Eva's Jones Delcenia Thurmond, 2014-07-08 A chance meeting between two people a journey into their love and life Eva is a woman who has it all brains beauty success and the love and support of her family She has the IT factor Men adore her and women envy her Alex is the man that women fantasize about marrying and men respect he s charismatic handsome intelligent and he s the boss What happens when two influential people meet fall in love causing their worlds to collide and merge Can their love withstand the test of time past relationships the stress of business and family Can they juggle careers egos family emotions and everyday life and find balance to be successful in love Will they be able to withstand the pressure of the celebrity of who they are Only time can tell

Eva's Cousin Sibylle Knauss, 2007-12-18 Berchtesgaden Germany is a beautiful place set among the gentle meadow clad hills rising to the sheer heights of bare Alpine peaks It is here where an elderly woman arrives and recollects her past and her peripheral role in a chapter of world history She walks along a beaten path which has come into being because so many tourists have ventured this way to see something that exists only in her memory In the summer of 1944 twenty year old Marlene is thrilled when her older more glamorous cousin Eva Braun Adolph Hitler s mistress invites her to come to the Fuhrer s Bavarian mountain retreat Against her father s wishes Marlene accepts and immediately sets forth to Berghof There while Hitler is away desperately trying to turn the tides of war Marlene finds herself in a strange paradise a world of opulence and imminent danger of freedom and surveillance The two women sneak off and skinny dip in a nearby lake watch films in the Fuhrer s private cinema and flirt with the SS officers at the dinner table one of whom will become Marlene s first lover Initially delighted by Eva s attentions Marlene later tries to understand the elusive connection between her cousin and the man she loves In quiet defiance she begins to commit her own acts of subversion which include listening to BBC radio broadcasts forbidden by the Fuhrer But a clandestine mission of mercy will force her to question her allegiance to both her cousin and her country and to face the chilling reality that exists outside her sheltered world Based on the true experiences of Eva Braun s cousin Gertrude Weisker who has shared her memories with Sibylle Knauss after more than fifty years of silence Eva s Cousin is a novel that illuminates the banality of the domestic face of evil It casts a special light on the profound questions of innocence and complicity that still haunt much of the world today

Eva's Fortunes Harriet Maria Gordon Smythies, 1875 *Eva's Deadline* Linda Hope Lee, 2014 Thermally Stable and Flame Retardant Polymer Nanocomposites Vikas Mittal, 2011-06-30 Polymer nanocomposites have revolutionised material performance most notably in the plastics automotive and aerospace industries However in order to be commercially viable many of these materials must withstand high temperatures In this book leaders in the field outline the mechanisms behind the generation of suitable polymer systems pulling together recent research to provide a unified and up to date assessment of recent technological advancements The text is divided into two clear sections introducing the reader to the two most important requirements for this material type thermal stability and flame retardancy Special attention is paid to practical

examples walking the reader through the numerous commercial applications of thermally stable and flame retardant nanocomposites With a strong focus on placing theory within commercial context this unique volume will appeal to practitioners as well as researchers
