English The English translation is the basis for the English edition included in this volume under the title *The Two Spirits in the Gospel of John* *Ecumenism Means You, Too* Steven R. Harmon, 2010-03-15 By all accounts the modern ecumenical movement is not moving much these days Despite dramatic breakthroughs in the past few decades the quest for a visibly united church in which there is common confession of the apostolic faith full Eucharistic communion and mutual recognition of members and ministers now meets with indifference by many impatience by some and outright hostility by others In part this is because the movement has not given enough attention to grassroots ecumenical engagement This book is written to convince ordinary Christians especially young Christian adults that they too have a stake in the future of the ecumenical movement as its most indispensable participants *Ecumenism Means You Too* draws on the music of Irish rock band U2 to cast artistic light on various aspects of the quest for Christian unity Whether one is a U2 fan or not and whether one thinks the ecumenical movement is a good thing or a bad thing for the church everyone who reads this book will learn something about the Christian theological framework apart from which neither the modern ecumenical movement nor the meaning of U2's music can be understood The book includes an annotated bibliography of resources for ecumenical engagement and a glossary of key ecumenical terms for readers who want to learn more about the Christian practice of seeking the unity of the church

Blocker, How did I get here Why am I here How long is this going to last Have you ever gotten a promise from God obeyed his word and still found

yourself in unfavorable circumstances You thought you missed God it made you question if you heard him correctly I want to assure you YOU HEARD CORRECTLY The Desert was not made to destroy you but to build you up How in the world can I be built up in the desert The answer is because nothing is there It s easy to focus on surroundings when they are present but in doing so you pay more attention to what you can see instead of what needs attention What needs attention is you inner man In Theatre when you start rehearsing you don t have a full set you don t have props or an audience You have the bare minimum and a director that instructs you to work on YOU Rehearsal is the process you go through for your growth and development so that when it s time for the audience to see they see excellence Same with the desert it s the place where introspection is key so that when your promise manifests that it remains Your desert will be hard and taxing but this will be a tool in your hand to fight the wiles of the devil while you re there You ll never reach the mountain of promise without first journeying through the desert of process I too faced many deserts but one thing I grasped this last time is that the desert isn t a murderer but rather a teacher As I fasted for 21 Days in the midst of a desert experience God did something amazing God led me to water daily let me see myself and offered me a better way Let s reach maturity and wholeness together
