*A Father of the Fatherless* Cheryl J. Rountree, 2013-02-12 A Father of the Fatherless tells the life story of Cheryl J Rountree a young girl born into a life of poverty and shame and how the grace of God was bestowed upon her life to bring her from it See through the authors eyes and experience her joys and woes Walk through the places of her youth and see the hand of God as He reveals Himself throughout her life directly and indirectly through the lives of others Read of her mission to tell you and all fatherless children of the Fathers great love for them FATHER TO THE FATHERLESS Myama Myowne, 2010-04-19 Thousands of children and teenagers in the United States are growing up in homes where one or both biological parents are missing in action The results of absent parents are far reaching and truly devastating for the future of our homes and our families Myama Myowne knows this fact all too well She s lived it She s experienced the impact And she has a testimony that she wants to share The truth of not having her father around when she needed him was painful But God had other plans for her future It included giving her the opportunity to see Him as the Father she never had and also gave her the ability to see the substitute father figures that He brought into her life at critical times in her development as the fathers she needed as well The book you hold in your hands tells the story of what happens when God intervenes and changes the future It not only tells Myama s story It also shows the important role we all play in changing the present realities of many youth that need the love of one or both parents that may be missing from their lives This much needed book is meant to make a difference in the climate of our families neighborhoods and cities Our Father(less) Story: 12 Potraits of Fatherless Indonesian English edition Rachmat Reza, 2020-04-26 The book is a research on 12 fatherless Indonesian on the effects of their fatherlessness on their life s development from childhood to adulthood In order to know about fatherlessness we must know about them first What you see on the surface is not the same as what is happening inside See past the hurt and father wound and get to know the real fatherless boy and girl behind the mask **Fatherless Generation** John A. Sowers, 2010-10-02 The story of fatherlessness is being written into the heart of this generation It can be heard in our songs seen in our movies read in our blogs It is a story of grief pain and loss A story of shame loneliness and rejection A story of missed potential and wasted opportunity A story that desperately needs to be heard But fatherlessness is more than a personal tragedy It is a growing epidemic affecting more than the single life of an individual Fatherless youth are the driving force behind our society s biggest problems such as gangs teenage pregnancy drug abuse and suicide And all too often the fatherless are either marginalized or ignored How should we respond How do we meaningfully engage the growing story of fatherlessness How can the faith community enter into and begin rewriting this tragic story It is in relationship that this generation has been wounded the most deeply therefore it is in relationship where the healing must begin Intentional intergenerational mentoring is the secret and foundational ingredient behind this new story of hope Mentoring is also the most strategic way to reconcile the fatherless generation with God As we make ourselves sacrificially available to this

generation we will begin to see a new wave of transformation hope born in the story of changed destinies and lives
