Father Hunger Fathersdaughters And Food

Sarah A. Chase

Father Hunger Fathersdaughters And Food:

Father Hunger Margo Maine,2010-07 The first edition of this book added the term father hunger to everyday language to explain the emptiness and resulting food and body image disorders experienced by women with physically or emotionally absent fathers Based on ten years of further study this Second Edition of Father Hunger details the origins of the syndrome and its effect on the family with new practical solutions to help dada and daughters understand and improve their relationships Dr Maine also introduces the concept of Global Girls which describes today s adolescents in terms of the globalization of media corporate marketing and body image An expanded section for educators and therapists offers strategies and techniques for preventing impasses in treatment REVIEWS The book offers healthy well balanced advice to family members and health practitioners It is a unique book not only for its clinical insights for therapists but also for school counselors and educators as well Karen H Jones Ph D The Prevention Researcher Fact one Dads tend to withdraw from girls during adolescence Fact two Adolescent girls too often develop unhealthy eating behaviors Put these two ideas together and you get a fascinating book called Father Hunger Daughters A newsletter for parents of girls ages 8 18 Dr Maine does a nice job of integrating psychological and sociological research into her material An important contribution of work in this area suitable for community college students and up Choice Practical advice to help readers understand and improve father daughter relationships and helps families at multi generational levels to reconnect Betitina Wood Healthline I found the book to be carefronting in relationship to my own married daughter and granddaughter an excellent systemic book for therapists as well it has good theory is reality based and has practical suggestions I enjoyed reading this book Ralph Earle Ph D past President American Association of Marriage Family Therapy this powerful book clearly explains how a father s emotional or physical absence can contribute to a daughter s eating problems body dissatisfaction and low self esteem **Father**

Hunger Margo Maine,1993 *Father Hunger* Margo Maine,2004 This book pioneered the term father hunger the emptiness and resulting food and body image disorders experienced by women whose fathers were physically or emotionally absent Based on ten years of further study this second edition of Father Hunger details the origins of the syndrome and its effect on the family with new practical solutions to help dads and daughters understand and improve their relationships An expanded section for educators and therapists offers strategies and techniques for preventing and treating this complex problem

Father Hunger Margo Maine,2010-02-01 This book pioneered the term father hunger the emptiness and resulting food and body image disorders experienced by women whose fathers were physically or emotionally absent Based on ten years of further study this second edition of Father Hunger details the origins of the syndrome and its effect on the family with new practical solutions to help dads and daughters understand and improve their relationships An expanded section for educators and therapists offers strategies and techniques for preventing and treating this complex problem

Dads and Daughters Joe Kelly,2003-05-13 Every father can make a huge difference in his daughter s life As the primary

male role model in a girl's life fathers influence their daughters in profound ways from how they see themselves to what they come to expect from men and the world at large But men often don't realize the importance of their interactions or may shy away from too close involvement because of their inexperience or conditioning Especially as girls move into adolescence fathers may find themselves feeling distant from their daughters or awkward with the changing dynamic Communication becomes difficult and parenting issues more complicated But this is also the time when daughters most need their fathers to be an even greater presence in their lives Dads and Daughters is a tool to bridge that gap and build a rewarding and joyful father daughter relationship From father to father and with insights from many other dads Joe Kelly shows men how they can strengthen their relationships with their daughters and explores the tremendous rewards this relationship can bring Starting with a self assessment quiz titled How Am I Doing as My Daughter's Father dads can immediately see what kind of role they play in their daughter's life To educate fathers and offer solutions when problems arise Dads and Daughters then offers thoughtful coverage of the most pivotal issues today's girls face such as sex and dating body image alcohol and drugs media culture and violence money and responsibility and the future In doing so he both illuminates the culture our daughters live in and shows fathers how to guide their daughters toward rewarding healthy lives **Fatherless Daughters** Pamela

Thomas, 2018-03-27 A moving elegantly written and exhaustively researched account of what it means for a girl to lose a father to death or divorce with advice for fatherless daughters on how to cope People who lose their parents early in life are like fellow war veterans As soon as they discover that they are talking to someone else who has lost a parent they know they are speaking the same language without uttering a word Pamela Thomas gives voice to this unspoken pain in Fatherless Daughters Still haunted by her own father's death when she was ten Thomas decided to explore its effects Though her journey began as a personal one she soon felt the need to hear from other women and ended up interviewing more than one hundred fatherless women They ranged in age from nineteen to ninety four they came from all areas of the country as well as Europe and Asia some had lost their fathers to death others to divorce or abandonment Each account was unique but the impact of a father's loss was profound in every woman's life Thomas begins by defining what it means to be a father in our world She discusses the initial shock of his loss exploring the aspects that color how a young girl experiences it her age at the time of her father's death or abandonment her mother's behavior and attitudes her place in the family vis vis siblings and the influence of a stepfather or father surrogates Thomas shows how a father's early death or abandonment affects a woman's emotional health and self esteem her body image her sexual experiences her marriage her family life and her career Perhaps most important Thomas offers compassionate advice for coming to terms with father loss even late in life from actively mourning to healing to starting fresh *On the Road with Saint Augustine* James K. A. Smith, 2019-10-01 Publishers Weekly starred review One of the Top 100 Books and One of the 5 Best Books in Religion for 2019 Publishers Weekly Christianity Today 2020 Book Award Winner Spiritual Formation Outreach 2020 Resource of the Year Spiritual Growth

Foreword INDIES 2019 Honorable Mention for Religion This is not a book about Saint Augustine In a way it s a book Augustine has written about each of us Popular speaker and award winning author James K A Smith has spent time on the road with Augustine and he invites us to take this journey too for this ancient African thinker knows far more about us than we might expect Following Smith s successful You Are What You Love this book shows how Augustine can be a pilgrim guide to a spirituality that meets the complicated world we live in Augustine says Smith is the patron saint of restless hearts a guide who has been there asked our questions and knows our frustrations and failed pursuits Augustine spent a lifetime searching for his heart s true home and he can help us find our way What makes Augustine a guide worth considering says Smith is that he knows where home is where rest can be found what peace feels like even if it is sometimes ephemeral and elusive along the way Addressing believers and skeptics alike this book shows how Augustine s timeless wisdom speaks to the worries and struggles of contemporary life covering topics such as ambition sex friendship freedom parenthood and death As Smith vividly and colorfully brings Augustine to life for 21st century readers he also offers a fresh articulation of Christianity that speaks to our deepest hungers fears and hopes

Mom, I Feel Fat Sharon Hersh, 2011-05-18 Never before have our daughters been more concerned and obsessed with the concept of being fat From kindergarten on up girls worry about the size of their stomachs backsides and thighs and even the youngest experiment with dieting and exercise Much has been written to girls on the challenges they face with regard to body image But where can a mother turn for advice on how to proactively parent a daughter struggling with or soon to confront these insecurities You can make a difference Whether your daughter is 8 or 16 Mom I Feel Fat will help you understand her the body image issues she will face from self esteem to eating disorders and yourself Most of all you ll be encouraged to use the inevitable questions and challenges regarding body image and eating choices to prevent crisis and to strengthen your relationship with your daughter and with God INCLUDES PRACTICAL EXERCISES AND THOUGHT PROVOKING QUESTIONS FOR MOM ALONE AND FOR MOTHER AND DAUGHTER TOGETHER

Group Leadership Skills for Nurses & Health Professionals, Fifth Edition Carolyn Chambers Clark EdD, ARNP, FAAN, 2008-12-02 Designated a Doody s Core Title This book provides a comprehensive and insightful overview of group leadership skills applicable to both therapeutic and work related groups alike Elizabeth McCay RN PD Ryerson University A masterful guide that teaches us to gain the most from each group setting Whether we are in our private practice or involved in a committee this work gives us an excellent format to follow William S Bezmen PhD RN CS Director Pathways to Health Holistic Treatment and Education Center This is an excellent guide for key principles of leadership in managing group dynamics Each chapter is well designed and supported with prominent research in the area which supports the theory development with current and historical evidence Score 97 5 stars Doody s Group Leadership Skills provides a solid foundation for using group concepts theory and research with a wide variety of groups and group settings With this book nurses and health professionals will learn the essential group process skills including differentiating

content from process working with tension and anxiety and enhancing cohesiveness Clark presents practical strategies to improve the effectiveness of group leaders such as helping groups solve problems and build teams This edition is now newly expanded to apply to a diverse collection of groups The strategies and techniques can be used with students families staff codependency groups depression groups rape and sexual abuse groups domestic violence groups and many more Key Features Contains practical strategies for group leaders including conflict resolution suggested ice breakers and discussion questions Includes new Exercise Simulations for many chapters including chapters on working with older adults focus groups organizations and communities Includes new feature Clinical Leader Challenges which asks learners to apply theory and concepts to group situations *Whatever Happened to Daddy's Little Girl?* Jonetta Rose Barras, 2002-01-29 What happens to a little girl who grows up without a father Can she ever feel truly loved and fully alive Does she ever heal or is she doomed to live a wounded fragmented life and to pass her wounds down to her own children Fatherlessness afflicts nearly half the households in America and it has reached epidemic proportions in the African American community with especially devastating consequences for black women In this powerful book accomplished journalist Jonetta Rose Barras breaks the code of silence and gives voice to the experiences of America's fatherless women starting with herself Passionate and shockingly frank *Whatever Happened to Daddy's Little Girl* is the first book to explore the plight of America's fatherless daughters from the unique perspective of the African American community This brilliant volume gives all fatherless daughters the knowledge that they are not alone and the courage to overcome the hidden pain they have suffered for so long

The Developmental Psychopathology of Eating Disorders Linda Smolak, Ruth H. Striegel-Moore, Michael P. Levine, 2013-01-11 Although eating problems ranging from body dissatisfaction and dieting to anorexia nervosa or bulimia nervosa can begin and typically have their roots in childhood theory and research in developmental psychopathology and developmental psychology have not received substantial attention in eating disorders research This book provides crucial background material from both fields and then makes direct applications to numerous aspects of the field of eating disorders including theory research treatment and primary prevention This book was born out of a transaction between frustration and optimism The frustrations reflected the limitations of current knowledge about eating problems and disorders Etiological causes which are sensitive and specific to eating disorders have been elusive Although there is some understanding of risk factors little is known about protective factors This has made prevention among other things difficult Furthermore the mechanisms underlying the association between risk factors and disordered eating are poorly understood For example it is known that women are at greater risk than men are but clinicians are hard pressed to get beyond gender based speculations and demonstrate why this is true The optimism grows from familiarity with the field of developmental psychopathology It seems evident that this approach has much to offer the field of eating disorders This book is an early step in the integration of developmental psychopathology into theorizing research treatment and prevention of eating disorders It addresses four

specific goals to introduce the principles and methodologies of developmental psychopathology to review the work of developmental psychologists in several major areas of behavior relevant to understanding the causes treatment and prevention of eating disorders to apply developmental psychopathology principles to the area of eating disorders both in the form of theoretical models and in specific areas issues raised by developmental psychopathology and to discuss the implications of developmental approaches for prevention programs and treatments

Anorexia Nervosa Lindsey Hall, Monika Ostroff, 2011-06 Anorexia nervosa in simple terms is self starvation However it is a complex problem with intricate roots and recovery is best accomplished with a grasp of sound information specific tasks and the support of others All of that is provided in this guidebook which includes Answers to questions most often asked Insight from recovered and recovering Monika Ostroff's story of recovery Specific things to do that have worked Information on healthy eating and weight Suggestions for how to stay committed A special section for parents loved ones

Preventing Eating Disorders Niva Piran, Michael Levine, Catherine Steiner-Adair, 2013-06-17 This comprehensive resource provides multiple prevention strategies programs and approaches for health and mental health workers educators researchers students and interested members of the community at large who work to prevent eating disorders and related problems

The Beginner's Guide to Eating Disorders Recovery Nancy J. Kolodny, 2013-10-18 Provides information on anorexia and bulimia and discusses what is involved in recovering from eating disorders

Enid Blyton Andrew Maunder, 2021-12-02 This book is a study of the best selling writer for children Enid Blyton 1897 1968 and provides a new account of her career It draws on Blyton's business correspondence to give a fresh account of a misunderstood figure who for forty years was one of Britain's most successful and powerful authors It examines Blyton's rise to fame in the 1920s and considers the ways in which she managed her career as a storyteller journalist and magazine editor There is discussion of her most famous series including the Famous Five the Secret Seven Malory Towers and Noddy but attention is also given to lesser known works including the family stories she published to acclaim in the 1940s and early 1950s as well as her attempts to become a dramatist The book also discusses Blyton's fluctuating critical reputation how she and her works were received and how Blyton the person has fared at the hands of biographers and the media

The Prevention of Eating Disorders W. Vandereycken, Greta Noordenbos, 1998-12 Countering the emphasis on treatment within the specific disease model nine contributions focus mainly on the primary prevention of anorexia and bulimia by reducing risks through public education and secondarily on improving identification and intervention Annotation copyrighted by Book News Inc Portland OR

What It Takes to Pull Me Through David L. Marcus, 2006-09-05 Given a chance to observe at the Academy at Swift River a school helping teenagers in crisis the author sees the students struggles and see their transformations from the inside

Perfectly Prep Sarah A. Chase, 2008-03-20 Although New England boarding schools have been educating America's elite for four generations they along with their privileged students rarely have been the subject of study Living in a senior boys dorm at a

co ed school Sarah Chase was able to witness the inner workings of student culture and the dynamics of their peer groups In an environment of ivy covered buildings institutional goals of excellence and aspirations to Ivy League colleges the boys and girls acted extremely masculine or feminine While girls typically worked themselves into a state of sleep deprivation and despair during exam period the boys remained seemingly unconcerned and relaxed As much as the girls felt pressure to be cute and perfect the boys felt pressure to be bad ass and the best at everything Tellingly the boys thought that it would suck to be a girl while over one third of the girls wanted to be male if given the chance From her vantage point of sitting in the back of the football and field hockey buses attending prom and senior pranks and listening to how students described their academic and social pressures competition rumors backstabbing sex and partying Chase discovered that these boys and girls shared similar values needs and desires despite their highly gendered behavior The large class ethnic and individual differences in how the students perform their genders reveal the importance of culture in development and the power of individual agency This book examines the price of privilege and uncovers how student culture reflects and perpetuates society and institutional power structures and gender ideologies (U.S.),1993 First multi year cumulation covers six years 1965 70 National Library of Medicine (U.S.),1992
