Conn,1984      **Parables of Jesus** Timothy Maurice Pianzin,2008 Over 2000 years ago Jesus invited his followers to a new life empowered by the saving grace of God Jesus in filled them with spiritual knowledge and asked them to develop certain attitudes and life styles so that they may possess this new life Do you want to be blessed by this new life but unsure of how to achieve it Dr Timothy Maurice Pianzin s spirit filled book entitled *Discovering the Truth of Jesus Parables* in the light of its Historical Geographical and Socio cultural Setting uncovers the hidden meanings contained in Jesus parables and gives you understanding on how to live life that will qualify you to claim your inheritance in heaven Don t hesitate read Dr Timothy Maurice Pianzin s excellent guidebook to the parables of Jesus now If you read *Discovering the Truth of Jesus Parables* with a receptive heart and mind the life saving Words of Jesus will comes alive and transforms your life to live it in the fullness of God s grace Dr Timothy Maurice Pianzin has doctorates in Biblical Theology and Sustainable Development For the last thirty years he has been a devoted Bible scholar and has participated in many Bible courses and seminars He has also traveled extensively in the lands that Jesus once walked and preached and has painstakingly researched on the background to Jesus parables which became the basis for writing of this book In addition he has also contributed in the teaching the Bible for over twenty years covering most books of the Bible and many other biblical topics In his professional life he has written many reports for the United Nation Commonwealth Secretariat and other institutions Since his retirement from consulting works he has devoted his life to make the Word of God better known      *The God of the Gospel of John* Marianne Meye Thompson,2001-10-09 While there are numerous studies of God in the Old Testament the concept of God has largely been ignored as a subject of inquiry in contemporary New Testament theology As this superb work by Marianne Meye Thompson shows however an understanding of the identity of God is central to the New Testament particularly to the Gospel of John Thompson here offers the first comprehensive study of the concept of God in John s Gospel She shows that one must first grasp the importance of God to John before one can properly appreciate the Gospel s Christology and overarching message By arguing that John is rightly understood to be a theocentric work Thompson challenges the prevailing theory that John is primarily concerned with Christology While Thompson uses traditional historical and exegetical approaches to the New Testament and ancient sources her study is mainly theological in scope She asks how John portrays God and how after reading the Gospel we ought to speak of the identity of God Unlike many recent studies of John this one does not try to reconstruct the history behind the text but rather tries to fully illumine the theological content of John s message A seminal study with lasting implications for New Testament theology *The God of the Gospel of John* will become a standard text for students of the New Testament      *The Christian Union* Henry Ward Beecher,1887      **The Judge Is the Savior** Jean Wyatt,2015-02-16 This is a book Jean Wyatt felt

compelled to write as she has for many years wrestled with questions surrounding the love and the justice of God his salvation and judgment through Jesus Christ and the effect of our response or lack of response to that salvation The Bible gives glimpses of hope that in the end God will restore all things and that finally all people will worship him If it is God s will that all should be saved is it possible to resist that will for all eternity Or dare we hope that God will continue to seek and ultimately save those who now reject his offered salvation Dare we hope that hell will be a place of restorative justice and cleansing with redemption as its aim Wyatt has come to the conclusion that we can answer Yes to both these questions The fire of God consumes evil and cleanses people Meanwhile in the here and now in which we live as disciples of Jesus Christ we are called to be witnesses to the kingdom of God and to work for his kingdom to come on earth as it is in heaven **The**

**Unsearchable Riches of Christ** Bill Vincent,2024-12-05 When we find ourselves and sons of God it reveals privileges we would never find any other way Whether we are men or women we are all to think like sons of God 1 John 3 1 2 Behold what manner of love the Father hath bestowed upon us that we should be called the sons of God therefore the world knoweth us not because it knew him not Beloved now are we the sons of God and it doth not yet appear what we shall be but we know that when he shall appear we shall be like him for we shall see him as he is What a high relationship is that of a son and what privileges it brings What care and tenderness the son expects from his Father and what love the Father feels towards the son

**International Journal of Religious Education** ,1924 **The God Who Loves and Is Loved** Christian D. Kettler,2019-11-12 Can there be a greater folly than writing a book about love But how can we avoid that most basic of all desires and commands Yet we are very poor lovers as our history demonstrates If God is love though can we find help in considering the love of Jesus Christ and the love of Jesus thought of in terms of what T F Torrance called the vicarious humanity of Christ This would mean that we realize our inability and the Son of God s ability to love on our behalf and in our place Such a love mirrors the love of the Son for the Father in the Spirit a love that reflects his eternal triune love Therefore could we have new perspectives on our relationships the love of ourselves of God and the neighbor How essential is love to being human and what kind of love What does it mean to love your enemies What is the relationship between justice and love And what are the fruits of love the evidence of genuine love Christian D Kettler explores these issues in the context of the living reality of the vicarious humanity of Christ Studies for Personal Workers Howard Agnew Johnston,1904
