Father I Never Knew:

Pages from My Heart Frederique Media Productions, 2012-12-10 Poetic Imagery in Motion presents a collection of love poems spoken words and spiritual poems that Dimitry Frederique has been writing since he was in high school This book details his journey for love from a male s perspective This book is filled with very passionate poems that attracts the senses and speaks to the soul Everybody's Magazine ,1922 *Walk with the Devil* Zakariah Ali, 2012-11 I was profoundly touched by evil at the dawn of my life and have been haunted by the experience throughout most of my life My mother was poisoned before my eyes at about age four I grew up on that that fateful day and became aware of myself I was touched by evil and the wickedness of man against man at the dawn of my life She died an agonizing and horrible death The room I shared with her smelled like rotten fl esh or putrefi ed meat before her death But the last time I saw her on earth she looked radiant and was miraculously transformed when I saw her seated in the village square for public viewing She was at peace the lines and marks of pain and anguish etched on her face as she lay dying were smoothed out Her countenance was peaceful devoid of the expressions of agony and pains the hallmark of the last three to four months of her life She was beautiful in death than during the last months of her life death gave her peace I did not know it but I was affected or infl uenced by the events of my mother s last days on earth I do not fear death and whenever I came close to death I was more concerned about the inconvenience my death would have imposed on others than fear for my life Death is not a bogey man About a year after her death I encountered malicious spirits in the bush I did not know the spirits were not human but I was apprehensive and fearful at the sight of little people under the fruit tree on which I sat The spirits chased me from the bush to the village during the chase the earth opened up and swallowed me for my protection And not to be outdone the spirits followed me into the bowels of the earth That was the second time in my young life that I was touched by evil of a different kind I nearly died from the encounter with the malicious spirits I was reunited with a father I did not know I had before my mother s death But about three years after I was reunited with him he walked out on my new family my stepmother and her children Thus by age seven or eight I had gone through two broken homes First my mother walked out on my father when I was a baby and second my father walked out on my new mother and half siblings For most of my life I was haunted by forces of darkness malevolent spirits and scary nightmares from time to time Scary and haunting nightmares led me to discover the power of prayer very early in life I started praying before going to bed when I was in class three and the nightly nightmares ceased until I was a young adult and went to St John Bosco s College I discovered alcohol and began ignoring and skipping my nightly prayers or prayed haphazardly without heart and the nightmares came back I was hospitalized about fi ve times in one year from the effects of a nightmare and vision when I was a student at the University of Science he did not foist his faith on the rest of the family My stepmother followed no particular faith or organized religion until the last days of her life She was animist she worshipped our ancestral spirits and deities I became a Catholic or Christian by virtue of education my

father made no attempt to convert me to Islam The family while together was united by love not by faith each member followed his her own faith I could not reconcile my new faith with my parents and realized that but for love we would not have known peace in our family We are divided by faith but united by love that was the experience from my upbringing My lack of blind faith is influenced by my upbringing Man as God and Satan I understand the meaning of some popular bible passages different from most because of my experience of the forces of darkness my struggle in life against evil witchcraft and malicious spirits I understand the true meaning of the passage in Luke 17 20 21 For indeed the kingdom of God is within you And the adm *Talks with men, women and children* David Davies,1892 *The Slow Pull of Days* Robert Klein Engler,2013-08-06 This is a collection of short stories and prose pieces by one of Americas best poets Many of these pieces have been published previously in magazines and journals but are collected here for the first time *Conversations with Strangers* William Labov,2023-08-17 This Element documents the evolution of a research program that began in the early 1960s with the author s first investigation of language change on Martha s Vineyard It traces the development of what has become the basic framework for studying language variation and change Interviews with strangers are the backbone of this research the ten American English speakers appearing here were all strangers to the interviewer at the time They were selected as among the most memorable from thousands of interviews across six decades The speakers express their ideas and concerns in the language of everyday life dealing with their way of earning a living getting along with neighbors raising a family all matters in which their language serves them well These people speak for themselves And you will hear their voices What they have to say is a monument to the richness and variety of the American vernacular offering a tour of the studies that have built the field of sociolinguistics **The Bookmaker's Daughter** Shirley Abbott,2006-03-30 Richly detailed with family anecdotes feminist insight history sociology and Southern mythology this memoir chronicles Abbott s volatile relationship with her father a bookie at an illegal gambling house A moving attempt to understand how a bitter failure of a man was also the father of a real maker of books Valerie Sayers New York Times Book Review **Your Feet Take You to Where Your Heart Is** Cilka Zagar,2019-09-16 Lightning Ridge Australia the world s opal capital has miners from over fifty countries who brought with them their political and religious beliefs traditions and memories Gradually they created a unique society with a new culture character morals and ideals You never know who is who in Lightning Ridge says Bill an old opal miner Aborigines and Europeans doctors and illiterates policemen and criminals all camp next to each other looking for the same rainbow in the clay beneath the sandstone Prospectors come to Lightning Ridge in search of the elusive rainbow gem that will make them instantly rich and respected The hope to find a red on black opal is the dream these opal miners live on Rattling is the worst crime possible in an opal mining community Ratters are miners who masquerade as prospectors but they wait until a miner hits opal and then loot his mine These stories are also about the women who loved and followed their adventurous men searching for their rainbow in the heart of Australian wilderness The seven stories in this book are based
