BookCaps, Johann Wolfgang von Goethe, 2012 You've heard the term Sell Your Soul to the Devil It sounds very rock and roll right Wrong It actually comes from Goethe's Faust a tragic work about a man who sells his soul The themes and plot of Faust seems right out of a modern horror novel if you can understand it Unlike most archaic translations of Faust BookCaps puts a fresh spin on Goethe's classic by using language modern readers won't struggle to make sense of The original English text is also presented in the book along with a comparable version of both text We all need refreshers every now and then Whether you are a student trying to cram for that big final or someone just trying to understand a book more BookCaps can help We are a small but growing company and are adding titles every month **Faust** Johann Wolfgang von Goethe, 1959 **Faust**

Johann Wolfgang von Goethe, 1959 *Faust, Part One* Johann Wolfgang van Goethe, 2020-11-03 The original tale of moral destruction in a brand new translation Faust is a man torn between the urges of the living world and the significance of moral living He feels nothing he lives for nothing and thus engages in a wager with Mephistopheles the devil himself Goethe's master work shares the deep complexity of a human life rife with pain mistakes and dynamic complexity With Faust the lushly lyrical and philosophically brilliant drama on which the poet spent almost his entire life Goethe solidified himself as a major literary figure whose work would transcend time and space to create the modern world Now this brand new dynamic translation demands we ask of our world who will win humanity or Mephistopheles **Faust** Johann Wolfgang von

Goethe in English Derek Glass, Martin H. Jones, 2005 This bibliography was commissioned by the English Goethe Society as a contribution to the celebration in 1999 of the 250th anniversary of Goethe's birth It sets out to record translations of his works into English that have been published in the twentieth century up to and including material published in that anniversary year It aims to serve as wide a constituency as possible be it as a simple reference tool for tracing a translation of a given work or as a documentary source for specialized studies of Goethe reception in the English speaking world The work records publications during the century not merely translations that originated during this period It includes numerous reprintings of older material as well as some belated first publications of translations from the nineteenth century It shows

how frequent and how long enduring was the recourse of publishers and anthologists to a Goethe Victorian in diction a signal factor in perceptions and misperceptions Derek Glass was putting the finishing touches to the bibliography at the time of his sudden death in March 2004 Colleagues at Kings College London have edited the final manuscript which is now published jointly by the English Goethe Society and the Modern Humanities Research Association both as a worthy commemoration of Goethes anniversary and as a tribute to Derek himself *Faust; a Tragedy, Translated from the German of Goethe* Johann Wolfgang von Goethe,2019-11-19 Johann Wolfgang von Goethe s Faust a Tragedy Translated from the German of Goethe is an ambitious exploration of ambition desire and the human spirit encapsulated in the character of Dr Faust a scholar who dissatisfied with the limits of knowledge makes a pact with the devil Mephistopheles Goethe s poetic mastery is complemented by a complex interplay of philosophical discourse and vivid imagery intertwining elements of Romanticism and Enlightenment thought This work not only reflects the zeitgeist of 19th century Germany but also resonates universally delving into the struggles of moral decision making and existential yearning that transcend time and culture Goethe 1749 1832 a titan of German literature was influenced by the currents of Enlightenment and Sturm und Drang movements that shaped his literary voice His personal experiences with love loss and the search for meaning deeply inform Faust as he wrestled with similar existential dilemmas throughout his life Goethe s extensive knowledge of literature philosophy and natural science also enriches this work making it not merely a play but a deep intellectual treatise on the human condition Faust is essential reading for anyone interested in the intricacies of the human spirit and its conflicts Goethe s profound insights into love despair and the quest for redemption invite readers to reflect on their own lives while engaging with one of literature s most enduring characters A compelling read this tragedy stands as a pillar of Western literature deserving of a place on every bookshelf The Bibliographer Henry Benjamin Wheatley,1882 *Faust* Johann Wolfgang von Goethe,Martin Greenberg,2014-07-01 A classic of world literature Goethe s Faust is a philosophical and poetic drama full of satire irony humor and tragedy Martin Greenberg re creates not only the text s varied meter and rhyme but also its diverse tones and styles dramatic and lyrical reflective and farcical pathetic and coarse colloquial and soaring His rendition of Faust is the first faithful readable and elegantly written translation of Goethe s masterpiece available in English At last the Greenberg Faust is available in a single volume together with a thoroughly updated translation preface and notes Greenberg has accomplished a magnificent literary feat He has taken a great German work until now all but inaccessible to English readers and made it into a sparkling English poem full of verve and wit Greenberg s translation lives it is done in a modern idiom but with respect for the original text I found it a joy to read Irving Howe on the earlier edition *Encyclopedia of Literary Translation Into English: A-L* O. Classe,2000 The Oxford Guide to Literature in English Translation Peter France,2000 This guide highlights the place of translation in our culture encouraging awareness of the process of translating and the choices involved making the translator more visible Concentrating on major writers and works it covers translations

HAMMOND ROSKING SUZANNE GOSSETT GORDAN MCMULLAN MICHAEL WINMORE JONATHAN HOPE MICHAEL NEILL LUCY MUNRO DEANA RANKIN **The English Bach Awakening** Michael Kassler, 2017-07-05 The English Bach Awakening concerns the introduction into England of J S Bach's music and information about him. Hitherto this subject has been called the English Bach revival but that is a misnomer. Revival implies prior life yet no reference to Bach or to his music is known to have been made in England during his lifetime 1685-1750. The book begins with a comprehensive chronology of the English Bach Awakening. Eight chapters follow written by Dr Philip Olleson, Dr Yo Tomita and the editor Michael Kassler which treat particular parts of the Awakening and show how they developed. A focus of the book is the history of the manuscripts and the printed editions of Bach's 48 The Well tempered Clavier in England at this time and its culmination in the analysed edition that Samuel Wesley and Charles Frederick Horn published in 1810-1813 and later revised. Wesley's multifaceted role in the Bach Awakening is detailed as are the several efforts that were made to translate Forkel's biography of Bach into English. A chapter is devoted to A F C Kollmann's endeavour to prove the regularity of Bach's Chromatic Fantasy and the book concludes with a discussion of portraits of Bach in England before 1830. *Collected Works of C. G. Jung, Volume 12* C. G. Jung, 2014-03-01 Jung's landmark account of the connections between alchemy, its symbolism, the collective unconscious and modern psychology. Psychology and Alchemy is one of Jung's most influential works. In a prefatory note he says: 'In this present study of alchemy I have taken a particular example of symbol formation extending in all over some seventeen centuries and have subjected it to intensive examination linking it at the same time with an actual series of dreams recorded by a modern European not under my direct supervision and having no knowledge of what the symbols appearing in the dream might mean. It is by such intensive comparisons as this and not one but many that the hypothesis of the collective unconscious of an activity in the human psyche making for the spiritual development of the individual human being may be scientifically established.' This is the second completely revised edition. The book features 270 illustrations drawn largely from old alchemical books and manuscripts many of which were in Jung's personal collection.
