Father Forgive Us A Christian Response To The Church's Heritage Of Jewish Persecution:

Father, Forgive Us Fred Wright, 2002-01 This text examines the part Christians played in Jewish persecution and shows how Christians laid the foundations upon which Nazis built their creed It explores modern anti Zionism and outlines a theological response to the Holocaust *The Pentecostal Mission in Palestine* Eric Nelson Newberg, 2012-06-13 The Pentecostal mission in Palestine is a virtually unknown episode in the history of Pentecostalism Its story begins in 1906 at the Azusa Street Revival from which missionaries were sent to Palestine In its first thirty years the Pentecostal mission in Palestine gained a foothold in Jerusalem and expanded its reach into Jordan Syria and Iran It was severely tested and lost traction during the tumultuous period of the Arab Revolts World War II and the Partition Crisis With the catastrophic war of 1948 the Pentecostal missionaries fled as their Arab clients were swept away in the Palestinian Diaspora After 1948 a valiant attempt was made to revive the mission but only with relative success Although the Pentecostal missionaries failed in their objective of converting Jews and Muslims they were eyewitnesses of the formative events of the Arab Israeli conflict Newberg argues that the Pentecostal missionaries functioned as brokers of Pentecostal Zionism He offers a postcolonial assessment of the Pentecostal missionaries crediting them for advocating philosemitism yet bringing them up short for disregarding the civil rights of Palestinian Arabs espousing Islamophobia and contributing to the forces working against peace in the Holy Land

Morgan, 2019-08-29 Holocaust scholar Raul Hilberg summarized the historical progression of Christian anti Semitism in this way 1 You have no right to live among us as Jews 2 You have no right to live among us 3 You have no right to live In this book I have organized this history chronologically It shows a pattern repeated again and again from the Roman period through the present day We witness Crusades Inquisitions Expulsions and Pogroms all of which culminated in the Holocaust As we study this history we can see the year by year decade by decade and century by century operation of the spirit of anti Semitism History shows us when where and how it spread It temporarily subsides in one place and then emerges in another We are witnessing its present day resurgence not only via violent terrorist attacks but in many other ways as well **Hitler, the War, and the Pope, Revised and Expanded** Ronald Rychlak, 2010-05-27 Was Pope Pius XII a Nazi Sympathizer For almost

fifty years a controversy has raged about Pope Pius XII Was the Pope who had shepherded the Church through World War II a Nazi sympathizer Was he as some have dared call him Hitler s pope Did he do nothing to help the Jewish people in the grips of the Holocaust In a thoroughly researched and meticulously documented analysis of the historical record Ronald Rychlak has gotten past the anger and emotion and uncovered the truth about Pius XII Not only does he refute the accusations against the Pope but for the first time documents how the slanders against him had their roots in a Soviet Communist campaign to discredit him and by extension the Church Let those who doubt but read Rychlak follow his exquisitely organized courtroom like arguments What Professor Rychlak brings to the forum are facts not rhetoric dates not conjecture evidence not slander The world owes Ronald Rychlak a debt for bringing the truth to light Rabbi Eric A Silver In his well crafted pages the portrait that emerges is one of an extraordinary pastor facing extremely vexing circumstances of a holy man vying against an evil man of a human being trying to save the lives of other human beings of a light shining in the darkness John Cardinal O Connor 1920 2000 Archbishop of New York from the Foreword to the first edition I have read many books on Pius XII and this is by far the most dispassionate in laying out the context relevant facts accusations and evidence pro and con The book is highly engaging because it is filled with so many little known facts The research has been prodigious Yet the presentation is as down to earth as it would have to be in a courtroom This is a wonderfully realistic book Michael Novak George Frederick Jewett Scholar in Religion Philosophy and Public Policy American Enterprise Institute [The One Year Holy Land Moments Devotional](#) Yechiel Eckstein, Tremper III. Longman, 2013 This year learn to see Scripture in a whole new way as you embark on a deeper understanding of its history and your faith s deep roots in the land events people and faith of Israel The One Year Holy Land Moments Devotional contains 52 weeks of reflections from both a Jewish rabbi and a Christian theologian demonstrating the timeless and universal themes in both the Hebrew Bible Old Testament and New Testament Each day offers a fascinating glimpse into the Jewish faith history and perspective while exploring the Christian interpretation of beloved biblical verses places people and events Spend a reflective moment each day contemplating the history of God s work in the world celebrating his word and love for you **Evangelicals and Israel** Stephen Spector, 2009 Most observers explain evangelical Christians bedrock support for Israel as stemming from the apocalyptic belief that the Jews must return to the Holy Land as a precondition for the second coming of Christ But the real reasons argues Stephen Spector are far more complicated In Evangelicals and Israel Spector delves deeply into the Christian Zionist movement mining information from original interviews web sites publications news reports survey research worship services and interfaith conferences to provide a surprising look at the sources of evangelical support for Israel Israel is God s prophetic clock for many evangelicals irrefutable proof that prophecy is true and coming to pass in our lifetime But Spector goes beyond end times theology to find a complex set of motivations behind Israel evangelical relations These include the promise of God s blessing for those who bless the Jews gratitude to Jews for establishing the foundations of Christianity remorse for

the Church's past anti-Semitism fear that God will judge the nations based on how they treated the Jewish people and reliance on Israel as the West's firewall against Islamist terrorism Spector explores many Christian Zionists' hostility toward Islam but also uncovers an unexpected pragmatism and flexibility concerning Israel's possession of the entire Holy Land For evangelicals politics frequently mixes with faith Yet Spector argues that evangelical beliefs though often portrayed as unifying and rigid are in reality various and even contradictory Spector uses George W Bush's beliefs about the Bible as a sounding board for these issues and explores the evangelical influence on his Middle East policies Evangelicals and Israel corrects much of the speculation about Bush's personal faith and about evangelicalism's impact on American Middle East relations and provides the fullest and most nuanced account to date of the motives and theology behind Christian Zionism
