For All The Wrong Reasons:

For All the Wrong Reasons Louise Bagshawe, 2003-03-14 Diana Foxton is the Toast of New York She's rich British and beautiful with a designer wardrobe to die for Recently married to the head of a publishing empire she fills her days with shopping gossiping and hosting the hottest parties in town But when she discovers her husband is having an affair her glamorous bubble bursts She suddenly finds herself without any money or job skills shunned by the glittering society she once ruled On her own for the first time she takes the only job she can get exchanges her Manolo Blahniks for Payless and tries to settle into the life of a woman who does her own laundry buys her own groceries and takes the bus Along the way she discovers that her handsome new boss might be interested in more than her pretty face and that she just might make it on her own

For All the Wrong Reasons Peggy Fisher-Lorenz, 2009-08-10 Great discussion book for book clubs homeless and abuse centers psychology classes and religious studies Meggin Annie Janet Clyde Sherrie Gloria Gerrie Duane Zach and even THE MAN such intense characters Peggy Fisher Lorenz's book takes the reader inside the lives and deeply inside the minds and hearts of these very real characters as they are involved in their very real struggle to find love acceptance and purpose in their lives Each character finds their own way to take control of their life and fight the panic of being out of control For someone who has only experienced Meggin's world from the outside looking in this story can be a real eye opener a guide to catch clues to behaviors which might otherwise be overlooked completely Ms Fisher Lorenz has written a story which will keep her readers involved to the very end What profound mysteries lie buried in the hearts of people Theresa McGahan Business owner editor Following the various characters through their mental and emotional machinations was entertaining and enlightening and at the same time appropriately saddening There is nothing worse to me than abuse and this book highlights many of its heinous effects especially the insecurities uncertainties pathos and anger that accompany this dastardly blow to all too many people's lives All the characters in this book are cogently described The defense mechanisms such as denial rationalization projection and intellectualization were all present and clear Impulsivity was particularly of note Yet at the same time the book resonated with people being resilient and adaptable These were notable case studies without therapeutic involvement I would recommend the book to anyone interested in the psychology of abuse described in real life terms I obviously endorse the book as a basic description of life's complications I am not doing so in my role as a psychology professor But as a person who cares about abuse and its consequences Thus I would recommend the book to any individual who wants to become more aware of abuse and its effects especially in terms of those who address and sometimes overcome it R Peter Johnson PhD

For All the Wrong Reasons Beverley West,2014-12-01 All the Wrong Reasons Jerilee Kaye,2018-10-04 Adrienne prides herself for being smart prim and proper She doesn't go against the rules of society and refuse to even take a shot of Tequila In other words Conservative Boring Instead of having fun and letting her spirit run free she spent almost all her life trying to gain her mother's approval measuring up to her sister's greatness and proving herself worthy of her boyfriend's love and attention She's been lying to everybody including herself about who she really was But no matter what she does she just can't seem to live up to their expectations And then she got fed up and decided to let loose For just one night She left her eyeglasses flat shoes long skirt and knitted sweater behind In high heels and a dress that accented her long legs and curves she went to a club by herself and decided to find out what it was like to have a good time Her night couldn't even be more perfect when Justin Adams the city's most sought after bachelor aka most notorious playboy fell prey to the charms she didn't even know she possessed Justin was every girl's dream boat but he never committed to a woman He didn't date and didn't do relationships So Adrienne thought after that night she didn't have to deal with him again He would forget about her and her secret night of fun was safe with him But what she did not expect was that Justin wasn't about to let her go that easily And what was supposed to be just a one night stand with the City's most wanted playboy became a full blown secret affair In the eyes of her friends and family she had a boyfriend named Troy But within the walls of her bedroom she belonged to Justin However her new found bliss would be threatened by the secrets that Justin keeps and the past that her parents kept from her Soon she will find out that she's been living her life with all the right intentions but for all the wrong reasons **For All the Wrong Reasons** Peggy Fisher-Lorenz,2024-07-22 Thrown into the role of nursemaid and mother to her younger sister nine year old Meggin isn't given much opportunity to be a child Her mother dispense love only to the endless stream of men she brings home Follow Meggin's tragic story from her tragic beginnings as she tries desperately to put her past behind her When I was young I played children's games My favorite was hopscotch I never had any chalk but I discovered that I could make faint lines on the concrete with rocks if I press hard enough Most of the time I played by myself sometimes my sister Annie would play with me if she wasn't playing with her dolls There were days I would play that damn game over and over

hoping to get good enough for someone to take notice Maybe one of the neighborhood kids would be watching and admire how good I was But that never work no one cared about what I did except my sister Annie My mother was never home Annie and I were left to raise ourselves Actually I raised Annie at the age of nine I should have been kid but instead I was grown up I was more of a grown up than my mother if you could call her that **For All the Wrong Reasons** Beverley Lehman
