THE APOSTOLIC FATHERS J. B. Lightfoot, Edward D. Andrews, 2016-08-06 **The classified Bible, an analysis of the sacred Scriptures, ed. by J. Eadie** John Eadie, 1862 **Shepherd of Hermas Collection [2 Books]** Shepherd of Hermas, Aeterna Press, **The Works of the Shepherd of Hermas** The Shepherd of Hermas, Aeterna Press, 2015-07-31 The fragment known as the Muratorian Canon is the historic ground for the date I give to this author I desired to prefix The Shepherd to the writings of Irenaeus but the limits of the volume would not permit The Shepherd attracted my attention even in early youth as a specimen of primitive romance but of course it disappointed me and excited repugnance As to its form it is even now distasteful But more and more as I have studied it and cleared up the difficulties which surround it and the questions it has started it has become to me a most interesting and suggestive relic of the primitive age Aeterna Press The Sacred Writings of the Pastor of Hermas (Annotated Edition) Pastor of Hermas, 2012 The Sacred Writings Of provides you with the essential works among the Early Christian writings The volumes cover the beginning of Christianity until before the promulgation of the Nicene Creed at the First Council of Nicaea Every single volume is accurately annotated including an extensive biography of the author and his life The book consists of five visions twelve mandates or commandments and ten similitudes or parables The whole book is thus concerned with the Christian

virtues and their exercise It is an ethical not a theological work The intention is above all to preach repentance A single chance of restoration after fall is given to Christians and this opportunity is spoken of as something new which had never been clearly published before The writer is pained by the sins of the faithful and is sincerely anxious for their conversion and return to good works

The Forbidden Books of the Original New Testament ... Translated ... by Archbishop Wake and Other Learned Divines. [A New Edition by Edward Hancock of William Hone's "Apocryphal New Testament."]

William Hone,1863 [The Forgotten Gospels and Epistles of the Original New Testament](#) Various,2023-12-15 In The Forgotten Gospels and Epistles of the Original New Testament a compilation of ancient texts readers are introduced to a collection of early Christian writings that have largely slipped through the cracks of mainstream theological discourse This anthology presents forgotten gospels and epistles showcasing a range of literary styles from poetic prose to doctrinal argumentation offering profound insights into the diverse beliefs that flourished in early Christianity The volume challenges traditional narratives by examining these texts in their socio historical context prompting readers to reevaluate the development of Christian doctrine and authority The editors of this collection draw on extensive scholarly expertise and a commitment to preserving the integrity of ancient sources Their backgrounds in theology history and textual criticism uniquely position them to curate these writings invoking the voices of early Christians who shaped the faith yet remain sidelined in conventional biblical studies Their work is a testament to the rich and often contested history of Christianity revealing the complex tapestry from which the New Testament emerged This book is a vital resource for scholars and lay readers alike encouraging a deeper understanding of early Christian thought By illuminating these marginalized texts it invites readers to engage with the original New Testament in a more nuanced and enriched manner making it an essential addition to the library of anyone interested in the foundational narratives of Christianity

The Pastor of Hermas
Hermas,Aeterna Press, He who had brought me up sold me to one Rhode in Rome Many years after this I recognised her and I began to love her as a sister Some time after I saw her bathe in the river Tiber and I gave her my hand and drew her out of the river The sight of her beauty made me think with myself I should be a happy man if I could but get a wife as handsome and good as she is This was the only thought that passed through me this and nothing more A short time after this as I was walking on my road to the villages and magnifying the creatures of God and thinking how magnificent and beautiful and powerful they are I fell asleep And the Spirit carried me away and took me through a pathless place through which a man could not travel for it was situated in the midst of rocks it was rugged and impassible on account of water Having passed over this river I came to a plain
