Classics La Vergne Rosow,2005-12-30 Help readers improve reading skills while stimulating their appreciation and increasing their understanding of great literature Using a scaffolding approach this guide leads readers from simple and engaging reads to more challenging texts and simultaneously cultivates their interest and skills An invaluable resource for middle and high school ABE and ESL educators as well as for readers advisors All readers even those still learning to speak English can enjoy the delights and benefits of great literature with the help of this motivational and practical book guide Rosow takes you on a journey through the history of Western literature beginning with ancient myths and moving to medieval tales and classics of the Renaissance Romantic Movement and Modernism Along the way she shows you how to give readers easy access to some of the best literature of all time Scores of collections focus on such ancient and enduring stories as Gilgamesh Beowulf the tales of Chaucer historical masterpieces of William Shakespeare Jane Austen Edgar Allan Poe Charles Dickens and stellar names of more recent times such as Virginia Woolf John Steinbeck Ernest Hemingway and J R R Tolkien Each carefully selected collection lists an assortment of titles ranging in reading level and arranged progressively from simple renditions such as picture book re tellings through more advanced selections and readings where audio versions and simpler formatting support the reader and on to the most challenging reads Author profiles and narrative as well as detailed descriptions of each title provide further insights into the story lines and features of the books while building a scaffold of reading experience and knowledge to help readers better understand the texts For example the Mark Twain collection begins with a brief biographical sketch of the author followed by descriptions of two illustrated books about the author and two readers theatre skits based on his work A collection of Twain s short stories is recommended next and then several illustrated versions of his novels and an illustrated edition of Twain s memoir *Life on the Mississippi* which is supported by an audiotape version Each recommended title is rated as start here next read support here or challenging read and related reads and audio and video versions are listed when appropriate The author also notes author and student favorites titles with exceptional illustrations and other features of interest Focus is on authors and titles of the Western canon that are generally

le in library collections Because some of the titles cited are older editions this is a valuable collection development tool in libraries as well as an essential resource for readers advisors Adult Basic Education and English as Second Language educators and young adult educators and librarians Young adult and adult or Grades 9 and up

The Best Supernatural Tales of Arthur Conan Doyle A. C. Doyle, 2013-01-17 How often have I said to you that when you have eliminated the impossible whatever remains however improbable must be the truth Sherlock Holmes When Holmes wearied of mundane Victorian reality he reached for the cocaine his creator Doyle reached beyond reality to the occult mystery world as real to him as a hansom cab so real that it became part of his fiction It is no surprise that in the year A Study in Scarlet appeared 1887 this versatile writer was reading seriously in spiritualism attending sances and had already written some of the thrilling tales in this book The Best Supernatural Tales of Arthur Conan Doyle gathers together for the first time in an American edition the fifteen finest short stories in this genre by the master storyteller Relative to his vast literary output Doyle wrote comparatively few stories dealing specifically with spiritualism Egyptian magic psychometry and other occult domains he knew so thoroughly and these scattered stories skeptically dismissed or simply buried beneath the mass of his detective historical sports medical and other pieces have yet to receive their due as superior or typical examples of his narrative power The polymath Doyle has recourse to many twilight borderline realms of the beyond in these stories which appeared in various periodicals from 1880 to 1921 The Bully of Brocas Court gives a new slant to the Victorian ghost story in one of Doyle s favorite settings the world of boxing The Captain of the Polestar recalls the weird northern backdrop of the author s whaling adventures The Brown Hand deals in body soul bondage with a touch of the East Two hackle raising histories Lot No 249 and The Ring of Thoth depend on the riddle of Egyptian mummy lore The Leather Funnel and The Silver Hatchet involve psychometry a material object s retention of an aura or memory of its past which a sensitive being can replay through dreams And then there is J Habakuk Jephson s Statement Doyle s speculative solution to the Marie Celeste conundrum which was vehemently denounced when published anonymously because it seemed so true and so terrible Doyle readers students of the occult and anyone who loves an imaginative tale will wish to experience through these obscure rarely reprinted stories what was personally so close to their author

Content Area Reading and Learning Diane Lapp, James Flood, Nancy Farnan, 2016-11-18 How can teachers make content area learning more accessible to their students This text addresses instructional issues and provides a wealth of classroom strategies to help all middle and secondary teachers effectively enable their students to develop both content concepts and strategies for continued learning The goal is to help teachers model through excellent instruction the importance of lifelong content area learning This working textbook provides students maximum interaction with the information strategies and examples presented in each chapter This book is organized around five themes Content Area Reading An Overview The Teacher and the Text The Students The Instructional Program School Culture and Environment in Middle and High School Classrooms Pedagogical features in each chapter

include a graphic organizer a chapter overview Think Before Think While and Think After Reading Activities which are designed to integrate students previous knowledge and experience with their new learnings about issues related to content area reading literacy and learning and to serve as catalysts for thinking and discussions This textbook is intended as a primary text for courses on middle and high school content area literacy and learning

Popular Tales of the West Highlands John Francis Campbell,1862 Popular Tales of the West Highlands ,1862 *Fiction, Folklore, Fantasy & Poetry for Children, 1876-1985: Titles, awards* ,1986 **Popular Tales of the West Highlands** J.F. Campbell,2022-05-08 Reprint of the original first published in 1862 **CUES: Choose, Use, Enjoy, Share** Phyllis B. Leonard,1998-08-15

Calling for structured interaction between students and books Leonard specifies how teachers and media specialists can collaborate to create a library media centered program that develops the talents of all K 6 students The ultimate goal is to encourage reading and build reading comprehension questioning and thinking skills Models groupings strategies and materials are suggested in a grade appropriate scope and sequence The latest theories about the process of education thinking multiple intelligences how children learn individually and cooperatively as well as effective grouping and teaching strategies for differentiation are discussed The book also has sample lessons and scenarios drawn from the author s experience Grades K 6

Popular Medicine, Hysterical Disease, and Social Controversy in Shakespeare's England Kaara L. Peterson,2016-04-22 Mining a series of previously uncharted conversations springing up in 16th and 17th century popular medicine and culture this study explores early modern England s significant and sustained interest in the hysterical diseases of women Kaara L Peterson assembles a fascinating collection of medical materials to support her discussion of contemporary debates about varieties of uterine pathologies and the implications of these debates for our understanding of drama s representation of hysterica passio cases in particular among other hysterical maladies An important aspect of the author s approach is to restore with all its nuances the debates created by early modern medical writers over attempts to define the boundaries and resonances of hysterical ailments which Peterson argues have been largely erased or elided by historicist criticism including scholarship overly focused on melancholy One of the main goals of the book is to stress the centrality of gendered concepts of disease for the period and to reveal a whole catalog of early modern literary strategies for representing women s illnesses Among the medical works discussed are Edward Jorden s central text A Briefe Discourse of a Disease Called the Suffocation of the Mother 1603 and contemporary plays including Shakespeare s Pericles Othello King Lear and The Winter s Tale Webster s The Duchess of Malfi and Chapman s Bussy D Ambois *Mount Royal Popular Tales* ,1867 **Popular Tales from Norse Mythology** George Webbe Dasent,2012-04-13 42 thrilling folktales include Dapplegrim Tatterhood The Werewolf Such Women Are The Three Dogs Temptations The Magician s Pupil Legend of Tannh user The Outlaw The Widow s Son The Three Sisters Trapped in a Mountain The Blue Belt The Seven Ravens and The Goatherd source of the Rip van Winkle story **Imagining Shakespeare's Pericles** David Young,2011-04-08 Pericles is widely understood to be the first

of Shakespeare's late romances but it is also widely considered a problematic text with multiple authors. Its first two acts are frequently assigned to a man named George Wilkins. These conjectures about authorship however fail to take adequate account of Gower, the medieval poet who acts as chorus throughout and stages the old story of Apollonius of Tyre here renamed Pericles. If Gower was not Shakespeare's choice then Wilkins or whomever else is proposed as co-author brilliantly anticipated many of the central themes of the late romances, an unlikely possibility. If Gower was Shakespeare's idea then the play must be re-examined in the light of Gower's role as co-author and its bearing on the stagecraft and verse of Pericles. One way to do this is by narration retracing what may have been Shakespeare's creative process in conceiving and then writing the play. Told as a story, this argument for Shakespeare's sole authorship can remain conjectural and entertaining at the same time that it puts forward serious scholarly arguments. This book then tells the story in twenty-one short chapters which are followed by an Afterword that clarifies David Young's scholarly position. **Lesson guide for captioned films, XX**, 1984
