Favourite Maori Legends Alexander Wyclif Reed, 1965 **Favourite Māori Legends** A. W. Reed, 2013-06

M ori myths and legends have an important role in transmitting and regenerating traditional knowledge Yet as Ross Calman points out in his introduction to this new edition they are also simply great yarns reflective of a time when telling and listening to stories was a key leisure activity in M ori society Favourite M ori Legends is an invitation to enjoy over 30 of the most memorable legends grouped into themes of the spirit world patupaiarehe ghosts taniwha supernatural creatures heroes and deeds of daring Concise yet complete these gripping stories are enlivened by the timeless illustrations of Roger Hart Maori Tales And Legends Kate McCosh Clark, 2013-05-31

The following tales are an outcome of a long residence in New Zealand and of many opportunities whilst travelling amongst the Maoris of becoming acquainted with their folk lore superstitions and customs From a vast mass of legendary tales rich in variants and recorded often in a fragmentary manner I have chosen those in this little volume as the oldest and best known amongst the natives I have endeavoured to adhere to the true spirit of the tales themselves and to give them the form expression and speech characteristic of the country and clever native race The Maoris as a rule are eloquent and their language is full of metaphor and poetical allusion and musical with open vowels Every syllable ends with a vowel every vowel is sounded and that according to the Italian method Though the Maori practice of cannibalism in times past is revolting to a higher civilisation it may to a certain extent have been due to the entire absence of any quadrupeds larger than a rat and to the craving for flesh food so well described in Stanleys accounts of some of the races in Central Africa The Maoris are a strong race both physically and mentally Revengeful and cruel to their enemies they were passionate in love and ever fearless in war Religious they venerated their gods and believed in an atzkn or spiritual essence their deities being rarely represented by any image Their priests were consulted on all great occasions and their mandates obeyed especially when they spoke as the oracle making known to the people the will of the gods Whence came the race with their strange superstitions their worship of Tane the creation god of the sun god I must leave for others to discuss But it is an accepted fact that the natives of New Zealand and of some of the groups of Pacific Islands in many respects show evidence of a common origin for instance their general appearance long straight hair ignorance of bows and arrows of the art of pottery and their knowledge of the same legends and folk lore though told in various forms When Captain Cook first visited New Zealand he had a native of Hawaii who acted as interpreter In ancient New Zealand tradition the Maoris are said to have come from Hawaii in four large war canoes about the twelfth or thirteenth century For these reasons I have not hesitated to include in this book four South Sea tales which though not told by New Zealand natives will I hope be acceptable for their beauty and peculiarities They are specified in the Notes The illustrations are by the late Mr R Atkinson and are of special value as they were drawn by that able artist Preface from sketches of natives and native surroundings made by him while staying amongst the Maorjs both in the remote King country and in the hot lake district Rotorua His picture of the little
