## Favorite Huey Long Stories:

Favorite Huey Long Stories Hugh Mercer Blain, 1937      **Favorite Huey Long Stories** Hugh M. Blain, 1996      **Favorite Huey Long Stories** Hugh M. Blain, 1977-01-01      *Louisiana Culture from the Colonial Era to Katrina* John Wharton Lowe, 2008-12-15 In 1803 President Thomas Jefferson acquired 828 000 square miles of French territory in what became known as the Louisiana Purchase Although today Louisiana makes up only a small portion of this immense territory this exceptional state embraces a larger than life history and a cultural blend unlike any other in the nation Louisiana Culture from the Colonial Era to Katrina a collection of fourteen essays compiled and edited by John Lowe captures all of the flavor and richness of the state s heritage illuminating how Louisiana despite its differences from the rest of the United States is a microcosm of key national concerns including regionalism race politics immigration global connections folklore musical traditions ethnicity and hybridity Divided into five parts the volume opens with an examination of Louisiana s origins with pieces on Native Americans French and German explorers and slavery Two very different but complementary essays follow with investigations into the ongoing attempts to define Creoles and creolization No collection on Louisiana would be complete without attention to its remarkable literary traditions and several contributors offer tantalizing readings of some of the Pelican State s most distinguished writers a dazzling array of artists any state would be proud to claim The volume also includes pieces on a couple of eccentric mythologies distinct to Louisiana and explorations of Louisiana s unique musical heritage Throughout the international slate of contributors explores the idea of place particularly the concept of Louisiana as the center of the Caribbean wheel where Cajuns Creoles Cubans Haitians Jamaicans and others are part of a New World configuration connected by their linguistic identity landscape and climate religion and French and Spanish heritage A poignant conclusion considers the devastating impact of Hurricanes Katrina and Rita and what the storms mean for Louisiana s cultural future A rich portrait of Louisiana culture this volume stands as a reminder of why that culture must be preserved      *Hattie and Huey* David Malone, 1989-01-01 During the first eight scorching days of August in 1932 U S Senator Huey P Long of Louisiana campaigned in Arkansas for the election of Hattie Caraway to the U S Senate Caraway easily defeated six well known opponents in a race she was not expected to win and became the first woman to be elected to the U S Senate This volume is a textbook of politics and a sweeping picture of the Great Depression as if those perilous times had been compressed into a week and a day It is a fascinating look at two extremely different people caught briefly in a common purpose      *Swapping Stories* Lindahl, Carl, Maida Owens, C. Renée Harvison, 2009-10-20 Here are more than two hundred oral tales from some of Louisiana s finest storytellers In this comprehensive volume of great range are transcriptions of narratives in many genres from diverse voices and from all regions of the state Told in settings ranging from the front porch to the festival stage these tales proclaim the great vitality and variety of Louisiana s oral narrative traditions Given special focus are Harold Talbert Lonnie Gray Bel Abbey Ben Guin and Enola Matthews whose wealth of imagination memory and

artistry demonstrates the depth as well as the breadth of the storyteller's craft. For tales told in Cajun and Creole French, Koasati and Spanish, the editors have supplied both the original language and English translation. To the volume, Maida Owens has contributed an overview of Louisiana's folk culture and a survey of folklife studies of various regions of the state. Car Lindahl's introduction and notes discuss the various genres and styles of storytelling common in Louisiana and link them with the worldwide art of the folktale.

Kingfish Richard D. White, Jr., 2009-03-25 From the moment he took office as governor in 1928 to the day an assassin's bullet cut him down in 1935, Huey Long wielded all but dictatorial control over the state of Louisiana. A man of shameless ambition and ruthless vindictiveness, Long orchestrated elections, hired and fired thousands at will, and deployed the state militia as his personal police force. And yet paradoxically, as governor and later as senator, Long did more good for the state's poor and uneducated than any politician before or since. Outrageous demagogue or charismatic visionary? In this powerful biography, Richard D. White Jr. brings Huey Long to life in all his blazing, controversial glory. White taps invaluable new source material to present a fresh, vivid portrait of both the man and the Depression era that catapulted him to fame. From his boyhood in dirt-poor Winn Parish, Long knew he was destined for power; the problem was how to get it fast enough to satisfy his insatiable appetite. With cunning and crudity unheard of in Louisiana politics, Long crushed his opponents in the 1928 gubernatorial race, then immediately set about tightening his iron grip. The press attacked him viciously; the oil companies howled for his blood after he pushed through a controversial oil processing tax, but Long had the adulation of the people. In 1930, the Kingfish got himself elected senator, and then there was no stopping him. White's account of Long's heyday unfolds with the mesmerizing intensity of a movie. Pegged by President Roosevelt as one of the two most dangerous men in the country, Long organized a radical movement to redistribute money through his Share Our Wealth Society and his gospel of pensions for all, a shorter workweek, and free college spread like wildfire. The Louisiana poor already worshiped him for building thousands of miles of roads and funding schools, hospitals, and universities; his outrageous antics on the Senate floor gained him a growing national base. By 1935, despite a barrage of corruption investigations, Huey Long announced that he was running for president. In the end, Long was a tragic hero, a power addict who squandered his genius and came close to destroying the very foundation of democratic rule. Kingfish is a balanced, lucid, and absolutely spellbinding portrait of the life and times of the most incendiary figure in the history of American politics.

**Historic Tales of Acadiana** William J. Thibodeaux, 2021 A century on the twisted wreckage from the Ricohoc disaster smolders; passenger trains turned into husks amid predawn fog. Would-be assassins draw straws to determine who will take out Huey Long. And pickers stroll the banks of the Vermilion River during the heyday of the Spanish moss industry, plucking their livelihood from majestic oaks, many of which still stand. This strange country bewilders Vermilion Parish pioneers, and the Olive once again plies the waters of the Mermentau River. Author William Thibodeaux plumbs the record of Southwest Louisiana, breathing fresh life into the fascinating history of Acadiana. Back cover

**America's Political Dynasties**

Stephen Hess,2017-07-05 This is the 30th anniversary edition of a book that was hailed on publication in 1966 as fascinating by Margaret L Coit in the Saturday Review and as masterly by Henry F Graff in the New York Times Book Review The Constitution could not be more specific No title of nobility shall be granted by the United States Yet in over two centuries since these words were written the American people despite official disapproval have chosen a political nobility For generation after generation they have turned for leadership to certain families They are America s political dynasties Now in the twentieth century surprisingly American political life seems to be largely peopled by those who qualify in Stewart Alsop s phrase as People s Dukes They are all around us Kennedys Longs Tafts Roosevelts Here is the panorama of America s political dynasties from colonial days to the present in fascinating profiles of sixteen of the leading families Some like the Roosevelts have shown remarkable staying power Others are all but forgotten such as the Washburns a family in which four sons of a bankrupt shopkeeper were elected to Congress from four different states America s Political Dynasties investigates the roles of these families in shaping the nation and traces the whole pattern of political inheritance which has been a little considered but unique and significant feature of American government and diplomacy And in doing so it also illuminates the lives and personalities of some two hundred often engaging usually ambitious sometimes brilliant occasionally unscrupulous individuals

The Top Ten: Writers Pick Their Favorite Books J. Peder Zane,2010-06-21 What if you asked 125 top writers to pick their favorite books Which titles would come out on top You ll find the answer in The Top Ten Writers Pick Their Favorite Books the ultimate guide to the world s greatest books As writers such as Norman Mailer Annie Proulx Stephen King Jonathan Franzen Claire Messud Margaret Drabble Michael Chabon and Peter Carey name the ten books that have meant the most to them you ll be reminded of books you have always loved and introduced to works awaiting your discovery The Top Ten includes summaries of 544 books each of which is considered to be among the ten greatest books ever written by at least one leading writer In addition to each writer s Top Ten List the book features Top Ten Lists tabulated from their picks including The Top Ten Books of All Time The Top Ten Books by Living Writers The Top Ten Books of the Twentieth Century The Top Ten Mysteries The Top Ten Comedies The Top Ten will help readers answer the most pressing question of all What should I read next

LIFE ,1946-12-09 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use

The American Dream and the Popular Novel Elizabeth Long,2017-10-23 This title originally published in 1985 examines conceptions of success and the good life expressed in bestselling novels ranging from historical sagas and spy thrillers to more serious works by Updike Bellows Steinbeck and Mailer published from 1945 to 1975 Using these popular books as cultural evidence Elizabeth Long argues that the meaning of the American dream has changed dramatically but in a more complex fashion than has been recognised by that country s most prominent social critics Her study presents a

challenge to prevailing social scientific views of contemporary American culture and represents both in theory and method an important contribution to the study of culture and social criticism *LIFE*, 1939-06-26 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use **The American Village in a Global Setting** Michael E.

Connaughton, Suellen Rundquist, 2009-03-26 In October 2005 a conference honoring the contributions of Sinclair Lewis to Midwest and American culture and celebrating the friendship between Sinclair Lewis and Ida K Compton was held at St Cloud State University in St Cloud Minnesota Sinclair Lewis would no doubt have been flattered and perhaps a bit surprised by the breadth of this conference in his honor The fact that scholars writers students and readers gathered to discuss his work and its broader influence would have pleased him He would have learned that readers still found stimulus for serious thought in his writing and that his works can serve as a springboard to discussion of today's societal issues some of which might surprise him considerably The papers selected from the conference entitled *The American Village in a Global Setting* consider elements of Lewis' world through today's lens In Part I his version of community is compared to that documented in other ways including architecture and television Scholars address issues such as anti-Semitism theocratic communities the Irish and outdoor life In Part II the concept of community is expanded to the visions of other authors including his contemporaries such as Martha Ostenso Josephine Donovan and Willa Cather as well as more recent writers In Part III today's social and cultural issues in America are addressed expressing the global and interdisciplinary intent of the conference And last Part IV continues the global theme addressing international communities and pedagogical philosophies through film and literature Backrooms and Bayous: My Life in Louisiana Politics Robert Mann, 2021-08 This autobiography by the

communications director of Gov Kathleen Blanco during Hurricane Katrina covers the political drama and intrigue he witnessed and learned from as a political columnist and congressional aide since the late 1970s He reported on and or worked for Louisiana's top political leaders of the last forty years Edwin Edwards Russell Long John Breaux J Bennett Johnston and Mary Landrieu He is a professor and Manship Chair in Journalism at Louisiana State University
