he devoted explicitly to Native American topics the eleven essays of this volume advance the critical analysis of Faulkner's Native South and the Native South's Faulkner Critics push beyond assessments of the historical accuracy of his Native representations and the colonial hybridity of his Indian characters. Essayists turn instead to indigenous intellectual culture for new models, problems, and questions to bring to Faulkner studies. Along the way, readers are treated to illuminating comparisons between Faulkner's writings and the work of a number of Native American authors, filmmakers, tribal leaders, and historical figures. Faulkner and the Native South brings together Native and non-Native scholars in a stimulating and often surprising critical dialogue about the indigenous wellsprings of Faulkner's creative energies and about Faulkner's own complicated presence in Native American literary history.

Richard Wright Kenneth Kinnamon, 2014-11-04
African American writer Richard Wright (1908-1960) was celebrated during the early 1940s for his searing autobiography *Black Boy* and fiction *Native Son*. By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris. But his writings changed American culture forever, and today they are mainstays of literature and composition classes. He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers. This volume presents a comprehensive annotated bibliography of those essays, books, and articles from 1983 through 2003. Arranged alphabetically by author, within years are some 8,320 entries ranging from unpublished dissertations to book-length studies of African American literature and literary criticism. Also included as an appendix are addenda to the author's earlier bibliography covering the years from 1934 through 1982. This is the exhaustive reference for serious students of Richard Wright and his critics.
