Dear Papa Danita Whyte, Daniella Whyte, Daniel Whyte, IV, 2009-07 the glory of children are their fathers Proverbs 17:6 Father's Day is a very special day for fathers and their children Unfortunately it only comes around once a year On this day fathers are recognized and honored by those who love them the most their children However in my opinion fathers should be honored and celebrated every day of the year Fathers who choose to stay in the lives of their children and who help to improve the lives of their children should not just be honored on one day but on every day May I encourage you not to take your father for granted Show love and appreciation to him while you are together And remember that father's day is not just one day out of the year but should be celebrated every day Daniella Whyte from the Introduction
