Fathers Rage:

In a Father's Rage Raymond Van Over, 1991 **Mom Rage** Minna Dubin, 2023-09-19 A frank feminist examination of the hidden crisis of rage facing American mothers and how we can fix it Mothers aren't supposed to be angry Still Minna Dubin was an angry mom exhausted by the grueling thankless work of full time parenting and feeling her career slip away she would find herself screaming at her child or exploding at her husband When Dubin pushed past her shame and talked with other mothers about how she was feeling she realized that she was far from alone Mom Rage is Dubin's groundbreaking work of reportage about an unspoken crisis of anger sweeping the country and the world She finds that while a specific instance of rage might be triggered by something as simple as a child who won't tie her shoes the roots of the anger go far deeper from the unequal burden of childcare shouldered by moms to the flattening of women's identities once they have kids Drawing on insights from moms across the spectrum of race sexual orientation and class she offers practical tools to help readers disarm their rage in the moment while never losing sight of the broader social change we need to stop raging for good Restraining Rage William V. Harris, 2004-03-30 The angry emotions and the problems they presented were an ancient Greek preoccupation from Homer to late antiquity Drawing on a wide range of ancient texts and on recent work in anthropology and psychology Harris explains the rise and persistence of this concern **Refusing to be a Man** John Stoltenberg, 2005-07-28 Since its original publication in 1989 Refusing to be a Man has been acclaimed as a classic and widely cited in gender studies literature In 13 eloquent essays Stoltenberg articulates the first fully argued liberation theory for men that will also liberate women He argues that male sexual identity is entirely a political and ethical construction whose advantages grow out of injustice His thesis is however ultimately one of hope that precisely because masculinity is so constructed it is possible to refuse it to act against it and to change A new introduction by the author discusses the roots of his work in the American civil rights and radical feminist movements and distinguishes it from the anti feminist philosophies underlying the recent tide of reactionary men's movements Amazing Dads! Fatherhood Curriculum, Facilitator's Guide Dan Griffin, Harrison Crawford, 2024-04-26 The only trauma informed curriculum designed to turn men into great dads Amazing Dads Fatherhood Curriculum teaches fathers with kids of all ages to become exceptional parents These detailed lessons meet dads where they are starting from the common tendencies of male socialization to help explain key concepts of healthy fathering Through a trauma informed approach this curriculum creates safety in the group setting while delving into critical topics that fathers simply do not tend to talk about with people in their lives Unlike other fatherhood curricula Amazing Dads addresses a breadth of topics empowering men to discuss issues like family of origin sexuality how punishment can turn into abuse self care and how toxic messages in the culture can hinder parent child relationships Each session incorporates grounding and breathing exercises in addition to activities exercises and experiential opportunities that allow participants to connect with the material on a meaningful level By the end of this course fathers will have gained the

increased self awareness needed to enhance their relationships with their children and other family members Lead fathers through a curriculum of targeted lessons focused on how male socialization affects their parenting Guide participants through exercises for developing relational communication and conflict resolution skills Connect with dads on a meaningful level by creating a safe space for discussions of trauma and other difficult subjects Explain important parenting concepts using examples hands on activities and more This curriculum is excellent for use in parenting groups behavioral health treatment programs addiction treatment programs and other community based programs serving fathers Dads of all backgrounds with kids of all ages will benefit from the wisdom in *Amazing Dads Fatherhood Curriculum* *Fathers in Victorian Fiction* Natalie McKnight, 2011-08-08 This book examines the changing roles of fathers in the nineteenth century as seen in the lives and fiction of Victorian authors Fatherhood underwent unprecedented change during this period The Industrial Revolution moved work out of the home for many men diminishing contact between fathers and their children Yet fatherhood continued to be seen as the ultimate expression of masculinity and being involved with the lives of one's children was essential to being a good father Conflicting and frustrating expectations of fathers and the growing disillusionment with other paternal authorities such as church and state yielded memorable portrayals of fathers from the best novelists of the age The essays in this volume explore how Victorian authors the Brontës Dickens Gaskell Trollope Eliot Hardy and Elizabeth Sewall and Mary Augusta Ward responded to these tensions in their lives and in their fiction The stern Victorian father cliché persisted but it was countered by imaginative involved albeit faulty fathers and surrogate fathers This volume poses fathering questions that are still relevant today What does it mean to be a good father And with distrust in patriarchal authorities continuing to increase are there any sources of authority left that one can trust *Early Christian Fathers* Cyril Richardson, 1995-12 This selection of writings from early church leaders includes work by Clement of Rome Ignatius Polycarp Irenaeus Athenagoras and Justin Martyr Long recognized for the quality of its translations introductions explanatory notes and indexes the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history Through these works each written prior to the end of the sixteenth century contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries **Fathering the ADHD Child** Edward H. Jacobs, 1998 Fathers and mothers do not experience or handle parenting the same way In the case of the ADHD child for whom consistency is so important differences in the way parents regard behavior discipline and ADHD itself often get in the way of their working effectively as a team Clinical psychologist Edward H Jacobs recognizes the needs and perspectives particular to fathers and he suggests how differences can be harnessed to strengthen and enrich the parenting team to benefit the ADHD child **Deadbeat Dads** Deena Mandell, 2002-01-01 And all too often as this study shows in the struggle between the state's protection of its financial interests and the fathers focus on their personal rights the needs of children disappear The Faces of Rage David

Damico,1992 *Living in The Shadow of Our Fathers* Russ McCormack Psy.D.,2018-03-13 A nonfiction piece about the experience of shame turned toxic and its impact on the psychological and spiritual fate of mankind This ten chapter effort intertwines the literary substance of the book with a workbook component designed to get the reader to move beyond a simple mental and intellectual endeavor and move toward an exercise of personal integration with the material The experience of shame is universal a human experience but an experience that has the potential to turn toxic Toxic shame can wreak havoc on the psychological development and well being of the individual But this author also purports that toxic shame can equally disrupt and damage the spiritual nature of the human experience When Demons Rush In is a two pronged approach both psychological and spiritual to understanding what this author believes is a devastating reality besieging the individual of our day Specifically looking at the father son relationship the author focuses on this masculine relationship his own relationship with his father in a way to bring awareness and credibility to the author s insights into what plagues the fathers the sons and the men of our present day societies By focusing on shame turned toxic its roots its causes its consequences the author is seeking to draw attention to what he feels is a monumental threat to the fate of humankind With special emphasis and focus on the spiritual the author is challenging the reader to open their minds and hearts to a reality that remains unnoticed and unrecognized As a first time author I have selected a subject to write about that reflects both my professional and personal experiences My own personal story is one of shame turned toxic and as a licensed clinical psychologist I have witnessed the devastating effects of toxic shame on the individual their families and on their communities

Vintage Book Of Fathers L Guinness,Louise Guinness,2012-02-29 Ideal fathers cruel fathers puffed up with pride fathers horribly and humanly flawed fathers this wonderful anthology contains a whole range of experience from the amazed joy of new fatherhood to the pains of bereavement from the comic and eccentric Papa to the sinister and silent Dad Louise Guinness has collected irresistible extracts spanning nearly three thousand years from Homer and the Bible to present day from Chaucer to Beatrix Potter Rabelais to Seamus Heaney

Masculinity at the Movies Thomas Keith,2025-06-05 Masculinity at the Movies takes a deep dive into masculinity in film and how Hollywood movies continue to produce and promote masculine stereotypes that place boys and men in constraining identities and dysfunctional patterns of behaviour From classic film stars to those of the present day this textbook unpacks the development of the main male stereotypes in film villains heroes and oafs and how movies can develop healthy new male representations Alongside Hollywood studio productions it delves into Black Native American Latino and Asian representation as well as LGBTQ masculinity Going beyond the present it proposes what healthy masculinity at the movies looks like and where Hollywood should set its sights to create more progressive models of masculinity for the 21st century Masculinity at the Movies will provide students of gender studies media studies and cultural studies with new insights into stereotypes of men in contemporary film

Angry White Men Michael Kimmel,2013-11-05 We can t come off as a bunch of angry white men Robert Bennett chairman of the Ohio

Republican Party One of the enduring legacies of the 2012 Presidential campaign was the demise of the white American male voter as a dominant force in the political landscape On election night after Obama was announced the winner a distressed Bill O Reilly lamented that he didn't live in a traditional America anymore He was joined by others who bellowed their grief on the talk radio airwaves the traditional redoubt of angry white men Why were they so angry Sociologist Michael Kimmel one of the leading writers on men and masculinity in the world today has spent hundreds of hours in the company of America's angry white men from white supremacists to men's rights activists to young students in pursuit of an answer Angry White Men presents a comprehensive diagnosis of their fears anxieties and rage Kimmel locates this increase in anger in the seismic economic social and political shifts that have so transformed the American landscape Downward mobility increased racial and gender equality and a tenacious clinging to an anachronistic ideology of masculinity has left many men feeling betrayed and bewildered Raised to expect unparalleled social and economic privilege white men are suffering today from what Kimmel calls aggrieved entitlement a sense that those benefits that white men believed were their due have been snatched away from them Angry White Men discusses among others the sons of small town America scarred by underemployment and wage stagnation When America's white men feel they've lived their lives the right way worked hard and stayed out of trouble and still do not get economic rewards then they have to blame somebody else Even more terrifying is the phenomenon of angry young boys School shootings in the United States are not just the work of misguided youth or troubled teens they're all committed by boys These alienated young men are transformed into mass murderers by a sense that using violence against others is their right The future of America is more inclusive and diverse The choice for angry white men is not whether or not they can stem the tide of history they cannot Their choice is whether or not they will be dragged kicking and screaming into that inevitable future or whether they will walk openly and honorably far happier and healthier incidentally alongside those they've spent so long trying to exclude

When Parents Have Problems Susan B. Miller, 2019-02-21 Numerous books have been written for adults who grew up coping with troubled and difficult parents Often the adults who read these books say I wish someone had told me that when I was a kid it might have helped me so much Unfortunately not much has been written for the kids who are coping in the present with difficult or troubled parents This book is written out of the belief that intelligent kids can use sound ideas to improve their lives either on their own or with the help of healthy adults It will offer help in sorting out whether a difficult situation may be a result of a parent's problems In this new third edition changes have been made throughout in order to update and refine the author's ideas Two new chapters have been added as well The first new chapter addresses parents who tell lies Dishonest parents are motivated in several different ways but all dishonest parents pose special problems for their children The second chapter discusses the idea that all parents have problems some of the time In this chapter the author helps young people look at the challenges posed by recognizing that all parents even excellent ones have shortcomings and it differentiates between the ordinary

shortcomings that all parents have and more serious problems in parenting This book is an excellent resource for therapists school counselors group leaders and others who work with children and teenagers and who want reading materials to recommend to them

Wounded Masculinity and the Search for (Father) Self in American Film Susan Mackey-Kallis,Brian Johnston,2023-12-12 Drawing on texts and theorists of Greek myth psychoanalysis and masculinities Susan Mackey Kallis and Brian Johnston develop and offer a model of rhetorical and mythic criticism to analyze popular American film In this book Mackey Kallis and Johnston focus their analysis on films that point to the need for father atonement ego decentering and the resurrection of the lost feminine to heal our collective gendered cultural wounds Many of these mystic films they contend affirm the role of meaningful suffering compassion integration of the feminine self sacrifice and transcendence as antidotes to the inevitable woundedness of the human condition Ultimately the authors argue for the importance of digging into the substance of cultural wounds rather than superficially suturing them over to change the conversation about woundedness and provide a roadmap for healing gendered relations in contemporary American culture The book concludes with a discussion of Joseph Campbell s interpretation of the metaphorical power of myth and its transcendent function to argue for a theory of us rather than a theory of us versus them Scholars of film gender studies American studies cultural studies gender studies and psychology will find this book of particular interest
