Fathers And Sons In Athens Ideology And Society In The Era

L Cohen

Fathers And Sons In Athens Ideology And Society In The Era:

Fathers and Sons in Athens Barry Strauss, 2002-09-10 As history's first democracy classical Athens invited political discourse The Athenians however could not completely separate the political from the private sphere indeed father son conflict from patricide to murdering one's son was a major public as well as a private theme In a fascinating historical reappraisal the author explores the consequences for Athens and us of the powerful influence of familial ideology on politics

House and Society in the Ancient Greek World Lisa C. Nevett, 2001-05-10 This 1999 book re-examines traditional assumptions about the nature of social relationships in Greek households during the Classical and Hellenistic periods Through detailed exploration of archaeological evidence from individual houses Lisa Nevett identifies a recognisable concept of the citizen household as a social unit and suggests that this was present in numerous Greek cities She argues that in such households relations between men and women traditionally perceived as dominating the domestic environment should be placed within the wider context of domestic activity Although gender was an important cultural factor which helped to shape the organisation of the house this was balanced against other influences notably the relationship between household members and outsiders At the same time the role of the household in relation to the wider social structures of the polis or city state changed rapidly through time with the house itself coming to represent an important symbol of personal prestige

Andreia Ralph Rosen, Ineke Sluiter, 2017-07-31 This volume examines the use of a central concept in the self-definition of any Greek speaking male Andreia the notion of courage and manliness The nature and use of value terms quickly leads the researcher to core issues of cultural identity through a combination of lexical or semantic and conceptual studies the discourse of manliness and its role in the construction of social order is studied in a variety of authors genres and communicative situations This book is of interest to students of the classical world the history of values gender studies and cultural historians

Money, Labour and Land Paul Cartledge, Edward E. Cohen, Lin Foxhall, 2005-06-29 The cultural wealth of the classical Greek world was matched by its material wealth and there is abundant textual and archaeological evidence for both However radically different theoretical and methodological approaches have been used to interpret this evidence and conflicts continue to rage as these different starting points produce clashing views on the significance and distribution of money labour and land Money Labour and Land reflects the current explosion in ideas and research by assembling case studies from an international selection of renowned US British and European scholars Drawing on comparative historical and anthropological approaches sociological economic and cultural theory and developments in epigraphy legal history numismatics and spatial archaeology this volume will be of interest to all students and scholars of ancient economies

A Cultural History of Tragedy in Antiquity Emily Wilson, 2021-05-20 In this volume tragedy in antiquity is examined synoptically from its misty origins in archaic Greece through its central position in the civic life of ancient Athens and its performances across the Greek speaking world to its new and very different instantiations in Republican and Imperial Roman contexts

Lively original essays by eminent scholars trace the shifting dramatic forms performance environments and social meanings of tragedy as it was repeatedly reinvented Tragedy was consistently seen as the most serious of all dramatic genres these essays trace a sequence of different visions of what the most serious kind of dramatic story might be and the most appropriate ways of telling those stories on stage Each chapter takes a different theme as its focus forms and media sites of performance and circulation communities of production and consumption philosophy and social theory religion ritual and myth politics of city and nation society and family and gender and sexuality The Economics of Friendship Tazuko van Berkel,2019-12-09 In The Economics of Friendship Tazuko Angela van Berkel offers an account of the notion of reciprocity in 5th and 4th century Greek incepting social theory The preoccupation with the norms of philia and charis conspicuous in sources from the Classical Period is a symptom of changes in the shape of ancient economic activities the ubiquitous norm that one should reciprocate benefit with benefit becomes a source of conceptual confusion in the Classical Period where other forms of exchange become conceptually available This confusion and tension between different models of mutuality is productive it is the impetus for folk theory in comedy tragedy and oratory as well as philosophical reflection Xenophon Plato Aristotle on what it is that binds people together Acts of the Apostles Babu Immanuel,2017-10-01 The India Commentary on the New Testament ICNT series aims to give a well informed exposition of the meaning of the text and relevant reflections in everyday language from a contemporary Indian context The intended audience is the theological seminary or bible college both students and faculty The commentaries are also ideal for pastors and lay people with an interest in theology or responsibilities for preaching in the local congregation The commentaries are culturally rooted and the various applications relating to culture society and religious life will help those involved in cross cultural evangelism and mission work There is no direct equivalent to the ICNT and hence this is the first Indian commentary serving India the entire subcontinent India Nepal Bangladesh and Sri Lanka and the world The ICNT is an affordable evangelical commentary series written by respected academics in everyday language providing a well informed meaning of the New Testament and practical reflections for modern India ICNT: Acts of the Apostles Babu Immanuel Venkataraman,2016-07-05 The ICNT series aims to give a well informed exposition of the meaning of the text and relevant reflections in everyday language for today s Indian context The intended audience is the theological seminary or bible college both students and faculty However the commentaries are also suitable for pastors and lay people with an interest in theology The commentaries are culturally rooted and the various applications relating to culture society and religious life will help those involved in cross cultural evangelism and mission work There is no direct equivalent of the ICNT and hence this will be the first Indian commentary series serving India and hopefully the entire subcontinent India Nepal Bangladesh and Sri Lanka **The Soul of Tragedy** Victoria Pedrick,Steven M. Oberhelman,2005 The Soul of Tragedy brings together scholars to offer perspectives on the Greek tragedy The collection pays homage to this genre by offering an exploration into the oldest form of dramatic expression *Spectacular Power in*

the Greek and Roman City Andrew Bell, 2004-09-30 In the great cities of Greece and Rome politicians and kings sought to be seen as celebrities They tried to appear wondrous and exciting to citizens and subjects This study shows some of their methods and so reveals the importance of political advertisement and spectacle in societies that saw great kings but also pioneered democracy and republicanism

Friendship in Ancient Greek Thought and Literature, 2023-07-03 Friendship philia is a complex and multi faceted concept that is frequently attested in ancient Greek literature and thought It is also an important social phenomenon and an institution that features in classical Greek social cultural and intellectual history This collected volume seeks to complement the extensive modern scholarship on this topic by shedding light on complementary representations nuances and tensions of friendship in a range of different sources literary epigraphic and visual It offers a broad overview of the contours of this important social phenomenon and helps the reader get a glimpse of its depth and richness

The Athenian Ephebeia in the Fourth Century BCE John L. Friend, 2019-09-16 Based on the comprehensive study of the epigraphic and literary evidence this book challenges the almost universally held assumptions of modern scholarship on the date of origin the function and the purpose of the Athenian ephebeia It offers a detailed reconstruction of the institution which in the fourth century BCE was a state organized and funded system of mandatory national service for ephebes citizens in their nineteenth and twentieth years consisting of garrison duty military training and civic education It concludes that the contribution of the ephebeia was vital for the security of Attica and that the ephebes non military activities were moulded by social economic and religious influences which reflect the preoccupations of Lycurgus administration in the 330s and 320s BCE

Religion in the Art of Archaic and Classical Greece Tyler Jo Smith, 2021-06-18 An examination of the combined subjects of ancient Greek art and religion dealing with festivals performance rites of passage and the archaeology of death to name a few examples to explore the visual material and textual dimensions of ancient Greek religion

A Study Guide for Aristophanes's "Lysistrata" Gale, Cengage Learning, 2016 A Study Guide for Aristophanes s Lysistrata excerpted from Gale s acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs

[The Routledge Companion to the Reception of Ancient Greek and Roman Gender and Sexuality](#) K. Moore, 2022-08-22 This Companion covers a range of receptions of ancient Greek and Roman gender and sexuality It explores ancient representations of these concepts as we define them today as well as recent perspectives that have been projected back onto antiquity Beginning in antiquity the chapters examine how the ancient Greeks and Romans regarded concepts of what we would today call gender and sexuality based on the evidence available to us and chart the varied interpretations and receptions of these concepts across time to the present day In exploring how different cultures have received the classical past the volume investigates these cultures different interpretations of Greek and Roman sexualities and what these interpretations can reveal about their own

attitudes Through the contributions in this book the reader gains a deeper understanding of this essential part of human existence derived from influential sources From ancient to modern and postmodern perspectives from cinematic productions to TikTok videos receptions of ancient gender and sexuality abound This volume is of interest to students and scholars of ancient history gender and sexuality in the ancient world and ancient societies as well as those working on popular culture and gender studies more broadly *Ancient Greece*, 2005-10-24 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company Performing Oaths in Classical Greek Drama Judith Fletcher, 2011-11-24 Oaths were ubiquitous rituals in ancient Athenian legal commercial civic and international spheres Their importance is reflected by the fact that much of surviving Greek drama features a formal oath sworn before the audience This is the first comprehensive study of that phenomenon The book explores how the oath can mark or structure a dramatic plot at times compelling characters like Euripides Hippolytus to act contrary to their best interests It demonstrates how dramatic oaths resonate with oath rituals familiar to the Athenian audiences Aristophanes Lysistrata and her accomplices for example swear an oath that blends protocols of international treaties with priestesses vows of sexual abstinence By employing the principles of speech act theory this book examines how the performative power of the dramatic oath can mirror the status quo but also disturb categories of gender social status and civic identity in ways that redistribute and confound social authority **Persuading Shipwrecked Men** Lyn M. Kidson, 2020-09-15 In this work Lyn M Kidson moves away from the traditional interpretation of 1 Timothy as a church manual and argues that the coordinating purpose of the letter is to command certain men and women not to teach an educational program that is being promoted by factional leaders Hymenaeus and Alexander **Naked Truths** Ann O Koloski-Ostrow, Claire L Lyons, 2003-09-01 The articles in *Naked Truths* demonstrate the application of feminist theory to a diverse repertory of classical art they offer topical and controversial readings on the material culture of the ancient Mediterranean This volume presents a timely provocative and beautifully illustrated re evaluation of how the issues of gender identity and sexuality reveal naked truths about fundamental human values and social realities through the compelling symbolism of the body **Xenophon's Other Voice** Yun Lee Too, 2021-08-26 This volume explores irony in its essence saying other than one actually means in the collected works of Xenophon Xenophon's Other Voice argues that there are two voices in the author one ostensible at the level of the literal text which is available to everyone while the sub title designates the other voice which is less obvious to the reader and indeed an ironic one It presents a unified view of the author's entire corpus and argues that the function of Xenophonic irony is to offer critiques of the societies in which he finds himself Rejecting both non ironic and Straussian interpretations of Xenophon's writings Yun Lee Too offers a wholly original perspective on the contemporary debate of how he should be read which is underpinned by a series of incisive readings of the individual works Beginning with Xenophon's representation of an ironic Socrates who condemns the contemporary city and its more prominent citizens the book moves on to consider how the author develops his own approach to irony He

deploys irony to criticize aspects of Athenian society such as its understanding of wealth its armed forces and sophistic education The book then turns to his treatment of other Hellenic societies including the Spartan city state and laws kingship in Syracuse and war amongst the Greek states It finally considers Persia covering Xenophon s depiction of Cyrus the Great and the expedition with Cyrus the Younger

When people should go to the books stores, search instigation by shop, shelf by shelf, it is in fact problematic. This is why we present the ebook compilations in this website. It will certainly ease you to look guide **Fathers And Sons In Athens Ideology And Society In The Era** as you such as.

By searching the title, publisher, or authors of guide you really want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections. If you try to download and install the Fathers And Sons In Athens Ideology And Society In The Era, it is categorically easy then, since currently we extend the colleague to purchase and create bargains to download and install Fathers And Sons In Athens Ideology And Society In The Era suitably simple!
