Edward HIGGINSON

Father Again:

A Father, Again Mary J. Forbes, 2011-12-15 THE GUY NEXT DOOR Jon Tucker was doing just fine living by his lonesome steering clear of pets and people Until his neighbor's cat gave birth to kittens on his favorite shirt But after returning the new family to its rightful owner Jon was finding it hard to stay away from Rianne Worth In fact ignoring the alluringly petite mother of two would be downright unneighborly The sexy guy in faded jeans who charged onto her land was no stranger to Rianne Beneath the ex cop's gruff manner was the same boy who'd awakened the sweetest yearning in her schoolgirl heart Now the single father was back in Misty River and Rianne knew that this time her very adult feelings might prove impossible to resist

In His Father's Shadow Stanley A. Renshon, 2015-03-10 From a pampered son who showed little promise to his rise to the presidency George W Bush has transformed himself through acts of will and faith Stanley Renshon examines the psychological transformation of Bush and identifies those pivotal changes that allowed him to achieve success in his personal life and in the political arena and shows how Bush's personal transformation has come to shape his political policies The man who battled and defeated his own inner demons has become a president determined to battle the demons of terrorism and extremism that prevent democracy from flourishing around the world This psychological portrait provides a much needed antidote to prevailing critiques that ridicule Bush's values and policies as it celebrates his resolve and strong leadership
