Diverging Loyalties Bruce T. Gourley, 2011 While many white Baptists from Middle Georgia marched off to war others stayed behind and voiced their thoughts from pulpits in associational meetings and in the pages of newspapers and journals While historians have often portrayed white southern Baptists with few exceptions as firmly supportive of the Confederacy the experience of Middle Georgia Baptists is much more dynamic Far from being monolithic Baptists at the local church and associational level responded in a myriad of ways to the Confederacy *Columbus, Georgia, 1865* Charles A.

Misulia, 2019-09-10 A thoroughly researched account of a memorable Civil War battle Columbus Georgia 1865 is a comprehensive study of the Easter Sunday April 16 1865 conflict which occurred in the dark of night and extended over a mile and half through a series of forts and earthworks and was finally decided in an encounter on a bridge a thousand feet in length This volume offers the first complete account of this battle examining and recounting in depth not only the composition and actions of the contending forces which numbered some three thousand men on each side but meticulously detailing the effect of the engagement on the city of Columbus and its environs Misulia's study fills in an omission in the grand account of our cataclysmic national struggle and adds a significant chapter to the history of an important regional city In addition Misulia takes on the long vexing question of which encounter should be recognized as the last battle of the Civil War and argues persuasively that Columbus Georgia qualifies for this distinction on a number of counts Elite Confederate Women in the American Civil War Kristen Brill, 2021-05-12 *Elite Confederate Women in the American Civil War* is a wide ranging primary source collection that offers a compelling selection of upper class white Confederate women's voices from archives across the South From the prison diary of Mary Terry to Elizabeth Baker Crozier's eyewitness account of the siege of Knoxville this volume introduces lesser known voices of the war to show the interconnections between the home front and the front lines and how the war shaped the lives of women and households across the South This collection challenges students to engage with the role of first person narratives in history and to reconsider the roles of southern women in the Civil War Exploring the themes of slavery nationalism secession and occupation these narratives offer new ways to think about traditional issues in Civil War history and more broadly show the ways in which studies of women and gender can enrich studies of cultures of war This book is designed for undergraduate and graduate students of both the American Civil War and women's history **The Church in the Confederate States** Bishop Joseph Blount Cheshire, Bp. Joseph Blount Cheshire, 1914 Confederate Privateer William C. Harris, 2023-10-25 *Confederate Privateer* is a comprehensive account of the brief life and exploits of John Yates Beall a Confederate soldier naval officer and guerrilla in the Chesapeake Bay and

Great Lakes region A resident of Charles Town Virginia now West Virginia near Harpers Ferry Beall was a member of the militia guarding the site of John Brown s execution in 1859 Beall later signed on as a private in the Confederate army and suffered a wound in defense of Harpers Ferry early in the war He quickly became a fanatical Confederate ignoring the issue of slavery by focusing on a belief that he was fighting to preserve liberty against a tyrannical Republican party that had usurped the republic and its constitution Limited by poor health but still seeking an active role in the Confederate cause Beall traveled to the Midwest and then to Canada where he developed an elaborate plan for Confederate operations on the Great Lakes In Richmond Beall laid his plan before Confederate President Jefferson Davis and Secretary of the Navy Stephen Mallory Instead of the Great Lakes operation Mallory authorized a small privateering action on the Chesapeake Bay Led by Captain Beall the operation damaged or destroyed several ships under the protection of the U S Navy For his part in organizing the raids Beall became known as the Terror of the Chesapeake After Union forces captured Beall and his men the War Department prepared to try them as pirates But Secretary of War Edwin Stanton backed down and Beall was later freed in a prisoner exchange Organizing another privateering operation on the Great Lakes Beall had some early successes on the water He then hatched a plan to derail a passenger train transporting Confederate prisoners of war near Niagara New York but was captured before he could carry out the mission The Union army charged Beall with conspiracy found him guilty and executed him Harris s history of Beall offers a new view of paramilitary efforts by civilians to support the Confederacy Though little remembered today Beall was a legendary figure in the Civil War South so much so that his execution was on John Wilkes Booth s list of reasons to assassinate President Abraham Lincoln Based on exhaustive research in primary and secondary sources and placed in the context of more extensive Confederate guerrilla operations Confederate Privateer is sure to be of interest to Civil War scholars and general readers interested in the conflict The Church in the Confederate States Bp.
