Fatherhood An Anthology

Sabine Zange

Fatherhood An Anthology:

Fatherhood John Lewis-Stempel, 2001 The role of fathers has never been more complex On the one hand the conventional nuclear family is less the rigid norm On the other fathers are increasingly involved with their children from water births and dirty nappies to spending quality time with their offspring This anthology is the first of its kind exploring the relationship between father and child spanning 2000 BC to AD 2000 using a wealth of sources from fiction to personal letters Roman temple rites to eighteenth century childcare manuals to modern day sitcoms FATHERHOOD reveals the surprising truth that paternal love is not a modern invention and celebrates paternity past and present FATHERHOOD AN ANTHOLOGY is both a celebration of the joys of fatherhood and a more sober exploration of the responsibilities and vulnerabilities that go with it Divided into sections as diverse as First Love Fathers and Sons Daddy's Girl The Sins of the Father Experience and Patrimony it makes the perfect thoughtful present for fathers and fathers to be of any age Includes entries by among others Fergal Keane Laurie Lee Peter Carey Bob Dylan Samuel Coleridge Alexander Pope Franz Kafka Mark Twain Kirk Douglas Blake Morrison George Eliot Angela Carter Euripedes Irving Berlin Shakespeare Auberon Waugh Vladimir Nabokov Charles Darwin Arthur Miller Bill Cosby Sigmund Freud Tony Parsons Phil Hogan John Fowles Roald Dahl Groucho Marx Homer Simpson and George Bernard Shaw

Journeys in Fatherhood Noel Belfrage, 2005 This book is a collection of heartfelt and honest reflections on being a father the highs and lows the dangers and the opportunities to be the best dad you can possibly be In this anthology many men describe their personal experiences of fatherhood Some men have used violence in their relationships or have experienced the family court system some have become stepfathers and one man tells of the death of his child and what this has taught him about being a father This book includes tips and practical tools and invites you to consider different ways of being a parent Book jacket *Fatherhood* Peter Howarth, 1997 *Vintage Book Of Fathers* L Guinness, Louise Guinness, 2012-02-29 Ideal fathers cruel fathers puffed up with pride fathers horribly and humanly flawed fathers this wonderful anthology contains a whole range of experience from the amazed joy of new fatherhood to the pains of bereavement from the comic and eccentric Papa to the sinister and silent Dad Louise Guinness has collected irresistible extracts spanning nearly three thousand years from Homer and the Bible to present day from Chaucer to Beatrix Potter Rabelais to Seamus Heaney *The Emma Press Anthology of Fatherhood* Rachel Piercey, Emma Wright, 2014

Fatherhood Carmela Ciuraru, 2007 Presents an anthology of poetry that celebrates fathers and fatherhood from authors representing various cultures throughout history **The Emma Press Anthology of Fatherhood** Rachel Piercey, Emma Wright, 2014-05-29 A companion piece to the motherhood anthology this book offers a variety of perspectives on fatherhood

Not Only a Father Anthology Harmony Joy, Tyffani Clark Kemp, C. M. Lehsten, E. S. McMillan, K. Ries, Kate Stacy, Judy Swinson, Roux Wilder, J. M. Goodrich, 2019-05-26 Being a father is a choice Staying true to fatherhood is a duty Joan Ambu Follow these journey's of fatherhood from these nine amazing authors Room for Two More by J M Goodrich Ace Queen

Joker by Harmony JoyMy Hot Interlude by Tyffani Clark KempPaternal Instinct by C M LehstenAfter the Rain by E S McMillanReturn to Cape Wysteria by K RiesDaddy on Duty by Kate StacyA Son s Promise by Judy SwinsonBecause of Her by Roux WilderAll proceeds from this anthology will go to the Freedom K9 Project **Fathers** David Ray,Judy Ray,1997 A collection of poetry echoes the themes of fatherly love and childhood devotion desertion communication between generations and the challenge of healing old grievances Intimate Fatherhood Esther Dermott,2014-06-11 Fatherhood is gaining ever more public and political attention stimulated by the increasing prominence of fathers rights groups and the introduction of social policies such as paternity leave Intimate Fatherhood explores discourses of contemporary fatherhood men s parenting behaviour and debates about fathers rights and responsibilities The book addresses the extent to which fatherhood has changed by examining key dichotomies culture versus conduct involved versus uninvolved and public versus private The book also looks at longstanding conundrums such as the apparent discrepancy between fathers acceptance of long hours spent in paid work combined with a preference for involved fathering Dermott maintains that our current view of good fatherhood is related to new ideas of intimacy She argues that in order to understand contemporary fatherhood we must recognise the centrality of the emotional father child relationship that the importance of breadwinning has been overstated and that flexible involvement is viewed as more important than the amount of time spent in childcare Drawing on original qualitative interviews and large scale quantitative research Intimate Fatherhood presents a sociological analysis of contemporary fatherhood in Britain by exploring our ideas of good fatherhood in relation to time use finance emotion motherhood and policy debates This book will interest students academics and researchers in sociology gender studies and social policy

The Other Side of Fatherhood Richard Crasta,2016-06-07 This Father s Day Anthology is about modern fatherhood about fathers who for reasons beyond their control cannot be with the children they love trying to express their complex emotions trying to remain connected with their children long distance Vulnerable yet powerful an alternative anthology for Father s Day speaking to the truth and the lives of millions of modern fathers with sensitivity and sometimes with humor **The Tragedy of Fatherhood** Silke-Maria Weineck,2014-08-28 Winner of the 2014 Aldo and Jeanne Scaglione Prize for Comparative Literary Studies awarded by the Modern Language Association Theories of power have always been intertwined with theories of fatherhood paternity is the oldest and most persistent metaphor of benign legitimate rule The paternal trope gains its strength from its integration of law body and affect in the affirmative model of fatherhood the biological father the legal father and the father who protects and nurtures his children are one and the same and in a complex system of mutual interdependence the father of the family is symbolically linked to the paternal gods of monotheism and the paternal ruler of the monarchic state If tragedy is the violent eruption of a necessary conflict between competing legitimate claims The Tragedy of Fatherhood argues that fatherhood is an essentially tragic structure Silke Maria Weineck traces both the tensions and various strategies to resolve them through a series of readings of seminal literary and theoretical texts in the Western

cultural tradition In doing so she demonstrates both the fragility and resilience of fatherhood as the most important symbol of political power A long history of fatherhood in literature philosophy and political thought The Tragedy of Fatherhood weaves together figures as seemingly disparate as Aristotle Freud Kafka and Kleist to produce a stunning reappraisal of the nature of power in the Western tradition

Young Men and Masculinities Victor J. Seidler, 2013-07-04 In this book Victor J Seidler one of the leading contributors to the growing debate about masculinities turns his attention to the lives of young men and their understandings of themselves as gendered beings By contextualizing their experiences and subjectivities within a rapidly globalizing world Seidler pays particular attention to the impact of the global media How does the mass circulation of images of men's bodies desires and sexualities affect their self perception and behaviours and how are these images framed within particular histories cultures and traditions Questioning universalist theories of hegemonic masculinities the book argues that young men often feel caught between prevailing masculinities and their own struggle for self definition It explores both how the idea of men as the First Sex has been established within the West and the ways in which men in other cultures and societies affirm their gendered identities Seidler pioneers new methodologies that involve listening to the silences surrounding male experience as well as to oral testimonies This enables innovative analysis of the contradictions young men are faced with in both creating their own gendered identities and establishing more equal relationships within a world of intense inequalities

The Double Edward Cletus Sellner, 2013 Drawing upon theology Jungian psychology literature and the history of Christian spirituality this book shows how same sex desire can be reflected in those close intimacy between gay men

The Social Context of Birth Caroline Squire, 2003 All babies are born into a social context and all women give birth within a social context This is often neglected in the relentlessly technocratic modern culture of childbirth This book provides many valuable insights for midwives nurses obstetricians and health visitors into the many different lives experiences and expectations of women in their childbearing years This comprehensive guide provides an understanding of the impact of social circumstances on women giving birth their babies and families in the 21st Century Written by a team of experienced midwives and health professionals it also covers contentious areas of maternity care such as new reproductive technologies and the concept of fetal surveillance Overall it provides an essential understanding of how social issues can affect the birth process Book jacket

[Ancient Near Eastern Literature and the Hebrew Scriptures about the Fatherhood of God](#) David Tasker, 2004 Ancient Near Eastern Literature and the Hebrew Scriptures About the Fatherhood of God discusses some of the main father god concepts of the people of the Ancient Near East then examines the eighteen occurrences of God's fatherhood specifically mentioned in Hebrew Scripture From these sources the book develops a theology of God's fatherhood that honors both ancient and modern scrutiny Although many studies have explored the subject of the fatherhood of God mostly from the perspective of nonbiblical disciplines and through the lens of Greco Roman mythology this book takes into account the wealth of material from the ancient Near East the birthplace of the Hebrew

Scriptures *Fatherhood* William Marsiglio, 1995-04-03 Shifting marriage and divorce patterns transformation in the workplace the growth of the women's movement and the development of the men's movement all these social and cultural changes have changed fathers' traditional family roles and forced a reexamination of how fathers and children interact Progress in this new understanding of fathers is highlighted in *Fatherhood* a volume of empirical and theoretical research on fathers in families The research pieces written by such well known scholars as Furstenberg Seltzer and Greif examine differences in culture class nationality and custodial status The chapters focus on legal economic and policy questions as well as on the interaction between fathers and children within the family Some of the topics explored are fathers' involvement in child care fathering in the inner city and single fathers who have custody of their children *Fatherhood* is the most current assessment of our research base on fatherhood available for professional scholarly and classroom use and is important reading for those interested in men's studies family studies gender studies sociology psychology and social work **The Freeman**, 1920 **The Social Context of Birth** Gurcharan Rai, 2017-09-07 Greatly expanded revised and updated with an entirely new chapter on disability *The Social Context of Birth* Second Edition provides an essential understanding of how social issues affect midwives the birth process and motherhood Childbirth is much more than a biological event or a set of case notes No one has an uneventful pregnancy and women seek narratives through which they can explain and try to make sense of what has happened to them This is often neglected in the relentlessly technocratic modern culture of childbirth Appreciating the social context surrounding an individual enriches the understanding a midwife must have if she is to work successfully alongside a woman and her family throughout a pregnancy and birth in an insightful intelligent and informed manner This comprehensive guide provides countless valuable insights for midwives nurses obstetricians and health visitors into the many different lives experiences and expectations of women in their childbearing years their babies and families in the 21st Century Written by a team of highly experienced health professionals it also covers contentious areas of maternity care such as new reproductive technologies and fetal surveillance *Poems on Fatherhood* (□□□□□) Dr. M. Kanika Priya, *Fatherhood* tend to be the showcase of love sacrifice wisdom and sometimes quiet moments of reflection This present anthology *Poems on Fatherhood* is a celebration of those threads each poem as a whole forms a richness and complex picture of what it means to be a father to have a father or to witness the profound impact of fatherhood The thought for such a collection was born out of a desire to honour the diverse experiences and emotions that fatherhood incorporates The poems included here were written by various writers across the globe projecting their own experiences memories liking and their unique viewpoint to the complex multifaceted role of the father
