Father Quest Rediscovering An Elemental Psychic Force:

The Father Quest Bud Harris,1996 *The Father Quest* Bud Harris,2009-05-20 A New Understanding of Fatherhood that Surprises Heals and Inspires Fatherhood itself is a life of its own It carries the great responsibility of raising children with the right values giving them the best education and implementing a code of morality into their lives In addition the father himself must be dedicated to his moral duties for the rest of his life These are some of the themes that readers will discover in this Fisher King Press publication This Father Quest brings to readers an in depth focus on what being a father is all about It emphasizes fatherhood in its deepest personal and spiritual meanings and explores the psychological dimensions of fatherhood The Father Quest goes beyond simple prescriptions and techniques to explain the importance of fatherhood s deeper personal meanings as well as to culture Interestingly it describes the father as being one of the two great pillars of society that shape and support human life from the beginning The Father Quest explores the critical importance of passion and love as key ingredients of the spirit of fatherhood Thanks to its richly layered content readers who are struggling to be fathers as well those who are struggling with their own fathers will find The Father Quest to be great source of inspiration

The Riddle in the Mirror Jayni Bloch,2012-10 The Riddle In the Mirror is a personal account of a healing journey through experiencing the conflicting Apartheid era in South Africa during the author s childhood The difficulties she experienced challenged a deeper insight into spiritual awareness that supported her path in search for healing This story is everyone s story as we all experience difficulties that challenge us to evolve The Riddle in the Mirror is an essential map on our healing journey It shifts our focus from struggling with repetitive behaviour patterns that keep wounds alive in us and our children towards psychological and spiritual growth instead It connects the processes of healing to archetypal principles that illustrate how our personal healing contributes to the healing of humanity We identify our life challenges as healing opportunities by looking at life as a mirror that reflects a spiritual truth recognizable beneath our socially conditioned secular interpretations and assumptions of experiences We recognize how our personal story relates to our cultural and ancestral stories as a metaphor for collective healing of the whole world through our personal participation by waking up to our own spiritual consciousness

From Boys to Men Bret Stephenson,2006-10-25 A guide to restoring the successful models used by ancient cultures the world over to raise adolescent boys Explains the negative effects of Western youth culture and how it can be transformed Offers instructions for integrating basic rites of passage into modern family life and youth programs For tens of thousands of years all across the globe societies have been coping with raising adolescents Why is it then that native cultures never had the need for juvenile halls residential treatment centers mood altering drugs or boot camps How did they avoid the high incidence of teen violence America is experiencing and how did they prevent their youth from relying on drugs and alcohol the use of which has become so prevalent in Western society In From Boys to Men Bret Stephenson shows readers that older cultures didn t magically avoid adolescence instead they developed successful rituals and rites of passage

for sculpting teen boys into healthy young men From Aleutian Eskimos to Polynesian Islanders from tribal Africans to Australian Aborigines each culture found archetypal ways to initiate their boys into the adult community Stephenson explains the basics of rites of passage and offers insight into how to reintroduce these successful practices and traditional understandings into modern family life and programs for youth He discusses the damaging effects of our youth culture and the negative teen products that are fueled by corporate America and reveals how we can counteract these negative forces by using meaningful rites of passage to create a society with happy and healthy adolescent boys

Sacred Selfishness Bud Harris, PhD, 2011-02-11 While growing up selfishness is defined for most people as a destructive force power driven self obsessed a tyranny against others and a drain on energy Early lessons teach that the needs of others must be put above one's own This has created a culture of outward directed people cut off from the inner sources of energy and vitality Failing to develop one's individuality can eventually lead to depression and ill health Only after becoming whole can one help others as well as society This is the lesson of Sacred Selfishness in which Jungian analyst Bud Harris argues persuasively that one must live authentically in order to be whole happy healthy and a truly contributing member of society This essential guide offers many strategies readers can use in order to live a sacredly selfish life from analyzing dreams to keeping a detailed journal that teaches seekers to understand themselves their worth and their needs

Crossing into Manhood: A Men's Studies Curriculum Christopher P. Mason, 2006 Many scholars have documented and decried the crisis in American masculinity There is a preponderance of evidence showing that males suffer from many physical emotional and social ills due to the gender scripts with which they were raised and which continue to govern men's lives Throughout the millennia and across cultures initiation rites of passage have been utilized as an effective means of transitioning young males into manhood Modern culture suffers from a dearth of rites of passage leaving many boys stuck in puerile attitudes and behaviors and unable to make a wholesome transition into mature masculinity Crossing into Manhood is a much needed guide on assisting late adolescent boys transition into manhood it proposes a school based curriculum and rite of passage paradigm to help young men make the difficult passage into manhood Utilizing resources from diverse academic disciplines this book surveys the psychoanalytic the social constructionist and the essentialist perspectives on masculine gender As a result a men's studies curriculum has been formulated one that offers a balanced bio psycho social conceptualization of masculine identity Educators will find the contents of this book helpful in providing the key conceptual information necessary to teach a men's studies course to late adolescent boys This book will provoke further dialogue and work among educators and other adults in this important area Publisher's website

Father Figure Jordan Shapiro, 2021-05-11 A thoughtful and utterly mind blowing exploration of fatherhood and masculinity in the 21st century New York Times There are hundreds of books on parenting and with good reason becoming a parent is scary difficult and life changing But when it comes to books about parenting identity rather than the nuts and bolts of raising children nearly all are about what it's like to be a mother Drawing on research in

sociology economics philosophy gender studies and the author's own experiences Father Figure sets out to fill that gap It's an exploration of the psychology of fatherhood from an archetypal perspective as well as a cultural history that challenges familiar assumptions about the origins of so-called traditional parenting roles What paradoxes and contradictions are inherent in our common understanding of dads Might it be time to rethink some aspects of fatherhood Gender norms are changing and old economic models are facing disruption As a result parenthood and family life are undergoing an existential transformation And yet the narratives and images of dads available to us are wholly inadequate for this transition Victorian and Industrial Age tropes about fathers not only dominate the media but also contour most people's lived experience Father Figure offers a badly needed update to our collective understanding of fatherhood and masculinity in general It teaches dads how to embrace the joys of fathering while guiding them toward an image of manliness for the modern world

Like Gold Through Fire Massimilla Harris, Bud Harris, 2009-05-20 A Herculean work whose purpose is to help us fathom the depth of this mystery in our own hearts The Harrises in this marvelous book help us begin this holy work Robert Sardello Ph D Author of Love and the Soul Creating a Future for Earth A book to heal so many wounds of misunderstood suffering Suffering not as blame punishment or mysteriously meaningful but as the painful transformation into our innermost truth Dick Evers Ph D Jungian analyst Zurich Switzerland Like Gold Through Fire explores the transforming power of suffering how it can change us and open our hearts to compassion and joy and in turn provide for a more rewarding life filled with a wider range of experiences Like Gold Through Fire helps us to find meaning and to function in a society filled with suffering how to participate in the transformation as opposed to being a victim of our rapidly changing world

The Fire and the Rose Bud Harris, 2024-04-15 Our encounters with love spirituality and sexuality play a major role in shaping who we are These powerful aspects of our lives are woven into the pattern that forms our potential for wholeness Through growing consciousness sexuality and spirituality can support our efforts to live more passionately and to understand love in all of its forms In this stimulating and inspiring book Jungian Analyst Bud Harris Ph D challenges us to reconsider our views of spirituality and sexuality as opposites and bring them into harmony and creativity He encourages that together we can heal one of our culture's great wounds of the soul Bud Harris addresses the neurotic split between divinity and the body between spirit and matter and proffers a path of reconciliation and reclamation of sexuality as a vital link to a fuller expression of spirit Full of personal confession case examples and exercises this work offers both theoretical and practical tips to personal and cultural healings James Hollis Ph D Jungian analyst author Finding Meaning In The Second Half of Life I have read The Fire and the Rose three times now and find something fresh and necessary to my life in each reading Dr Harris is generous with his personal history widely read and deeply involved in the human journey He is a healer in words and stories Gail Godwin Ph D novelist author of Father Melancholy's Daughter and Glass People When life becomes stagnant and congealed most often sexuality brings a new crisis fraught with the high cost and great promise of the fire of the numinous The desire

Pierre Teilhard de Chardin and Carl Gustav Jung: Side by Side Fred Gustafson, 2015-03-21 Pierre Teilhard de Chardin and C G Jung Side by Side is an anthology written by authors from different backgrounds sharing how the lives of Pierre Teilhard de Chardin and Carl Gustav Jung impacted them personally and or how they understand the relevance of these two men for our present times Contributors to this fourth volume of the Fisher King Review include John Dourley Peter Dunlap Barbara Faris Fred R Gustafson John Giannini Richard W Hanhardt Robert Henderson Steven B Herrmann Jane A Kelley Jon Magnuson Francisco Paco Martorell Stan V McDaniel Dennis L Merritt and Laura A Weber Though C G Jung and Pierre Teilhard de Chardin never met their independent intellectual inquiries and courageous researches pushed the personal and collective soul forward and placed both of them at the foreground of needing to understand and integrate on a planetary level the core values of their expansive work Both Jung and de Chardin were concerned with science and religion and operated within these paradigms Both of them shook the world by offering up views on one hand of the profound depths of the human psyche and on the other presenting a profound re consideration of evolution as a process leading toward a social unification of the planet One used the concept of individuation the other spoke of evolution Each took these concepts to a creative depth so much so

that the world they lived in either deeply admired or detested them Both had conflicts in their chosen fields Jung was a psychologist who used the field of science to explore the religious depths of the human soul by studying mythology world religions folk tales dreams and human behavior Chardin used the ground of religion to work in the field of science via paleontology geology and physics as he explored a deeper and relevant understanding of evolution Though each began from different intellectual platforms they each crisscrossed into the other's territory of inquiry and related their ideas to include the full scope of humanity One went deeply into soul and found matter whereas the other went deeply into matter and found soul In their own ways both spent their careers trying to heal the split between spirit and matter in the *weltanschauung* of their times reflected in the human psyche and in the general religious views permeating most of Western culture

The Dream and Its Amplification Nancy Swift Furlotti, Erel Shalit, 2013 The Dream and Its Amplification unveils the language of the psyche that speaks to us in our dreams We all dream at least 4 6 times each night yet remember very few Those that rise to the surface of our conscious awareness beckon to be understood like a letter addressed to us that arrives by post Why would we not open it The difficulty is in understanding what the dream symbols and images mean Through amplification C G Jung formulated a method of unveiling the deeper meaning of symbolic images This becomes particularly important when the image does not carry a personal meaning or significance and is not part of a person's everyday life Fourteen Jungian Analysts from around the world have contributed chapters to this book on areas of special interest to them in their work with dreams This offers the seasoned dream worker as well as the novice great insight into the meaning of the dream and its amplification Contributors to this edition of the Fisher King Review include Erel Shalit Nancy Swift Furlotti Thomas Singer Michael Conforti Ken Kimmel Gotthilf Isler Nancy Qualls Corbett Henry Abramovitch Kathryn Madden Ron Schenk Naomi Ruth Lowinsky Christian Gaillard Monika Wikman and Gilda Frantz

The Orphan Audrey

Punnett,2014-06-21 *The Orphan A Journey to Wholeness* addresses loneliness and the feeling of being alone in the world two distinct characteristics that mark the life of an orphan Regardless if we have grown up with or without parents we are all too likely to meet such experiences in ourselves and in our daily encounters with others With numerous case examples Dr Punnett describes how loneliness and the feeling of being alone tend to be repeated in later relationships and may eventually lead to states of anxiety and depression The main purpose of this book is not to just stay within the context of the literal orphan but also to explore its symbolic dimensions in order to provide meaning to the diverse experiences of feeling alone in the world In accepting the orphan within we begin to take responsibility for our own unique life journey a privileged journey in which one can at some point in time say with pride I am an orphan *American Book Publishing Record* ,1996 *Emily Dickinson* Steven Herrmann,2018-03-21 Among the 19th century poets Emily Dickinson is by far the most scientifically minded Science is the voice that summoned Dickinson at Mount Holyoke Female Seminary and gave her unique distinction as a poetess of botanical and entomological and astronomical classifications Like no other 19th century poet she forms an integration between science and spirituality She studied at Holyoke at the exact historical moment of the first Seneca Falls Women s Rights Convention in 1848 This therefore is a feminist book It speaks up for the Divine Feminine On the front cover purple white rosemary blossoms are exploding with color Emily Dickinson s garden was a place where butterflies bees and hummingbirds drank up the radiance of flowers Rosemary in particular was one of her favorite healing herbs C G Jung mentions the antitoxin of rosemary flowers as a synonym for the Self the total personality When Steven Herrmann refers to Emily Dickinson as a Medicine Woman he is speaking of an archetype of healing within all humans Her poems are enduring imprints of the Medicine Woman archetype It is by access to the Medicine Woman archetype that she s able to espouse a democracy of equality that the world needs right now She advises women to cherish Power and take heed from the Serpent We need a Medicine Woman to balance things out In a democratic sense she s a fierce and uncompromising spokeswoman for Liberty She is a dispenser of a new American myth for our times **Parabola** ,1976 *Fairy Tales with a Mexican Twist* Jacqueline Gerson,2019-01-07 Fairy tales convey life s magic reflecting the deep psychological themes that govern the outcomes of our lives Written in simple language these stories take us along soul s path once more revealing how the issues of today can still yield new restorative meanings This fresh set of tales introduces characters who invite the reader to think the unthinkable explore the unknown and feel what is irreconcilable resulting in a deeper experience of life itself Staged in remote corners of the world where healing mysteries can be summoned when life s dilemmas emerge and right and wrong are no longer clear Gerson s fairy tales show that there are still Gods and Goddesses who can intervene when humans lose their way on life s journey
