## **Faulkners Light In August:**

**Light in August** William Faulkner, 2002-04-02 Selected by the Modern Library as one of the 100 best novels of all time From the Modern Library's new set of beautifully repackaged hardcover classics by William Faulkner also available are *Snopes* *As I Lay Dying* *The Sound and the Fury* *Absalom Absalom* and *Selected Short Stories* One of William Faulkner's most admired and accessible novels *Light in August* reveals the great American author at the height of his powers Lena Grove's resolute search for the father of her unborn child begets a rich poignant and ultimately hopeful story of perseverance in the face of mortality It also acquaints us with several of Faulkner's most unforgettable characters including the Reverend Gail Hightower plagued by visions of Confederate horsemen and Joe Christmas a ragged itinerant soul obsessed with his mixed race ancestry Powerfully entwining these characters' stories *Light in August* brings to life Faulkner's imaginary South one of literature's great invented landscapes in all of its unerringly fascinating glory Along with a new Foreword by C E Morgan this edition reproduces the corrected text of *Light in August* as established in 1985 by Faulkner expert Noel Polk William Faulkner's *Light in August* Harold Bloom, 1988 Faulkner's *Light in August* François Pitavy, 1974 **The Poltergeist in William Faulkner's *Light in August*** John P. Anderson, 2002-09 An analysis of Faulkner's novel *Light in August* based on the death of his daughter Alabama BACK COVER This non-academic author exposes the poltergeist lurking in the cellar of Faulkner's uncanny and haunting novel *Light in August* as the ghost of Faulkner's first child Alabama She was born prematurely and died tragically after only nine days apparently in the clutches of fetal alcohol syndrome Faulkner couldn't write anything substantial for 7 months and then started this disturbing novel The author demonstrates how Faulkner's own grief experience shaped the characters and the action and how he grounded part of his personal poltergeist in this novel The resulting novel is full of tension and alienation Strangers occupy Faulkner's fictional Jefferson Mississippi against the background of the culturally reft South post-Civil War The author shows how Faulkner shrouded his intensely personal grief experience in a conceptual wardrobe borrowed from the philosopher and Nobel Prize-winning Henri Bergson Faulkner borrowed Bergsonian concepts of the life and death currents for the contrast in characters between those free in the present and those prisoners of the past Lena Grove the young and pregnant country girl walking for weeks to find the father of her child bears the life current and Joe Christmas the orphan turned rapist and murderer the death current The author demonstrates how Faulkner created the novel's other vivid characters using similar contrasts and how the plot strands tie together in a resonating whole The author's detailed textual analysis of important passages brings this difficult novel into focus Like the author's other books on Joyce and Faulkner use of this analysis either as literary foreplay or afterplay will enhance your reading experience of Faulkner's novel *Faulkner and Women* Doreen Fowler, 1986 **William Faulkner** John Bassett, 1997 William Faulkner 1897-1962 Writings include *Absalom Absalom* *Intruder in the Dust* *As I Lay Dying* Volume covers the period 1924-1957 **A Study Guide for William Faulkner's "Light in August"** Gale, Cengage

Christmas The surly psychopathic Christmas has been on the run for years ever since at least injuring perhaps even killing his strict Presbyterian adopted father Although he has light skin Christmas suspects that he is of African American ancestry Consumed with rage he is a bitter outcast who wanders between black and white society constantly provoking fights with blacks and whites alike Christmas comes to Jefferson three years prior to the central events of the novel and gets a job at the mill where Byron and later Joe Brown work The job at the mill is a cover for Christmas s bootlegging operation which is illegal under Prohibition He has a sexual relationship with Joanna Burden an older woman who descended from a formerly powerful abolitionist family whom the town despises as carpetbaggers Though their relationship is passionate at first Joanna begins menopause and turns to religion which frustrates and angers Christmas At the end of her relationship with Christmas Joanna tries to force him at gunpoint to kneel and pray Joanna is murdered soon after her throat is slit and she is nearly decapitated
