Liberalism Versus Conservatism François B. Gérard, 2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what to these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author *Sexual Ethics* Bruce Edward Fleming, 2004 Sexual Ethics considers the traditional

Western views as well as Freudian explanations of sexuality Author Bruce E Fleming proposes that sex operates in an intrinsically undefined area one stranded between the two realms that otherwise define our public and private lives The most heated debate regarding sexual matters is between liberal and conservatives Whether or not these two groups can continue to co exist under the umbrella of American democracy depends on their willingness to adhere to the basic principals of democracy

Electoral Shocks Ed Fieldhouse,2020 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations Electoral Shocks The Volatile Voter in a Turbulent World offers a novel perspective on British elections focusing on the role of electoral shocks in the context of increasing electoral volatility It demonstrates and explains the long term trend in volatility how shocks have contributed to the level of electoral volatility and also which parties have benefited from the ensuing volatility It follows in the tradition of British Election Study books providing a comprehensive account of specific election outcomes the General Elections of 2015 and 2017 and a more general and novel approach to understanding electoral change The authors examine five electoral shocks that affected the elections of 2015 and 2017 the rise in immigration after 2004 particularly from Eastern Europe the Global Financial Crisis prior to 2010 the coalition government of the Conservatives and the Liberal Democrats between 2010 and 2015 the Scottish Independence Referendum in 2014 and the European Union Referendum in 2016 The focus on electoral shocks offers an overarching explanation for the volatility in British elections alongside the long term trends that have led to this point It offers a way to understand the rise and fall of the UK Independence Party UKIP Labour s disappointing 2015 performance and its later unexpected gains the collapse in support for the Liberal Democrats the dramatic gains of the Scottish National Party SNP in 2015 and the continuing period of tumultuous politics that has followed the EU referendum and the General Election of 2017 It provides a new way of understanding electoral choice in Britain and also beyond and a better understanding of the outcomes of recent elections

The Boulanger Affair Reconsidered William D. Irvine,1989 Recent scholarship on General Boulanger s bid for power in France s Third Republic has focused on the combination of socialism and national chauvinism in the movement supporting his campaign seeing in this alliance the left wing origins of 20th century fascism In this groundbreaking study based on archival materials only recently made available to scholars Irvine challenges that analysis arguing that royalist and conservative supporters provided the crucial financial and electoral backing to the Boulanger movement

The Conservatives Since 1945 Tim Bale,2012-09-20 The Conservatives since 1945 is about how and why parties in general and the Conservative Party in particular make changes to the face they present to the electorate the way they organize themselves and the policies they come up with This is an in depth but comprehensive study based on original archival sources

The Spectator ,1885

The Conservative Party and the nation Arthur Aughey,2018-04-03 This book re examines the claim of the Conservative Party to be the national party and in its politics to express the enduring national

interest It explores the historical character of the Conservative Party in particular the significance of the nation in its self understanding It addresses the political culture of the modern party one which proclaims a Unionist vocation but rests mainly on English support and considers how the Englishness of the party is reconciled with the politics of British statecraft It considers the constitutional challenges which the Conservative Party faces in managing a changing Union in negotiating a changing Europe and in defining a changing national interest The book is essential reading not only for students and scholars of the Conservative Party but also for those who want to make sense of the transformations taking place in modern British politics

Peel and the Conservative Party George Kitson Clark, 2022-02-26 First published in 1964 Peel and the Conservative Party is a major historical study that considers the problems of Peel who in 1832 was to recreate a party which had been shattered successively by Canning Catholic Emancipation and the Reform Bill and to lead a party whose interests were hopelessly divided between agriculture and industry The author acknowledges the work of Professors Aspinall and Gash on the subject and among other things considers the true significance of the resignation of the Duke of Wellington in 1830 This book will be an interesting read for students of history and political science

The Life of George Joachim Goschen, First Viscount Goschen, 1831-1907 Arthur Ralph Douglas Elliot, 1911
