T. Mullins,2024-08-27 Do you want to be close to God The answer to a question like this is wrapped up in knowing what God is like understanding the reasons for why God acts as he does and learning how to promote God s goals for creation In this short book readers will explore issues about the nature of God consider why God would create anything at all and why God would create this particular universe Through a mixture of devotional insight and philosophical analysis one will come to a better understanding of the majesty of God *The Universal Songster* ,1825 Working well, working for love Javier López Díaz, Millions of people go to work each day some unhappily if they don t like what they re doing or it doesn t interest them others only concerned about the pay they will receive and the financial rewards while others are an example of what Hannah Arendt calls the animal laborans workers who have no other objective or aim than the very work that life has placed before them and which they carry out by natural inclination or by inertia At a higher level is the figure of the homo faber the person who works with a wider view with the aim of making a business or a project a success sometimes seeking personal affirmation but often with the noble aspiration of serving others and serving society as a whole Christians ought to be in this last category and even higher If they really are Christians they will not see themselves as slaves or as paid workers but as children of God for whom work is a vocation and a divine mission to be carried out for love and with love Work is man s vocation the place for his development as a child of God Further it is the matter of his sanctification and the fulfillment of his apostolic mission Hence the Christian should not be afraid of effort or tiredness but should embrace them with joy a joy that has its roots in the shape of the cross The last sentence comes from St Josemaría Escrivá the saint who taught us to sanctify our work turning it into nothing less than the

work of God The pages of this book are inspired by his message or rather they are inspired by the message of the Gospel since St Josemar a did nothing other than to teach us the words and life of Jesus above all in his years spent in Nazareth working with St Joseph from whom he learnt to work as an artisan and with Our Lady who served him with her work in the home
