

THE PRAIRIE INVESTMENT

THE PRAIRIE INVESTMENT FUND is a public-private partnership between the State of Illinois and a group of private investors. The fund is designed to provide a source of capital for the development of infrastructure projects in the state of Illinois. The fund is managed by a board of directors, which includes representatives from the state and the private investors. The fund's investments are made through a series of public-private partnerships, which allow the state to share the risks and costs of infrastructure development with private investors. The fund's investments are made in a variety of infrastructure projects, including roads, bridges, water supply, and wastewater treatment. The fund's investments are made in a way that allows the state to maintain a significant ownership stake in the projects, while also providing a source of capital for the development of the projects.
