Good Girls & Wicked Witches Amy M. Davis,2007-02-20 An in depth view of the way popular female stereotypes were reflected in and were shaped by the portrayal of women in Disney s animated features In Good Girls and Wicked Witches Amy M Davis re examines the notion that Disney heroines are rewarded for passivity Davis proceeds from the assumption that in their representations of femininity Disney films both reflected and helped shape the attitudes of the wider society both at the time of their first release and subsequently Analyzing the construction of mainly human female characters in the animated films of the Walt Disney Studio between 1937 and 2001 she attempts to establish the extent to which these characterizations were shaped by wider popular stereotypes Davis argues that it is within the most constructed of all moving images of the female form the heroine of the animated film that the most telling aspects of Woman as the subject of Hollywood iconography and cultural ideas of American womanhood are to be found A fascinating compilation of essays in which Davis examined the way Disney has treated female characters throughout its history PopMatters

It's All in the Delivery Victoria Sturtevant,2024 Depictions of pregnancy on screen have varied wildly over the years from Blondie s modest lack of a baby bump immediately before labor to JLo passing out into a friend s birthing pool while a placenta drifts by Sturtevant examines the range between the various extremes in looking at the comic history of pregnancy in film and television She argues that comedy provides an ideal framework to deal with the complexity and often hypocrisy of social attitudes toward the female body which is often held up as saintly or familial with the wonderful blessing of bearing children or alternately as profane or grotesque with the consequences of sex followed by the physical messiness of pregnancy and childbirth She links the evolution of attitudes toward pregnancy in the US with representational strategies that transformed social discomforts into comedy Comedy has provided the generic context for some of the most groundbreaking moments in pregnant representation in the United States from the outrageous sextuplets of 1944 s screwball comedy Miracle of Morgan s Creek to Lucille Ball s real life pregnancy on I Love Lucy Maude s abortion Murphy Brown s controversial single motherhood Arnold Schwarzenegger s medically improbable pregnancy in Junior the use of abortion as a romantic comedy plot in Obvious Child and the use of a stand up comic s own pregnancy as a performance prop in Ali Wong s Baby Cobra routine In each case these breakthroughs were enabled by the strengths of comedy which sanctions the violation of earlier more restrictive norms of pregnant representation Sturtevant examines how the history of pregnancy on screen provides a fascinating lens to understand how reproductive biology has defined women s roles across the American 20th century and into the present beginning with studio era prohibitions on using the word pregnant or showing a visible baby bump through the baby boom era fetishization of sentimental pregnancy She then explores the sexual revolution and the birth control pill ushering in a new interest in non marital pregnancy in the 1960s and 70s as well as the emphasis on biological clocks and infertility in the 1980s and 90s She

concludes with an examination of the millennial move toward more medically and socially candid representations of pregnancy Throughout the book she also examines the overwhelming whiteness of most of this history and the additional barriers and stigmas against non white reproduction that have led to its shocking underrepresentation in popular media

Home Movies Claire Jenkins,2015-04-06 The American family has long been at the centre of the typical Hollywood narrative But the depiction of the nuclear family within contemporary mainstream US cinema has not yet been closely studied Home Movies addresses this oversight by assessing recent cinematic representations of the family in terms of cultural politics and representations of gender sexuality race and class Focusing on a diverse range of popular films from Meet the Parents to The Incredibles Claire Jenkins analyses the father daughter relationship within sequels and series Meryl Streep s embodiment of the mother the superhero family and extraordinary manifestations of the ordinary family disaster films which depict the president as father mom coms and Hollywood s representations of the non traditional family She combines film studies gender studies and family history to demonstrate the complexities of Hollywood s family values

Bringing Up Daddy Stella Bruzzi,2019-07-25 Offering a broad perspective on the Hollywood dad looking at important Hollywood fathers and discussing films from many genres this book adopts a multi faceted theoretical approach making use of psychoanalysis sociology and masculinity studies and contextualising the father figure within both Hollywood and American history

A New Way of Looking at Movie Stars Susan Marg,2023-01-12 Can you name ten actors who played women or ten actresses who played prostitutes in the movies What about anyone who gained weight or got into shape for a movie role And there are those who fell in love on a movie set performed together and were paid big bucks for a divorce The answers are in this book although you might have a preference for someone I didn t recognize You might even learn something new about the movies or your favorite stars Did you know that television s Police Squad ran for only six episodes but it led to three movies Do you remember when Paul Newman played himself on The Simpsons The idea for the book was based on a childhood pastime similar to hopscotch but without the hopping or standing on one leg This book is sure to bring hours of entertainment There are over 1000 entries organized into ten chapters with ten sections each Sit down keep reading and enjoy

365 Reasons to be Proud to be a Dad Ian Allen,2015-06-04 Being a dad is a 365 day job Let this nifty little book help you along the way with a hilarious dad related fact for every day of the year Discover how 26 August is the anniversary of the car you probably learned to drive in and stroke your smooth chin thoughtfully as you learn that 13 May is the day the electric shaver was invented Find out when and where the first piece of flatpack furniture was invented Ancient Greece no less and it was more of a temple than a wardrobe and on 19 November remember that there s always a more incompetent parent than you as you recall the day a certain baby boy was dangled off a balcony Packed with stories of dad derring do this book is the perfect buy for any dad you know or someone who s about to become one Word count 35 000
