Fatal Command:

A Statistical Processor for Analyzing Simulations Made Using the Modular Finite-Difference Ground-water Flow Model

J. C. Scott, 1990 Also available electronically in PDF

Fatal Command Joseph D. McNamara, 1987-01-01

Describes the humor chaos jealousies affection corruption and competence of a modern day police department by focusing on the exploits of Detective Fraleigh the newly appointed Chief of Detectives in Silicon Valley

The Last Cavalryman Harvey Ferguson, 2015-03-16 Truscott was one of the really tough generals soldier cartoonist Bill Mauldin of the 45th Infantry Division once wrote He could have eaten a ham like Patton for breakfast any morning and picked his teeth with the man s pearl handled pistols Not one merely to act the part of commander Mauldin remembered Truscott spent half his time at the front the real front with nobody in attendance but a nervous Jeep driver and a worried aide In this biography of Lucian K Truscott Jr author Harvey Ferguson tells the story of how Truscott despite his hardscrabble beginnings patchy education and questionable luck not only made the rank of army lieutenant general earning a reputation as one of World War II s most effective officers along the way but was also given an honorary promotion to four star general seven years after his retirement For all his accomplishments and celebrated heroic action Truscott was not one for self aggrandizement which may explain in part why historians have neglected him until now The Last Cavalryman drawing on personal papers only recently made available gives the first full picture of this singular man s extraordinary life and career Ferguson describes Truscott s near accidental entry into the U S Cavalry propelled by Pancho Villa s 1916 raids and his somewhat halting rise through the ranks aided by fellow cavalryman George S Patton Jr who steered him into the nascent armored force at the right time The author takes us through Truscott s service in the Second World War from creating the U S Army Rangers to engineering the breakout from Anzio and leading the masterpiece invasion of southern France Ferguson finishes his narrative by detailing the general s postwar work with the CIA where he acted as President Dwight Eisenhower s eyes and ears within the agency A compelling story in itself this biography of Lucian K Truscott Jr a cavalryman to the last fills out an important chapter in American military history

Subversion and git **Thematic Dictionary of Matthew** Rev. Prof. PETER PRYCE, 2019-07-16 The problems that we set out to solve were 1 How do I understand the Book of Matthew 2 Since the Scriptures testify that the Gospel of Jesus Christ is a mystery how do I know what the real message is in the Book of Matthew 3 The Gospel of Jesus Christ is written in parables Therefore what technique can I use to find the real meanings and messages in the Book of Matthew 4 How can I know that I have found the right message 5 What are the spiritual themes topics and doctrines in the Book of Matthew how do I locate them and how do I understand them 6 How many doctrines altogether did Jesus Christ teach in His 3 year Ministry Those were the questions that prompted this book Thematic Dictionary of Matthew Intralingual Translation of Spiritual Themes In the process we developed 188 chapters in answers to all those questions The first five chapters were devoted to academic and theoretical fundamentals that support the research carried out in this book and they were mostly reproduced from my other published books as referenced at the beginning of each chapter This has been a qualitative research in as much as it aligns with a Biblical constructivist paradigm of re interpreting Scripture in a way that impacts spiritual and redemptive thought We approached this research with methodical data collection from the Book of Matthew In fact we did a verse by verse reading and analysis of Matthew followed by an in depth critical analyses of Scripture and hypotheses using both inductive and deductive reasoning in the process whereby if Christians will verify and yield to the teachings contained in this book their spiritual life would greatly advance to the acknowledgment of the truth of the Gospel of Jesus Christ as recorded in the Book of Matthew The research in this book also draws from two research methods 1 Constructive Research methods using the Perfect Harmony Theory of Translation and Interpreting Pryce 2011 by which we developed solutions to some 1 774 Scripture questions on multiple platforms producing some 7 000 plus pages of Scripture Research Bible Commentary and other Christian books in the process The full list of all my 99 books are listed at the end of this book The second research method used in this book is the Empirical Research by which we tested the feasibility of the Perfect Harmony Theory for Translation and Interpreting Pryce 2011 to discover scriptural solutions to relevant questions *Daily Life in Ancient Rome* Jérôme Carcopino, 1968 Provides insight into Roman life of the second century A D *From 1764 to July, 1775* Alden Bradford, 1822
