Marriages Designed In Heaven Gaylon West, 2015-01-18. The subject of marriage is a timely subject. The Bible simply defines marriage as a man takes a woman. Happiness and well-being in marriage is based on a specific design. This design, along with society's mores, civil government expectations and ecclesiastical laws and fantasies, are addressed. Jesus' message is compared and/or contrasted with Moses, the Prophets, the Pharisees, the Apostles and Medieval church leaders. Over 40 translations of the Bible were consulted in addition to comparing the ancient Hebrew with its Greek equivalents through interlinears, word studies, lexicons, dictionaries, textual variants and scholastic articles and comments. The appendix gives the history of Christendom's changing positions on marriage, divorce and remarriage. **Who's who Among North American Authors**, 1929.
