Father In The Kitchen:

Father in the Kitchen Bruce Beeby, 1977 Cooking for my father in My Cape Malay Kitchen Cariema Isaacs, 2016-04-19 The magical difference between food prepared in a restaurant and that in a home kitchen for family and friends is a little ingredient called love And love is most evident in what is essentially Cariema Isaacs's tribute to her late father as she shares their mutual passion for food and cooking as well as their Cape Malay heritage My Cape Malay Kitchen is a breathtakingly beautiful presentation of some 80 traditional Cape Malay recipes as well as a selection of modern dishes These are accompanied by Cariema's depiction of her childhood growing up in Bo Kaap the Cape Malay Quarter of Cape Town She includes the religious and cultural ceremonies as well as events that have shaped the Cape Malay community into the unique community it is today But My Cape Malay Kitchen is still a cookbook packed with flavourful food richly spiced curries indulgent cakes and decadent desserts all illustrated with truly inspirational photography Returning to My Father's Kitchen Monica Macansantos, Monica S. Macansantos, 2025-05-15 A young Filipino writer's odyssey toward home in the wake of the loss of her poet father Feeling untethered after her beloved poet father passes away while she is living abroad Monica Macansantos decides to return to the Philippines to regain her bearings But with her father gone and her adult life rooted in the United States and New Zealand can the land of her birth still serve as a place of healing In fifteen richly felt essays Macansantos considers her family's history in the Philippines her own experiences as an exile and the parent who was the heart of her family's kitchen whether standing at the stove to prepare dinner or sitting at the table to scribble in his notebook Macansantos finds herself remaking her father's chicken adobo but also closely rereading his poems As she reckons with his identity as an artist she also comes into her own as a writer and she invites us to consider whether it is possible to carry our homes with us wherever we go *The New Filipino Kitchen* Jacqueline Chio-Lauri, 2018-09-18 An engrossing page turner of a cookbook If you can even call it a cookbook it's more of a short story collection with delicious addictive recipes Brian McGinn Emmy nominated director and executive producer Chef's Table Named a top cookbook of 2018 by the San Francisco Chronicle and Epicurious You may not realize that Filipino Americans are the second largest Asian American group living in the United States especially when you compare the number of say Japanese Thai and Korean restaurants to Filipino ones There's a lot of speculation about why Filipino food hasn't taken off the way other Asian cuisines have but one thing's for sure there's something for everyone here The New Filipino Kitchen collects thirty recipes and stories from expat Filipinos all of whom have taken their favorite dishes with them preserving their food memories and if necessary tweaking their recipes to work in a new environment or in the case of some chefs a more modern context With contributions from White House executive chef Cristeta Comerford silver Bocuse d'Or winner Christian Andr Pettersen five time Palanca Award winner and poet Francis Macansantos and the Food Buddha Rodelio Aglibot this is a multifaceted nuanced introduction to the world of Filipino food and food culture Contributors entrancing essays about work life and love of their
