Faulkner And Dostoevsky:

Faulkner and Dostoevsky Jean Weisgerber,1968 A Comparative Thematic Study in the Major Novels of Faulkner and Dostoevsky Kathryn Farnham Mangano,1966 Faulkner and Dostoevsky Joseph McCrary Hunter,1980 **The Triumph of the Novel** Albert Joseph Guérard,1976 **Duality in the Novels of William Faulkner and Fyodor Dostoevsky** Emil Stanley Bricker,1971 **Duality in the novels of William Faulkner and Fyodor Dostoevsky** Emil S. Bricker,1982

Quality in the Novels of William Faulkner and Fyodor Dostoevsky Emil Stanley Bricker,1971 Suffering and the Gothic Elizabeth Lyle Curry,2007 **The Triumph of the Novel** Albert J. Guerard,1978 Dark Prophets of Hope--Dostoevsky, Sartre, Camus, Faulkner Jean Kellogg,1975 **Connections and Influence in the Russian and American Short Story** Jeff Birkenstein,Robert C. Hauhart,2021-03-10 In Connections and Influence in the Russian and American Short Story editors Robert C Hauhart and Jeff Birkenstein have assembled a collection of eighteen original essays written by literary critics from around the globe Collectively these critics argue that the reciprocal influence between Russian and American writers is integral to the development of the short story in each country as well as vital to the global status the contemporary short story has attained This collection provides original analyses of both well known Russian and American stories as well as some that might be more unfamiliar Each essay is purposely crafted to display an appreciation of the techniques subject matter themes and approaches that both Russian and American short story writers explored across borders and time Stories by Gogol Dostoevsky Turgenev Chekhov and Krzhizhanovsky as well as short stories by Washington Irving Faulkner Langston Hughes Richard Wright Ursula Le Guin Raymond Carver and Joyce Carol Oates populate this essential multivalent collection Perhaps more important now than at any time since the end of the Cold War these essays will remind readers how much Russian and American culture share as well as the extent to which their respective literatures are deeply intertwined **Dostoevsky's The Brothers Karamazov** Julian W Connolly,2013-02-14 Fyodor Dostoevsky s The Brothers Karamazov is unquestionably one of the greatest works of world literature With its dramatic portrayal of a Russian family in crisis and its intense investigation into the essential questions of human existence the novel has had a major impact on writers and thinkers across a broad range of disciplines from psychology to religious and political philosophy This proposed reader s guide has two major goals to help the reader understand the place of Dostoevsky s novel in Russian and world literature and to illuminate the writer s compelling and complex artistic vision The plot of the novel centers on the murder of the patriarch of the Karamazov family and the subsequent attempt to discover which of the brothers bears responsibility for the murder but Dostoevsky s ultimate interests are far more thought provoking Haunted by the question of God s existence Dostoevsky uses the character of Ivan Karamazov to ask what kind of God would create a world in which innocent children have to suffer and he hoped that his entire novel would provide the answer The design of Dostoevsky s work in which one character poses questions that other characters must try to answer provides a stimulating basis for reader

engagement Having taught university courses on Dostoevsky's work for over twenty years Julian W Connolly draws upon modern and traditional approaches to the novel to produce a reader's guide that stimulates the reader's interest and provides a springboard for further reflection and study *Unveiling the Intricacies of William Faulkner's Literary Works through the Bakhtinian Theory* Mostafa Rahmati Kargan, 2024-09-20 Delving deep into the intricate narrative styles of William Faulkner's most celebrated works this captivating study immerses readers in the renowned author's rich and masterful storytelling techniques By incorporating the rigorous theoretical frameworks of Mikhail Bakhtin's polyphony and dialogism and Tzvetan Todorov's insights the study unveils Faulkner's unparalleled ability to craft a myriad of unique autonomous characters and narrative voices Emphasizing Faulkner's innovative narrative prowess including his adept use of multiple perspectives narrative levels and stylistic choices this exploration offers readers an exhilarating glimpse into the profound and complex world of Faulkner's literary works Get ready to embark on an enthralling journey through the captivating storytelling universe of one of literature's greatest visionaries **The Faulkner Journal**, 2004 **Dostoevsky, Faulkner, and the ANALOGIA ENTIS** Amber Janene Hobbs Dyer, 2019 William Faulkner's Sanctuary Harold Bloom, 1988 The function of narrative pattern in *Sanctuary* Joseph W Reed Jr *Sanctuary from confrontation to peaceful void* Calvin S Brown *Sanctuary and Dostoevsky* Jean Weisgerber *Sanctuary and Faulkner's misogyny* Albert J Guerard *Sanctuary* Elizabeth M Kerr The space between *Sanctuary* Noel Polk *Desire and despair* Robert R Moorey Faulkner's Treatment of Women Dr. Vibha Manoj Sharma, 2017-01-01 The overview of William Faulkner's scholarship shows certain obvious limitations in concern to his treatment to his fictional female characters Critics have concentrated on the male characters the outmost The first limitation is that the critics have not paid the needed attention to his treatment of the female characters in their totality Critics have taken up Faulkner's characterization but their concentration is more on the male figures only If at all they discuss women characters they are seen as figure only If at all they discuss women characters they are seen as subordinate figures to their male counterparts The second limitation is that the bulk of Faulkner scholarship treats Faulkner's individual works in these studies also the concentration is mainly on the themes and techniques and the discussion on female characters is again scanty Quite a few studies concentrate deeply on his individual works and explain Faulkner's larger themes but they too are specifically male oriented The next limitation is that a large number of articles appearing in various decades also cover individual aspects of Faulkner's themes and characters and give only partial treatment to his women characters The fourth limitation is that even while discussing Faulkner as moralist the concentration is more on the male figure than the female figures The last limitation of Faulkner scholarship is that mostly it concentrates on his craftsmanship a large number of studies on Faulkner assess his stylistics and technique Tracing technical aspects thematic patterns and stylistic devices used by him critics establish Faulkner scholarship but are oblivious to the central thrust of women characters Thus Faulkner scholarship treats women characters either as secondary characters or at the most in relation to their male counterparts only

They have been treated less as individuals than as common commodities the critics have been casual in their approach towards women characters and taken them for granted This nonchalant view may lead us to conclude that women in Faulkner are a silent sex For that a complete survey has been done as mentioned in Introduction of the study to trace scope on full length study in context to Faulkner s women characters At times the survey led to conclude that Faulkner himself is not projecting as pleasant pictures of women in his novels as he does in the case of male figures In fact Faulkner was accused of being hostile to women At times Faulkner may strike us as a misogynist These points led to give a kind of impulse to start working on the women characters in Faulkner His imaginary fictional world Yoknapatawpha explains the intertextuality so sometimes the same women character in different types of roles in his novels or shows amelioration and redemption in his other text Keeping all these points in consideration as his indispensable women characters fascinate to study in depth and I could get the form under the heading Faulkner s Treatment of Women It is a humble attempt I do not claim it to be the last word on the issue Dr Vibha Manoj sharma **A Critical and Textual Study of Faulkner's A Fable** Keen Butterworth,1983

Faulkner's Fables of Creativity Gary Harrington,1990-06-18 In this study of the five novels set outside the fictional county Yoknapatawpha the author devotes a chapter to each novel and develops the theme that these texts present in fictional form Faulkner s reflections on his aesthetic development and on the mutual responsibilities of writer and reader **Que's Official Internet Yellow Pages** Joe Kraynak,2005 Information online is not stored or organized in any logical fashion but this reference attempts to organize and catalog a small portion of the Web in a single resource of the best sites in each category
