The Modernization of Fatherhood Ralph LaRossa, 1997 The period between World War I and World War II was an important time in the history of gender relations and of American fatherhood. Revealing the surprising extent to which some of yesterday's fathers were involved with their children, *The Modernization of Fatherhood* recounts how fatherhood was reshaped during the Machine Age into the configuration we know today. LaRossa explains that during the interwar period, the image of the father as economic provider, pal, and male role model all in one became institutionalized. Using personal letters and popular magazine and newspaper sources, he explores how the social and economic conditions of the Roaring Twenties and the Great Depression, a period of technical innovation as well as economic hardship, fused these expectations into a cultural ideal. With chapters on the U.S. Children's Bureau, the fathercraft movement, the magazine industry, and the development of *Parent's Magazine* and the creation of Father's Day, this book is a major addition to the growing literature on masculinity and fatherhood.

Justice Calls Phil Snider, 2016-02-15 This collection of sermons adds compelling clarity to the growing chorus of Christian voices that are passionate about LGBTQ justice and equality, not in spite of their faith but precisely because of it. With a combination of pastoral sensitivity, scholarly insight, and courageous vision, these sermons are a must-read not only for LGBTQ people longing to know they don't have to deny their religious convictions in order to embrace their sexuality and/or gender identity but also for people of faith who wonder if they have to disregard the Bible in order to fully accept their LGBTQ neighbors, friends, and family members. This volume is an ideal resource for small groups, Sunday school classes, preachers, church leaders, and all people everywhere who are interested in recognizing how the rich resources in the Bible can be cultivated in order to celebrate rather than condemn LGBTQ friends and neighbors.
