A man from present all of a sudden finds him trapped within his own created jigsaw. He has to find answers to questions but the main problem was he was aware of the questions. Witnessing the strange behaviour of every possible entity around him even Bhuvan wasn't sure about his father's split personality. I am Yudhishtira. Yes I am Yudhishtira. I know people for my truth. I have never lied in my life today. People in Kaliyuga remember me for my truth. People also know me by the name of Dharmaraja. Bhuvan did every possible thing to sort out the existence of The Median to unveil the mystery. Read the book and find it out. This book is a joint venture of me and all my co-authors. In this essential Entertainment Weekly hilarious AV Club memoir, the star of Mr. Show, Breaking Bad, and Better Call Saul opens up about the highs and lows of showbiz, his cult status as a comedy writer, and what it's like to reinvent himself as an action film ass-kicker at fifty. I can't think of another entertainer who has improbably morphed so many times and all through real genius and determination. Conan O'Brien. ONE OF THE BEST BOOKS OF THE YEAR. The New Yorker, Vulture, Newsweek. Bob Odenkirk's career is inexplicable. And yet he will try like hell to explicate it for you. Charting a Homeric decades-long odyssey from his origins in the seedy comedy clubs of Chicago to a dramatic career full of award nominations with a side trip into the action man world that is baffling to all who know him, it's almost like there are many Bob Odenkirks. But there is just one and one is plenty. Bob embraced a life in comedy after a chance meeting with Second City's legendary Del Close. He somehow

made his way to a job as a writer at Saturday Night Live While surviving that legendary gauntlet by the skin of his gnashing teeth he stashed away the secrets of comedy writing eventually employing them in the immortal Motivational Speaker sketch for Chris Farley honing them on The Ben Stiller Show and perfecting them on Mr Show with Bob and David In Hollywood Bob demonstrated a bullheadedness that would shame Sisyphus himself and when all hope was lost for the umpteenth time the phone rang with an offer to appear on Breaking Bad a show about how boring it is to be a high school chemistry teacher His embrace of this strange new world of dramatic acting led him to working with Steven Spielberg Alexander Payne and Greta Gerwig and then in a twist that will confound you he re re invented himself as a bona fide action star Why Read this and do your own psychoanalysis it s fun Featuring humorous tangents never before seen photos wild characters and Bob s trademark unflinching drive Comedy Comedy Comedy Drama is a classic showbiz tale told by a determined idiot
