Fatal Illusions Shredding A Dozen Unrealities That Can Keep Your Organization From Success:

Fatal Illusions James Raymond Lucas, 1997 We labor under fatal illusions says author Jim Lucas when we base our behavior on what we wish to be true about our business or about the marketplace rather than on what is actually true We treat our symptoms while core problems fester unchecked The syndrome is all too common but there is a remedy *Fatal Illusions* shows how to dig out the truth and free yourself for positive action This book analyzes 12 major illusions with significant power to harm you and your organization The illusions involve too comfortable beliefs about mission statements teamwork incentives and other big issues that soak up time and resources and they may startle you by hitting so close to home Throughout the book self tests help you pinpoint which fatal illusions are lurking in your organization Then you ll learn proven specific techniques for correcting the misperceptions one by one You ll discover how to uproot the fallacies that prevent successful implementation of benchmarking employee empowerment and other management initiatives Jim Lucas also draws on his extensive background in corporate management and training to help you deal with illusions in your own professional and even personal relationships

High-Performance Ethics Wes Cantrell, James R. Knowing the Unknowable God James R. Lucas, 2010-05-19 Meet the God Who Is Greater Than Your Biggest Questions The Bible never shies away from seeming contradictions We are told both to resist our enemies and to love them and that our all knowing God can sometimes forget Unable to reconcile such biblical paradoxes some people abandon Christianity while others pretend that the seeming contradictions don t exist preferring to believe in an uncomplicated easy to comprehend God Yet countless others are hungry for new insight into the God behind the Bible s mysterious paradoxes Responding to this spiritual hunger James Lucas delves into the mysteries of Scripture demonstrating that biblical contradictions are actually exquisite paradoxes that enlarge our understanding of God With this book as your guide you can embrace the paradoxes of Scripture and pursue honest answers to your hardest questions The study of biblical paradox leads to greater devotion to the majestic God who makes himself known even while he surpasses human understanding Today you can begin **Knowing the Unknowable God**

The Business of Being Laurie Buchanan, 2025-07-30 This book isn t just about being in business it s about the business of being But when you stop to think about it each of us is like a small business Successful business owners implement strategies that improve their prospects for

success Similarly as human beings it serves us well to implement guiding principles that inspire us to live our purpose and reach our goals The rich ganache filling that flows through the center of this book is the story of La Mandarine Bleue a delicious depiction of how nine individuals used twelve steps of a business plan to find their vocation and undergo a transformation with some French recipes thrown in for good measure From a business plan and metrics to mission and goals with everything between investors clients and customers marketing strategies and goodwill development this book clearly maps how to create personal transformation at the intersection of business and spirituality Merging the language of business and self help The Business of Being will teach you how to enhance profitability body mind and spirit *Psychoanalytic Insights into Social, Political, and Organizational Dynamics* Seth Allcorn, Howard F Stein, 2021-08-16 This fascinating interdisciplinary work explores U S politics since 2015 and offers psychodynamic insights into the unconscious undercurrents of contemporary culture and politics in the United States Allcorn and Stein expertly lead readers up the steep learning curve of understanding the Trump era by exploring seven key elements of recent political dynamics Using the complementary psychodynamic models of object relations Group Relations and Karen Horney s tripartite theory this book makes sense of the Age of Trump and its chaotic world of alternate facts conspiracy theories reality TV politics hoax pandemics and the sweeping chaos of life in the United States This sense making relies on two triangulations The first represents the complex systemic political scene The second uses three psychoanalytic theories to understand social political and organizational dynamics This book is a key resource for helping readers know and understand ourselves our fellow citizens colleagues family friends and what Trump and his followers call them such as liberals and foreign immigrants as well as both the larger polarized social and political context in the United States today The book also provides concrete examples of how these discoveries can be operationalized both in organizations and at the level of national government and leadership This book is an essential reading for students in organizational behavior including leadership and how governments operate as well as behavioral health professionals consulting or offering therapy to organizations Business Class Jacqueline Whitmore, 2024-03-26 Have you forgotten a person s name two minutes after being introduced Have you wondered which fork to use or how to discreetly pay the check while attending an important business dinner Have you insulted an international client by mistake and didn t realize it until it was too late Making these types of errors can get in the way of getting ahead However these faux pas can be avoided by exercising a little bit of business etiquette Business etiquette is a powerful practical and profitable skill you can use when it most counts to get a job keep a job or succeed on the job It is a set of rules and guidelines that makes your professional relationships more harmonious productive manageable and meaningful International etiquette expert Jacqueline Whitmore provides tips tactics and cautionary tales gleaned from the experience of a multitude of successful CEOs and top managers as well as information on how to Be more polished and professional in the boardroom or at the dining table Master the art of mingling networking and remembering names Communicate effectively
