## **Father Principle The Resolving The Influence Restoring Your Truth:**

**THE FATHER PRINCIPLE** GINGER GRANCAGNOLO Ed. D.,2004-04-22 Have you ever noticed a certain something inside as you ve casually said This is my father Wait til you meet my father Not my Dad He She reminds me of my father If you were to freeze frame those common moments maybe you would hear your inner dialogue and notice a flash of feelings that you thought you didn t have or that you finally remembered These moments can be so subtle quiet and brief yet their effects can profoundly linger These moments can transport you back in time as if you stepped into your childhood while looking at a family photo Sometimes this shift can be an oasis for the heart and a clearing for the mind And of course an ordinary dad flashback can rip through your soul like an attacker s knife The point to be made here is not whether your father tales are pleasant or painful but rather that they remained influenced and shaped you An even deeper point is that there is a father Principle in everyone that is certain as the energy of Dad s DNA and that it was meant to teach you stir you and empower you regardless of the quality of the relationship you and your father you and your father had if you know how to feel it use it and know it s real truth This book is about releasing the hidden jewels your father relationship meant for you to inherit and to give you a new choice about whom you can be Having been enriched by an innovative understanding about Dad s genes habits and your relationship with him you can become father to your self able to re create you into the highest version of your highest vision through everyday circumstances The interesting phenomenon about this seemingly impossible miracle is that your biological father and father figures do not have to be aware of their influence in order for you to tap into the buried treasures all dads inherently give us The reason for this is the care of this work It is called the Father Principle The Father Principle is an energetic blueprint embedded in the inner consciousness in everyone It is a major archetype An archetype is like a code or a bionic chip that holds pure facts The Father Principle chip carries every detail pertinent to the father universal law of energy This law gives guidelines about the power to go out into the world successfully to be somebody and do something that may leave a signature of goodness in your name All of us are already coded to potentially to know this The relationship with biological fathers and father figures triggers this potential and for better or worse Dad strikes the chip What happens after that is up to each individual choice Good or bad memories forgotten or blocked this book invites you to take a remarkable journey to perhaps laugh or cry but mostly to rebuild and get into the world more powerfully certain of your SELF than ever before

Veritas Redux. Evangelical truths restored: namely those concerning God's eternal decrees, the liberty of man's will, grace and conversion, the extent and efficacy of Christ's redemption, and perseverance in grace ... Being the first part of the Theological Treatises, which are to compose a large body of Christian Divinity. (The doctrine of faith and justification set in a true light. ... Being the second part of the Theological Treatises, etc. Theologia reformatata; or, a discourse on those graces and duties which are purely evangelical ... being an entire treatise in 4 parts; and if added to the two former vols. makes a compleat body of Divinity.)
