Fear In The Night:

For Fear of the Night Charles L. Grant, 2017-02-18 The amusement park on the pier burned ten days ago The blackened skeleton of the House of Horrors is a grim reminder of summer s dreams turned to nightmares of a young life cut short Julie Etler and her friends had been looking forward to one final summer of freedom before college and the responsibilities of adulthood Now Julie is dead Or is she Her voice is on Devin Graham's answering machine Her boyfriend Tony sees her walking on the moonlit beach And something is haunting the ruins of the House of Night **Other Sexes** Andrea L. Harris,1999-11-18 In 1929 Virginia Woolf used the phrase other sexes to point out the dire need to expand our way of thinking about sexual difference The fiction studied here does just that by sketching the contours of a world where genders sexes and sexualities proliferate and multiply Focusing on a selection of novels by Woolf Djuna Barnes Marianne Hauser and Jeanette Winterson novels that cross conventional boundaries between British and American modern and postmodern canonical and non canonical Andrea L Harris argues that there is a continuum in these novelists investigations of gender Taking as theoretical models Judith Butler's theory of performative gender and Luce Irigaray's concept of the sensible transcendental Harris analyzes increasingly more radical challenges to the notion of two sexes and two genders throughout Fear in the Middle of a Vast Field and Other Stories Mustafa Taj Aldeen Almosa, 2025-06-03 the twentieth century Short stories by a celebrated playwright bare the horrors of the Syrian civil war A selection of stories by Syrian author and playwright Mustafa Taj Aldeen Almosa about characters enduring the horrors of the Syrian civil war With exquisite wit and lightness of touch Almosa portrays the internal world of characters facing great physical violence or psychological pressures Using both realism and fantastic elements Almosa weaves short stories that are strange violent and delicate at the same time This collection is an invaluable attempt to denounce war to exist to love life in all its manifestations and to learn how to cope with loss and disappointment It is a cry against fear and death as much as it is an ode and a homage to life and love in times of both war and peace Crime and Fear in Public Places Vania Ceccato, Mahesh K. Nalla, 2020-07-15 The Open Access version of this book available at https www taylorfrancis com books 9780429352775 has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license No city environment reflects the meaning of urban life better than a public place A public place whatever its nature a park a mall a train platform or a street corner is where people pass by meet each other and at times become a victim of crime With this book we submit that crime and safety in public places are not issues that can be easily dealt with within the boundaries of a single discipline The book aims to illustrate the complexity of patterns of crime and fear in public places with examples of studies on these topics contextualized in different cities and countries around the world This is achieved by tackling five cross cutting themes the nature of the city s environment as a backdrop for crime and fear the dynamics of individuals daily routines and their transit safety the safety perceptions experienced by those who are most in fear in public places the metrics of crime and fear and finally examples of

current practices in promoting safety All these original chapters contribute to our quest for safer more inclusive resilient equitable and sustainable cities and human settlements aligned to the Global 2030 Agenda for Sustainable Development

Le Guin, 1979 Law by Night Jonathan Goldberg-Hiller, 2023-11-28 In Law by Night Jonathan Goldberg Hiller asks what we can learn about modern law and its

authority by understanding how it operates in the dark of night He outlines how the social experience and cultural meanings of night promote racialized and gender violence but also make possible freedom of movement for marginalized groups that might be otherwise unavailable during the day Examining nighttime racial violence curfews gun ownership the right to sleep and take back the night rallies Goldberg Hiller demonstrates that liberal legal doctrine lacks a theory of the night that accounts for a nocturnal politics that has historically allowed violence to persist By locating the law's nocturnal limits Goldberg Hiller enriches understandings of how the law reinforces hierarchies of race and gender and foregrounds the night The Untamed, The Night Horseman, The Seventh Man & Dan s potential to enliven a more egalitarian social life Barry's Daughter Max Brand, Frederick Schiller Faust, 2022-11-13 This anthology gathers under its cover four pivotal western tales The Untamed The Night Horseman The Seventh Man and Dan Barry's Daughter portraying the rugged landscapes and resilient personas of early twentieth century America These narratives penned by the iconic Max Brand and Frederick Schiller Faust offer a vivid spectrum of literary styles ranging from the visceral to the introspective and embody the spirit of adventure human conflict and the eternal quest for justice The diverse and dynamic writing found here explores the complexities of morality and courage making these stories stand out in the canon of Western literature. Exploring Nightlife Jordi Nofre Mateo, Adam Eldridge, 2018-04-23 While the night has long been associated with crime and fear over recent decades nightlife has become increasingly associated with the creative economy tourism sociability job growth and urban regeneration Debates about anti social behaviour morality and safety continue to shape our understanding of the night but newer concerns have also emerged about gentrification economic and social exclusion commercialisation and over development Exploring Nightlife Space Society and Governance is the first edited volume that critically examines nightlife from a cross disciplinary and international perspective Comprising original contemporary research the collection

brings together case studies from across the globe that explore topics including nightlife and urban development race gender and youth culture alcohol and drug use and urban renewal In doing so each chapter explores nightlife in relation to local and global structures of power and governance Exploring Nightlife is an ideal introduction to the emerging field of night time studies and will be a valuable resource for students and researchers with an interest in geography cultural studies sociology youth leisure and urban studies The Englishman's Hebrew and Chaldee Concordance of the Old Testament George V. Somewhere in the Night Nicholas Christopher, 2010-05-11 Film noir is more than a cinematic genre It is an essential aspect of American culture Along with the cowboy of the Wild West the denizen of the film noir city is at the very center of our mythological iconography Described as the style of an anxious victor film noir began during the post war period a strange time of hope and optimism mixed with fear and even paranoia. The shadow of this rich and powerful cinematic style can now be seen in virtually every artistic medium. The spectacular success of recent neo film noirs is only the tip of an iceberg In the dead on nocturnal jazz of Charlie Parker and Miles Davis the chilled urban landscapes of Edward Hopper and postwar literary fiction from Nelson Algren and William S Burroughs to pulp masters like Horace McCoy we find an unsettling recognition of the dark hollowness beneath the surface of the American Dream Acclaimed novelist and poet Nicholas Christopher explores the cultural identity of film noir in a seamless elegant and enchanting work of literary prose Examining virtually the entire catalogue of film noir Christopher identifies the central motif as the urban labyrinth a place infested with psychosis anxiety and existential dread in which the noir hero embarks on a dangerously illuminating quest With acute sensitivity he shows how technical devices such as lighting voice over and editing tempo are deployed to create the film noir world Somewhere in the Night guides us through the architecture of this imaginary world be it shot in New York or Los Angeles relating its elements to the ancient cultural archetypes that prefigure it Finally Christopher builds an explanation of why film noir not only lives on but is currently enjoying a renaissance Somewhere in the Night can be appreciated as a lucid introduction to a fundamental style of American culture and also as a guide to film noir s heyday Ultimately though as the work of a bold talent adeptly manipulating poetic cadence and metaphor it is itself a superb Jacob and the Night of Faith Gregory Scott Gorsuch, 2024-01-11 In retrospect Karl Barth conceded aesthetic artifact that everything which needs to be said considered and believed about God the Father and God the Son might be shown and illuminated in its foundation through God the Holy Spirit Nevertheless he refrained from doing so because it was still too difficult to distinguish between God's Spirit and man's spirit and so it was then However the late twentieth century explosion in various disciplines of thought now provides greater discernment between human and divine spirit a better understanding of the logic of spirit and the concept and role of spirit in distinction to mind and body Gorsuch's theological interdisciplinary investigation into the analogia spiritus and a Christian perichoretic relational ontology brings new meaning and coherence to previously difficult scriptures Moreover it provides the fundamental landscape for addressing issues of profound theological

consequence 1 redressing the death of transcendence with a new understanding of relational dynamics through which free temporal and self determining human beings might mutually relate with an Eternal God of providence 2 laying the framework for a viable Christian pluralistic hypothesis in an increasingly pluralistic world and 3 providing an enriched theological anthropology for addressing human spirit origins and theodicy <u>Lions In The Night</u> S. M.
