Father Figure Joseph Smith Iii And The Creation Of The Reorganized Church:

Father Figure Roger D. Launius,1990 **From Mission to Madness** Valeen Tippetts Avery,1998 Avery draws on a large body of correspondence for details of David s life and on his poetry to reveal his personality and emotional struggles She tells of his mental deterioration starting with a probable breakdown early in 1870 and ending with his death in 1904 in the Northern Illinois Hospital and Asylum for the Insane in Elgin where he had been confined for twenty seven years

Joseph Smith III Roger D. Launius,1995 This interesting well researched biography of the founder of the Reorganized Church of Jesus Christ of Latter Day Saints covers the 54 years of his presidency a tenure marked by Mormon factionalism that he succeeded in controlling The son of the founder of Mormonism Joseph Smith III at first resisted succeeding his father as leader and prophet but as his biographer underscores his governance from 1860 until his death in 1914 was fiercely committed to the religious legacy of his parent Differing in style from the elder Smith s sometimes disastrous impracticality his son exemplified rugged individualism with a secular pragmatism that sprang from his legal education An opponent of polygamy as proclaimed by Brigham Young the younger Smith established a viable bureaucracy and a style of leadership that characterizes the Mormon community today notes the author a military historian

Mormons at the Missouri Richard Edmond Bennett,2004 The Mormon trek westward from Illinois to the Salt Lake Valley was an enduring accomplishment of American overland trail migration however their wintering at the Missouri River near present day Omaha was a feat of faith and perseverance Richard E Bennett presents new facts and ideas that challenge old assumptions particularly that life on the frontier encouraged American individualism With an excellent command of primary sources Bennett assesses the role of women in a pioneer society and the Mormon strategies for survival in a harsh environment as they planned their emigration coped with internal dissension and Indian agents and dealt with tribes of the region This was says Bennett Mormonism in the raw on the way to what it would be later Now available in paperback for the first time with a new introduction by the author Mormons at the Missouri received the Francis M and Emily Chipman Award from the Mormon History Association and was honored as a Choice Outstanding Academic Title by the American Library Association

Praying with One Eye Open Mary Ella Engel,2019-07-15 In 1878 Elder Joseph Standing traveled into the Appalachian mountains of North Georgia seeking converts for the Church of Jesus Christ of Latter day Saints Sixteen months later he was dead murdered by a group of twelve men The church refused to bury the missionary in Georgia soil instead he was laid to rest in Salt Lake City beneath a monument that declared There is no law in Georgia for the Mormons Most accounts of this event have linked Standing s murder to the virulent nineteenth century anti Mormonism that also took the life of prophet Joseph Smith and to an enduring southern tradition of extralegal violence In these writings the stories of the men who took Standing s life are largely ignored and they are treated as significant only as vigilantes who escaped justice Historian Mary Ella Engel adopts a different approach arguing that the mob violence against Standing was a local event best understood at the local level Her

examination of Standing's murder carefully situates it in the disquiet created by missionaries' successes in the North Georgia community. As Georgia converts typically abandoned the state for Mormon colonies in the West, a disquiet situated within a wider narrative of post-Reconstruction Mormon outmigration to colonies in the West. In this rich context, the murder reveals the complex social relationships that linked North Georgians' families, kin, neighbors, and coreligionists, and illuminates how mob violence attempted to resolve the psychological dissonance and gender anxieties created by Mormon missionaries. In laying bare the bonds linking Georgia converts to the mob, Engel reveals Standing's murder as more than simply mountain lawlessness or religious persecution. Rather, the murder responds to the challenges posed by the separation of converts from their loved ones, especially the separation of women and their dependents from heads of households.

The Church Through the Years: RLDS beginnings, to 1860 Richard P. Howard, 1992 **Annals of Iowa**, 2001 Excavating Mormon Pasts Newell C. Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association. Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue. It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored. It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty-first century.
