Faulkner And Modernism Rereading And Rewriting

Karl F. Zender

Faulkner And Modernism Rereading And Rewriting:

Faulkner and Modernism Richard C. Moreland, 1990 Throughout his career Faulkner retold some of the same stories about some of the same events and characters but retold them differently For many years now these rewritings and revisions have been judged failures of craft But Faulkner knew they were there and defended his discrepancies associating them with learning about human character Richard Moreland argues that these revisionary repetitions in fact constitute Faulkner's conscious critique of modernism Moreland's readings of *Absalom Absalom* *The Hamlet* *Go Down Moses* *Requiem for a Nun* and other works reveal Faulkner's explorations of both the motivations and consequences of modernism in the context of America's dominant discourses of class race gender and sexuality *Faulkner and the Politics of Reading* Karl F. Zender, 2023-10-18 With this study Karl F. Zender offers fresh readings of individual novels themes and motifs while also assessing the impact of recent politicized interpretations on our understanding of Faulkner's achievement Sympathetically acknowledging the need to decenter the canon Zender's searching interrogation of current theory clears a breathing space for Faulkner and his readers between the fustier remnants of New Criticism and the excesses of post structuralism Each chapter opens with a balanced presentation of the genuine gifts contemporary theory has bestowed on our comprehension of a particular novel or problem in Faulkner criticism and then proceeds with a groundbreaking reading *The Politics of Incest* challenges older psychoanalytic interpretations of Faulkner's use of the incest motif and *Privacy* defends the novelist's difficulty or reticence as an aesthetic resistance against the rude candor of deregionalized and depersonalized culture Subsequent chapters take up the volatile issues of Faulkner's representations of women and of African Americans and a close reading of the classic *Barn Burning* critiques the current tendency to blur the concepts of patriarchy and paternity The elegiac final chapter *Where is Yoknapatawpha County* draws on a comparison with John Updike's *Pennsylvania* fiction and a reading of Joan Williams's *The Wintering* to explore Faulkner's disinclination to represent the quotidian realities of southern life in his later novels Zender shows that Faulkner's stylistic withdrawal attempts to transform into beauty his alienation from the postwar world and his fear of aging That *Faulkner and the Politics of Reading* itself recovers and gives new luster to Faulkner's beauty will surely please in the author's words those readers for whom literature is less a mechanism of social change than a source of pleasure The originality of its critical vision will inspire Faulkner scholars students of American literature and general readers ***A Companion to William Faulkner*** Richard C. Moreland, 2017-06-14 This comprehensive *Companion to William Faulkner* reflects the current dynamic state of Faulkner studies Explores the contexts criticism genres and interpretations of Nobel Prize winning writer William Faulkner arguably the greatest American novelist Comprises newly commissioned essays written by an international contributor team of leading scholars Guides readers through the plethora of critical approaches to Faulkner over the past few decades Draws upon current Faulkner scholarship as well as critically reflecting on previous interpretations ***Faulknerista*** Catherine G.

Kodat,2022-11-16 *Faulknerista* collects more than twenty years of critically influential scholarship by Catherine Gunther Kodat on the writings of one of the most important American authors of the twentieth century William Faulkner Initially composed as freestanding essays and now updated and revised the book's nine chapters place Faulkner's work in the context of current debates concerning the politics of white authors who write about race queer sexualities and the use of the N word in literature and popular culture The *Faulknerista* of the title is a critic who tackles these debates without fear or favor balancing admiration with skepticism in a manner that establishes a new model for single author scholarship that is both historically grounded for women have been writing about Faulkner and talking back to him since the beginning of his career and urgently contemporary Beginning with an introduction that argues for the critical importance of women's engagement with Faulkner's fiction through comparative discussions pairing it with works by Toni Morrison Jean Luc Godard Quentin Tarantino and David Simon *Faulknerista* offers a valuable resource for students scholars and general readers written in an accessible style and aimed at stimulating discussions of Faulkner's work and the rich interpretive challenges it continues to present

Faulkner and the Discourses of Culture Charles Hannon,2012-01-17 Throughout his career William Faulkner produced a literary discourse remarkably contiguous with other discourses of American culture but seldom has his work been explored as a participant in the shifts and ruptures that characterize modern discursive systems Charles Hannon argues in his brilliant new study that the language of Faulkner's fiction is replete with the voiced conflicts that shaped America and the South from the 1920s to 1950 Specifically Hannon takes five contemporary debates in historiography law labor ethnography and film and relates them both to canonical and less discussed texts of Faulkner Hannon employs a theoretical middle ground between Michael Bakhtin's stylistics of the novel and Michel Foucault's model of discourse as an autonomous self regulated domain while also drawing from the vast critical literature on Faulkner's fiction He begins by linking the story cycle *The Unvanquished* to the battle over interpretations of American history as voiced by the Nashville Agrarians on the one hand and W E B DuBois on the other Next Hannon shows how Faulkner's detective fiction of the early 1930s and portions of his novel *The Hamlet* were affected by the emerging schism between adherents of a new school of legal realism and those bound to a more conservative formalist jurisprudence According to Hannon Faulkner's great novel *Absalom Absalom* reflects in its depiction of various forms of labor one of Franklin Roosevelt's major New Deal accomplishments the Wagner Act of 1935 as well as contract disputes in the agricultural and manufacturing South and in the film studios of Hollywood Hannon discusses Faulkner's experimentation in *The Hamlet* vis vis the development of the ethnographic method in the field of anthropology He concludes with a fascinating analysis of the filming of *Intruder in the Dust* in Faulkner's hometown of Oxford Mississippi Through Hannon's keen interpretive readings Faulkner's texts emerge as a complex node in the larger discursive conflicts of his time Though he often seemed to be detached from influence Faulkner was Hannon reveals intensely attentive to ideas at the fore

The Cambridge Companion to William Faulkner Philip M. Weinstein,1995-01-27 This collection of essays by

ten major scholars explores Faulkner's widespread cultural import *Faulkner and Postmodernism* John N. Duvall, Ann J. Abadie, 2002 Where William Faulkner's fiction stands in relation to that of Ellison Pynchon Nabokov and other postmodern greats **A Cultural History of the American Novel, 1890-1940** David L. Minter, 1994 This book interweaves a wide selection of the novels of the late nineteenth and early twentieth centuries with a series of cultural events ranging from Buffalo Bill's Wild West Show to the Southern Renaissance of the 1930s Out of Context Michaela Bronstein, 2018-04-03 How do novels travel through time How might they endure in a changing world and reach the readers of an unknowable future Modernist writers were eager to think of their books as reaching audiences they could not yet imagine In recent years however scholars of modernism have focused on pinning them down putting these books in their context and these authors in their place By looking to the future scholars fear that looking to the future will make literature disengaged irresponsible or apolitical the worry is that literature cannot escape its own moment without also evading the hard truths of history Out of Context suggests an alternative to this scholarship proposing that literature travels through time not by transcending history but by adapting to historical change The chapters of this book each pair a modernist author with a later reader In each case this future reader is also a novelist someone who reads with an eye to form and craft and who puts what they see to new use in their own novels James Baldwin adapts Henry James's modes of characterization Ngugi wa Thiong'o repurposes Joseph Conrad's nonchronological narratives and Ken Kesey builds on William Faulkner's use of multiple perspectives Reading the modernists through these authors' eyes offers a different perspective on them Literary forms in this history do not have intrinsic political meanings they have a multitude of political uses Rather than see modernist literary form in all its fragmentation and complexity as a source of disruption and doubt these later authors use modernist forms to distill doubts into conviction The experiments of modernist fiction stand revealed as tools not of political critique but of political commitment *A Companion to Faulkner Studies* Charles Peek, Robert W. Hamblin, 2004-06-30 Faulkner scholarship is one of the largest critical enterprises currently at work Because of its size and scope accessing that scholarship has become difficult for scholars students and general readers alike This reference includes chapters on individual approaches to Faulkner studies including archetypal historical biographical feminist and psychological criticism among others Each chapter is written by an expert contributor and surveys the contributions of that approach to Faulkner scholarship The volume concludes with a selected general bibliography and glossary of critical terms William Faulkner is one of the most widely read and studied American writers His works have also generated a vast body of scholarship and elicited criticism from a wide range of approaches Because of its size scope and diversity accessing that scholarship has become difficult for scholars students and general readers alike This reference comprehensively overviews the present state of Faulkner studies The volume includes chapters written by expert contributors Each chapter defines a particular critical approach and surveys the contributions of that approach to Faulkner studies Some of the approaches covered are archetypal biographical feminist

historical and psychological among others The book closes with a selected general bibliography and glossary of critical terms

Faulkner and Film Peter Lurie, Ann J. Abadie, 2014-09-18 Considering that he worked a stint as a screenwriter it will come as little surprise that Faulkner has often been called the most cinematic of novelists Faulkner's novels were produced in the same high period as the films of classic Hollywood a reason itself for considering his work alongside this dominant form Beyond their era though Faulkner's novels or the ways in which they ask readers to see as well as feel his world have much in common with film That Faulkner was aware of film and that his novels own thinking betrays his profound sense of the medium and its effects broadens the contexts in which he can be considered In a range of approaches the contributors consider Faulkner's career as a scenarist and collaborator in Hollywood the ways his screenplay work and the adaptations of his fiction informed his literary writing and how Faulkner's craft anticipates intersects with or reflects upon changes in cultural history across the lifespan of cinema Drawing on film history critical theory archival studies of Faulkner's

screenplays and scholarship about his work in Hollywood the nine essays show a keen awareness of literary modernism and its relation to film **Faulkner and ideology** Donald M. Kartiganer, Ann J. Abadie, 1995 Dare to enter the House of Night with the next four titles of the series following UNTAMED collected in a beautifully designed boxed set With more than 12 million books in print rights sold in almost 40 countries and over two years on the New York Times bestseller list reaching as high as 1 the House of Night series by PC and Kristin Cast is an international publishing sensation The series follows 16 year old Zoey Redbird as she is Marked by a vampyre tracker and begins to undergo the Change into an actual vampyre She has to leave her family and move into the House of Night in Tulsa OK a boarding school for other fledgling vampyres like her It's tough to begin a new life away from her parents and friends and on top of that Zoey finds she is no average fledgling She has been Marked as special by the vampyre Goddess Nyx Although Zoey has awesome new powers it's hard to fit in when everyone knows you're special As Zoey tries to make new friends and maybe find a hot boyfriend or two she comes up against all kinds of evil from the perfect looking super popular girl with not so faultless plans to the mysterious deaths happening at the House of Night and all over Tulsa Things at the House of Night are not always what they seem Can Zoey find the courage deep within herself to find the truth and embrace her destiny **William Faulkner's As I Lay Dying** Harold Bloom, 2013

Provides a collection of critical essays on Faulkner's As I lay dying **Faulkner and Modernism**, 1998 **Faulkner's Sexualities** Annette Trefzer, Ann J. Abadie, 2010-11-12 William Faulkner grew up and began his writing career during a time of great cultural upheaval especially in the realm of sexuality where every normative notion of identity and relationship was being re-examined Not only does Faulkner explore multiple versions of sexuality throughout his work but he also studies the sexual dimension of various social economic and aesthetic concerns In Faulkner's Sexualities contributors query Faulkner's life and fiction in terms of sexual identity sexual politics and the ways in which such concerns affect his aesthetics Given the frequent play with sexual norms and practices how does Faulkner's fiction constitute the sexual subject in relation to the

dynamics of the body language and culture In what ways does Faulkner participate in discourses of masculinity and femininity desire and reproduction heterosexuality and homosexuality In what ways are these discourses bound up with representations of race and ethnicity modernity and ideology region and nation In what ways do his texts touch on questions concerning the racialization of categories of gender within colonial and dominant metropolitan discourses and power relations Is there a southern sexuality This volume wrestles with these questions and relates them to theories of race gender and sexuality

Resisting History Barbara Ladd, 2012-01-02 In a major reinterpretation *Resisting History* reveals that women as subjects of writing and as writing subjects themselves played a far more important role in shaping the landscape of modernism than has been previously acknowledged Here Barbara Ladd offers powerful new readings of three southern writers who reimagined authorship between World War I and the mid 1950s Ladd argues that the idea of a new woman released from some of the traditional constraints of family and community more mobile and participating in new contractual forms of relationality precipitated a highly productive authorial crisis of gender in William Faulkner As new women themselves Zora Neale Hurston and Eudora Welty explored the territory of the authorial sublime and claimed for themselves and other women new forms of cultural agency Together these writers expose a territory of female suffering and aspiration that has been largely ignored in literary histories In opposition to the belief that women's lives and dreams are bound up in ideas of community and pre contractual forms of relationality Ladd demonstrates that all three writers Faulkner in *As I Lay Dying* Welty in selected short stories and in *The Golden Apples* and Hurston in *Tell My Horse* place women in territories where community is threatened or nonexistent and new opportunities for self definition can be seized And in *A Fable* Faulkner undertakes a related project in his exploration of gender and history in an era of world war focusing on men mourning and resistance and on the insurgences of the masses the feminized others of history in order to rethink authorship and resistance for a totalitarian age Filled with insights and written with obvious passion for the subject *Resisting History* challenges received ideas about history as a coherent narrative and about the development of U S modernism and points the way to new histories of literary and cultural modernisms in which the work of women shares center stage with the work of men

Unknowing Philip M. Weinstein, 2005 Weinstein explores the modernist commitment to unknowing by addressing the work of three experimental writers Franz Kafka Marcel Proust William Faulkner

Anti-Mimesis from Plato to Hitchcock Tom Cohen, 1994-09-08 The material elements of writing have long been undervalued and have been dismissed by recent historicising trends of criticism but analysis of these elements sound signature letters can transform our understanding of literary texts In this 1994 book Tom Cohen shows how in an era of representational criticism and cultural studies the role of close reading has been overlooked Arguing that much recent criticism has been caught in potentially regressive models of representation Professor Cohen undertakes to counter this by rethinking the materiality of the text itself Through a series of revealing new readings of the work of writers including Plato Bakhtin Poe Whitman and Conrad Professor

Cohen exposes the limitations of new historicism and neo pragmatism and demonstrates how the materiality of language operates to undo the representational models of meaning imposed by the literary canon **A Companion to the Modern American Novel, 1900 - 1950** John T. Matthews,2013-03-25 This cutting edge Companion is a comprehensive resource for the study of the modern American novel Published at a time when literary modernism is being thoroughly reassessed it reflects current investigations into the origins and character of the movement as a whole Brings together 28 original essays from leading scholars Allows readers to orient individual works and authors in their principal cultural and social contexts Contributes to efforts to recover minority voices such as those of African American novelists and popular subgenres such as detective fiction Directs students to major relevant scholarship for further inquiry Suggests the many ways that modern American and fiction carry new meanings in the twenty first century **Faulkner in America** Ann J. Abadie,2001

Faulkner And Modernism Rereading And Rewriting Introduction

In today's digital age, the availability of Faulkner And Modernism Rereading And Rewriting books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Faulkner And Modernism Rereading And Rewriting books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Faulkner And Modernism Rereading And Rewriting books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Faulkner And Modernism Rereading And Rewriting versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Faulkner And Modernism Rereading And Rewriting books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Faulkner And Modernism Rereading And Rewriting books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Faulkner And Modernism Rereading And Rewriting books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Faulkner And Modernism Rereading And Rewriting books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Faulkner And Modernism Rereading And Rewriting books and manuals for download and embark on your journey of knowledge?

FAQs About Faulkner And Modernism Rereading And Rewriting Books

What is a Faulkner And Modernism Rereading And Rewriting PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Faulkner And Modernism Rereading And Rewriting PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Faulkner And Modernism Rereading And Rewriting PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Faulkner And Modernism Rereading And Rewriting PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Faulkner And Modernism Rereading And**

Rewriting PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
