### **Fates Kite Poems 1992 1995:**

*Fate's Kite* Dave Smith, 1995 In this stunningly wrought collection Dave Smith presents a galaxy of souls searching for something through the dusty lens of a lost faith If religion is the arena in which we engage ultimate meaning then these are religious poems indeed prayers and meditations of the cosmically disenfranchised looking for a sign among the detritus of a broken world Lord admit us we lived here almost happy almost yours But where really are we And how and why did we get here Pulsing carefully orchestrated these thirteen line poems are tightly wound miracles of compression alive with texture and color sharp with the raw flavors of sex blood and seawrack ready to explode off the page Ranging from youth all moonlight and speed and violent ecstasy through the fierce disillusionment of middle age to the final decline snagged on memory's hook from the sun shot desolation of the contemporary American South to the faded marmoreal glory of Europe Smith forges a craggy metaphysics that stops just this side of despair finding Delphic moments of affirmation of our kinship with the physical world
