Cultural Feasts Tessa Kwan, AI, 2025-03-06 Cultural Feasts explores the profound role of food in shaping cultural identity and community bonds across the globe It delves into how specific dishes at global festivals become more than just meals they transform into symbols of cultural heritage and historical memory The book examines the stories behind these culinary traditions and how they have evolved over time revealing fascinating insights into cultural values and historical experiences Did you know that communal meals reinforce social bonds and transmit cultural knowledge fostering a sense of belonging or that recipes can be analyzed as historical texts tracing their evolution and identifying the cultural values they reflect The book approaches its subject matter by initially introducing core concepts such as food as cultural heritage before diving into case studies organized around major themes like harvest festivals or religious celebrations For instance it examines the significance of matzah during Passover Cultural Feasts highlights how cultural exchange and globalization have impacted these traditions leading to both preservation and adaptation and concludes with a discussion of the practical implications of understanding food s cultural significance

Feast as a Mirror of Social and Cultural Changes Frédéric Armao, Bożena Gierak, Ilze Kačāne, Tatiana Minniyakhmetova, László Mód , Marek Moroń, Ewa Nowicka, Alina Romanovska, Monika Salzbrunn, Tigran Simyan , Kiyoshi Umeya, 2020-12-23 Feasting seems to be an inseparable element of peoples especially their collective lives ____ The proposed volume consists of original unpublished texts in which their Authors search for the answers to the following questions How far have we gone astray from the primeval idea of celebrating

the feast from understanding tradition in terms of the Romanian historian of religion Mircea Eliade or the French sociologist mile Durkheim Are there still any traditional in its very meaning feasts If not if they are invented Hobsbawm and Ranger 1983 1992 why are they called traditional What elements have changed and why What has had the greatest impact on celebrating feasts What are the new factors influencing the course of a feast s celebration ____ It was difficult to categorize the texts contained in this book because the subjects discussed in them very often overlap Still it was possible to recognize several accentuated aspects that served as the basis for the division of the book into three sections 1 Culture and Identity 2 Ritual and Cultural Values 3 Culture and Policy The contributors are scholars who represent various international institutions and fields of research and use different approaches and methodologies to study the subject of the feast This publication is an opportunity to bring the results of their research together in one book The volume contains chapters in which various aspects of feasts festivals and festivities perceived as a mirror of social and cultural changes in the twentieth and twenty first centuries are presented It provides a unique and rich resource in the fields of culture folklore religion anthropology sociology as well as politics and other cultural and social sciences In the future we hope to broaden the scope of our research and to include more ethnic groups and their cultures in order to see the changes they have undergone and factors that caused them ____
