The Marriage God Wants for You Cardinal Donald Wuerl, 2015-06-01 Most people would agree that marriage today is in crisis What is usually overlooked even by those married in the Church is that God intended marriage to be a sacrament The Lord wants couples to rely on his promise to be present

in their day to day lives and he wants to give them the grace to live out a covenantal love that mirrors the love of the Trinity Rather than simply a defense of marriage this book presents the good news about sacramental marriage Cardinal Donald Wuerl uses his years of pastoral experience and his gift of teaching to give hope and courage to both engaged couples and those married for many years and to anyone thinking about the meaning or vocation of marriage Features short vignettes written by married couples living out their vocation in the good and hard times Useful for marriage preparation or for any Catholic confused about the debates on marriage going on today

*The First Society: The Sacrament of Matrimony and the Restoration of the Social Order* Scott Hahn, 2018-06-29 Everyone seems to agree that Western Civilization is in trouble The problem is that no one agrees on what has gone wrong or what to do about it Some think we have too much government some not enough some think we have too much capitalism some not enough some think we have too much sexual freedom some not enough But what if the problem is much more fundamental What if the problem goes to the very foundations of who we are as human beings in relationship with God In *The First Society: The Sacrament of Matrimony and the Restoration of the Social Order* Scott Hahn makes the startling claim that our society s ills and its cures are rooted in whether we reject or accept the divine graces made available through the Sacrament of Holy Matrimony Man he argues is social in his very nature We were created for community As it was in the beginning so it remains today The family formed through the Sacrament of Matrimony is the most basic building block of every society whether we like it or not We ve corrupted marriage and so we have a corrupt society If we get marriage right our society through God s grace will flourish This is so because Matrimony like all the sacraments heals and elevates human nature Without marriage our ambitions toward a just social order will remain forever foolhardy With it the seemingly impossible a truly peaceful and humane civilization becomes possible

**Power Over the Body, Equality in the Family** Charles J. Reid,2004-10-29 The term conjugal rights has long characterized ways of speaking about marriage both in the canonistic tradition and in the secular legal systems of the West

This book explores the origins and dimensions of this concept and the range of meanings that have attached to it from the twelfth century to the present. Employing far ranging sources Charles Reid Jr examines the language of marriage in classical Roman law the Germanic legal codes of early medieval Europe and the writings of canon lawyers and theologians from the medieval and early modern periods. The heart of the book however consists of the writings of the canonists of the High Middle Ages especially the works of Hostiensis Bernard of Parma Innocent IV and Raymond de Peafort. Reid's incisive survey provides a new understanding of subjects such as the right of parties to marry free of parental coercion the nature of paternal power the place of bodies in the marriage contract the meaning and implications of gender equality and the right of inheritance.
