Moral Health Alex J. Stuart,2003 Three important bodies of research on moral health are being ignored by a liberal media The first is basic research on character known as PRAIRIE CITY published in 1960 The second the Roosevelt research on the Fabian socialist led national conspiracy to convert us to socialism and the third Allen Quist s discovery of the socialist scheme to take control of the school curriculum Examination of this data is essential to preserving our republic Once our country accepts modern scientific character theory it will spread world wide Acceptance of these facts in Muslim countries may result in a significant improvement in the level of moral health and may even save the lives of our soldiers in Iraq Alex J Stuart Jr is a retired Army colonel who with two psychologists founded the National Character Laboratory Inc in 1971 He is interested in improving moral health nationally and globally by starting the use of modern character theory and in destroying the Fabian Socialist conspiracy to convert us to socialism by telling the truth about it What If America Were a Christian

Nation Again? D. James Kennedy,Jerry Newcombe,2005-04-10 Some people would gnash their teeth at the idea that America was and can be again a Christian nation They will not be satisfied until they have removed every vestige of our Christian heritage from our minds and from our surroundings Yet in this book D James Kennedy and Jerry Newcombe document the incontrovertible fact that America began as a Christian nation And we can get back on track before it s too late they say What made us great in the first place is our rich Christian heritage It s time to reclaim America **Rescuing a Broken America**

Michael Coffman,2010-11-02 A plan for restoring and protecting freedom based on the United States Constitution There has been a deliberate effort over the past one hundred years to change the worldview of Americans from a liberty and constitutionally focused world view based on the writings of Englishman John Locke to that of government control of the individual based on the writings of Frenchman Jean Jacques Rousseau Rousseau s model of state control now dominates government policy and America s world view and the free market civil liberties and protections guaranteed by the United States Constitution are being destroyed The Rousseau world view dominates our education judicial media and legislative institutions with what is called progressivism This leads to socialism fascism and even communism It is what has inflamed the backlash known as the tea party movement There is hope however Although seriously weakened the Constitution still stands and its protections are still in most laws at the federal and state level that offers protections for local communities that are generally unknown to most people even attorneys The book explains why Americans are so divided how the destruction of liberty occurred who is behind it and how Americans can stop this destruction of our way of life by electing constitutionally based candidates to office and protect their communities from egregious federal and state laws and regulations *Hiding in Plain Sight, 2nd Edition: Unmasking the Secret Combinations of the Last Days* Ken Bowers,2023-02-02 The world is full of

evil men conspiring for total control Composed of religious financial and political committees this secret combination coordinates with other groups to accomplish its ultimate plan a one world government called the New World Order and a one world religion led by the Anti Christ But if this is true why do so few people know about it Why isn t it broadcast by the media for all the world to see One reason is that the media obscures the actions of this great conspiracy But the greatest reason is that the conspiracy is taking place right before our eyes staring at us so hard in the face that we can t see it With new evidence from various experts on the subject this revised edition of Hiding in Plain Sight examines the combinations that seek to destroy us and exposes the reasoning they use to deceive us This is a must read for any Latter day Saint who wants to outsmart the enemy and win the war against Satan Diversity Addiction Georgiana Preskar,2007-08 America is in a national crisis A social narcotic diversity addiction has taken over the USA Whether people are in school the workplace church or home diversity injections plunge deeply into them from every direction Tolerance forces upon us unnatural diversity disrupts human nature and upsets the fundamental ideal of the equality of man over the equality of ideas All men are created equal Ideas values morals ethics lifestyles and religions are not equal diversity addicts flip flop this equation giving all worldviews equal status If you express closely held personal beliefs that are contrary or not an asset to the diversity group you are no longer treated as an equal Instead you may be rebuked harassed bullied ostracized labeled and perhaps lose your job or be accused of a hate incident or hate crime Diversity Addiction The Cause And The Cure provides the reader with a simple clear explanation of the doctrines and methodologies used in creating diversity addicts and diversity enforcement programs It clarifies the Judeo Christian principles The American Way that formed this nation and their influence on our individual rights secured by the Constitution America s recovery from diversity addiction is dependant upon reversing flip flopped equality and returning it to its rightful owner man Seeds of Deception Georgiana Preskar,2004-06-14 Is the foundation of America sinking into a humanist philosophy Are American values and mores struggling for survival Are the voices of authority and discipline disappearing into an abyss of political correctness Is compromise the mission statement of our schools families churches and communities Do you still ask yourself How did Hitler win the minds of the people Mind Control is a living rapidly expanding force in our world today Nazi Germany had their Hitler Youth the Middle East has their Madrasas and America has its SEED Program SEED is uncompromising in reaching grasping and catching all who enter its domain It is quiet and secretive giving love and acceptance to those who give up traditional values and morals The journey of one woman asking why discovers mind control of our American youth Only worse its mind control that begins with parents teachers businesses church leaders and the communities in which we live Read compelling evidence of slow methodical ways our Country is manipulated into transformation by SEED programs behind closed doors Learn the truth behind Seeds of Deceptions manipulative agents causing destruction of our most prized possessions our children and grandchildren **America-A Purpose-Driven Nation** Philip Michael Pantana (Sr.),2007-11
