The Favorite Child Ellen Weber Libby, 2011-02-02 A thirty year veteran clinical psychologist describes in intimate detail how being the favorite child can confer both great advantages and significant emotional handicaps Also illuminating for young parents seeking the best way to rear their children *Psycho-legal Concepts for Parenting in Child Custody and Child Protection Vol. 2* Don Tustin, 2024-10-19 This book provides an overview of changes in legislation in Australia concerning both family law and child protection law The topic is important as the Australian Government has identified that the rate of mental disorder in some cohorts of children is high and rising These cohorts of children live in families where they are vulnerable because they are exposed to risk factors that can be changed by a coordinated effort from parents therapists and lawyers The aim of the book is to identify psycho legal concepts that need to be understood by professionals who work in the fields of child custody and child protection and to bring these concepts together to improve coordination between the two fields of practice The purpose of the book is to be a practice manual for professionals from the disciplines of law social work and psychologists who work in specialized legal roles dealing with families where children are vulnerable to developing mental health difficulties Volume 2 of the book provides a perspective from a mental health clinician about concepts and principles that arise in Australian family oriented courts and that need to be shared between disciplines This book proposes that some concepts be identified as psycho legal as the concepts need to be shared between disciplines who work with court involved families The book also proposes that psycho legal concepts be shared between the jurisdictions of child custody and child protection In this book proposals are made to improve collaboration between disciplines and to maximize the best interests of children *The Favoured Child* Philippa Gregory, 2001 *The Heritage of Arung Palakka* Leonard Y. cultures their ways of mediating conflict and how they have survived In addition to archival research the book is built on scores of interviews with prominent psychoanalysts who were often protagonists in the stories of their institutes Many themes emerge in Kirsner s gripping yet scholarly accounts Most importantly he demonstrates that issues surrounding the right to train are central to psychoanalytic disputes *Unfree Associations* examines the problems of psychoanalysis a humanistic discipline that has been touted as a science on the model of the natural sciences but has been organized institutionally as a religion Interest in this book should not be confined to psychoanalysts It is a rich set of case studies in the vicissitudes of group relations with the ironic twist that the members of these organizations profess to have special insight into human nature and how people get along with one another **The Law Journal Reports** ,1864 *Acting on Principle* Onora O'Neill,2013-12-05 Two things wrote Kant fill the mind with ever new and increasing admiration and awe the starry heavens above and the moral law within Many would argue that since Kant s day the study of the starry heavens has advanced while ethics has stagnated and in particular that Kant s ethics offers an empty formalism that tells us nothing about how we should live In *Acting on Principle* Onora O Neill shows that Kantian ethics has practical as well as philosophical importance First published in 1975 the book is regarded as a classic account and defence of the Kantian ethical position It addresses Kant s account of reasoning about action in particular his controversial claim that the Categorical Imperative guides action and is basic to ethics and justice This second edition offers a substantial new introduction and updated bibliography and will be valuable for a wide readership in Kant studies and those studying ethics **Raising Today's Children** Connie Kisuke,1986 **The Law Journal for the Year 1832-1949** ,1864 The Children's Pew James Reid Howatt,1893
