FBI Oversight and Authorization Request for Fiscal Year 1990 United States. Congress. House. Committee on the Judiciary. Subcommittee on Civil and Constitutional Rights,1990 **The FBI's Obscene File** Douglas M. Charles,2012-04-26 What do pop artist Andy Warhol sex researcher Alfred Kinsey and cinematic comedians Abbott Costello have in common They all found a prominent place in the FBI s Obscene File In this startling new study Douglas Charles reveals how for more than seventy years FBI officials placed obscenity pornography and the politics of morality among their topmost concerns Illuminating this largely neglected aspect of FBI history Charles charts the evolution of the Bureau s efforts to combat the spread of obscenity and its perceived insidious effects He contends that especially during the five decades under J Edgar Hoover these efforts became a surprisingly high priority and at times were expressly wielded for political ends even as Hoover hid the file from public view in order to preserve the Bureau s squeaky clean image Charles recounts how the Obscene File was conceived and organized by Hoover and describes its contents which included magazines films and artwork in addition to dossiers on offenders He examines the FBI s targeting of 1940s and 50s race music with its depictions of lewd and licentious acts in obscene and foul language He describes how the FBI collected photos of activities at gay bars and prosecuted businesses that published obscene pro gay magazines and how it participated in the Lavender Scare that targeted gays in the federal government He also details the FBI s efforts to short circuit the distribution of the film Deep Throat and disrupt the pornographic movie industry On the political front Charles tells how Hoover found a fellow crusader in Richard Nixon who hijacked the obscenity issue to rally an electoral base weary of an anything goes decade But as changing mores and laws redefined obscenity subsequent directors moved away from Hoover s approach and focused more on mob control of pornography kiddie porn and the war on drugs Subsequently the Obscene File mostly fell into disuse during the presidencies of Bill Clinton and George W Bush the latter president unable to gain any traction with his own obscenity initiatives Taking in the whole scope of these operations Charles s insightful history offers a previously unseen look at a major facet of FBI activities and contributes significantly to our understanding of Hoover and his legacy **Review of the FBI's Investigations of Certain Domestic Advocacy Groups** Carol F. Ochoa,2011 This is a print on demand edition of a hard to find publication This review was initiated in response to concerns over whether the FBI had improperly targeted domestic advocacy groups for investigation based solely upon their exercise of First Amendment rights FBI investigative activity was reviewed relating to five groups and one individual The Thomas Merton Center of Pittsburgh PA The Ethical Treatment of Animals PETA Greenpeace USA The Catholic Worker Movement Greenpeace and The Catholic Worker at Vandenburg Air Force Base and Glen Milner a Quaker or Religious Society of Friends peace activist **Ghost** Michael R. McGowan,Ralph Pezzullo,2018-10-02 The explosive memoir of an FBI field operative who has worked more undercover cases than anyone in history Within FBI field operative circles groups of people known as Special by their titles alone Michael R

McGowan is an outlier 10% of FBI Special Agents are trained and certified to work undercover A quarter of those agents have worked more than one undercover assignment in their careers And of those less than 10% of them have been involved in more than five undercover cases Over the course of his career McGowan has worked more than 50 undercover cases In this extraordinary and unprecedented book McGowan will take readers through some of his biggest cases from international drug busts to the Russian and Italian mobs to biker gangs and contract killers to corrupt unions and SWAT work Ghost is an unparalleled view into how the FBI through the courage of its undercover Special Agents nails the bad guys McGowan infiltrates groups at home and abroad assembles teams to create the myths he lives concocts fake businesses coordinates the busts and helps carry out the arrests Along the way we meet his partners and colleagues at the FBI who pull together for everything from bank jobs to the Boston Marathon bombing case mafia dons and perhaps most significantly El Chapo himself and his Sinaloa Cartel Ghost is the ultimate insider s account of one of the most iconic institutions of American government and a testament to the incredible work of the FBI
