## **Fathers And Divorce:**

*Divorced Dads* Sanford L. Braver, Diane O'Connell, 1998 Millions of families strive to give their children the best possible upbringing after being split apart by divorce Separated mothers and fathers and in many cases their second spouses struggle to find the right way to piece together parent child relationships in its wake In this revolutionary work psychologist Sanford L. Braver who undertook the largest ever federally funded study on issues confronting divorced fathers shows how millions of well intentioned mothers fathers judges lawyers educators and other caregivers have been repeatedly and tragically misled by the prevailing data about divorce and parenthood For years our society has accepted the image of the dead beat dad who shirks childcare payments and other responsibilities Yet Braver proves that this villainous figure like many other myths of the divorced parent simply does not exist in significant numbers Moreover Braver overturns one of the most important pieces of data on divorce in the past quarter century the belief that divorced women suffer a steep decline in their standard of living This widely embraced notion was the result of misread data but was transformed into fact by the media and the courts and accepted by divorced families and their advocates No other book has revealed the deep flaws in today s research on divorce One sided studies of divorced men and women misused census data and poor research have skewed many of the assumptions around which parents and courts have shaped divorce settlements parenting responsibilities and child rearing decisions Every divorced parent and anyone who loves a divorced parent urgently needs this book to understand the new realities behind divorce and parenting

Notes Index      **Fathers and Divorce** Terry Arendell, 1995-02-27 Divorce A difficult process at best its impact will clearly be felt by both participants why then has so little research been directed toward men s experiences of this traumatic event Terry Arendell s incisive account surveys the emotional legal and financial elements of divorce as they affect men Covering topics from father s rights and noncustodial parenting to relationships with former spouses the author considers the masculinist discourse of divorce from a feminist perspective The implications of gender in defining legal and social responses to divorce are also explored revealing both the traditionalist and innovative strategies that serve as the basis for Arendell s well founded policy recommendations Complementing her earlier work *Mothers and Divorce* this provocative volume offers a balanced and essential view for students and professionals in gender studies marriage and family sociology social work and communications I am impressed with Arendell s extensive command of feminist theory her nuanced familiarity with empirical studies on divorced parenting and most importantly her own innovative research I especially find her juxtaposition of empirical findings against fathers testimonies insightful I highly recommend *Fathers and Divorce* to both scholarly and lay readers concerned with children s well being gender marriage and the family *American Journal of Sociology* *Fathers and Divorce* will put Terry Arendell at the forefront of the study of divorce Arendell obtained remarkable data from the men she interviewed on how they negotiate the divorce process with ex wives for child support custody and visitation These data are unique and her analysis of the masculinist discourse of divorce is

groundbreaking In the future no one will be able to look at fathers after divorce without taking her work into account This book will be read widely among sociologists of gender and the family and will also be cited by many outside sociology in public policy fields and the law Demie Kurz Co Director of Women s Studies University of Pennsylvania Fathers and Divorce takes us inside fathers experiences of divorce and even though we may not like what we see the book provides essential information for scholars and practitioners who want to make sense of the complexities of modern divorce Life Course

**How to be a Good Divorced Dad** Jeffery M. Leving, 2012-04-24 Positive advice for divorced dads and their families The country s leading authority on fathers rights Jeffery M Leving presents a definitive how to resource for divorced dads of any age background and marriage history Leving offers targeted guidance and suggests techniques for staying connected with children and dealing with ex wives and in some cases a new girlfriend or the wife s new boyfriend during the divorce and afterwards This upbeat book offers good news for divorced dads and counters many of the myths that paint divorcing fathers as alienated irresponsible or absent Includes advice for overcoming limited access to children with cooperative responses and legal remedies if necessary Reveals how to avoid depression and feelings of guilt that can cause a divorced dad to give up and lose connection with his kids Offers ideas for responding to an ex wife s remarriage moving unfounded accusations and other common issues Contains guidance for engaging in new relationships and possibly remarriage How to Be a Good Divorced Dad is practical and down to earth and offers dozens of real life examples of dads who have discovered the importance of staying involved in their children s lives

**The World's Best Dad During and After Divorce** Paul Mandelstein, 2021-01-05 Whether sudden or years in the making divorce can leave families with a lot of pain and uncertainty and with the children in the mix the stakes are even higher Enter author Paul Mandelstein the divorced father of four children and founder of the Father Resource Network FRN In The World s Best Dad During and After Divorce A Guide to Co Parenting for Divorced Dads Mandelstein helps fathers and mothers discover a path to navigate the stormy waters of divorce and create a healthy extended family environment guided by the principles of collaboration and cooperation Packed with advice from family counseling experts anecdotes from divorced parent groups interviews with fathers mothers and children and the author s own first hand experiences The World s Best Dad During and After Divorce is a realistic yet compassionate approach to parenting during and after divorce The user friendly format combines bulleted lists with practical suggestions exercises and even sample dialogues that make even the most difficult conversations with children and former spouses more manageable Most importantly this guidebook empowers men to be the best fathers they can be fathers who are present and accountable loving and leading competent and caring

**Always Dad** Paul Mandelstein, 2006 The guide for fathers who want to remain an integral part of their children s lives during and after divorce Remain an integral part of your kids lives during and after divorce Finalist for The Publishers Marketing Association s Benjamin Franklin Award More and more divorced fathers are finding out that rather than being one half of a broken home they can continue to play a crucial role in

their children's lives You can too Turn to Always Dad and discover how to work with your ex to create a fulfilling extended family one that can help ensure that your kids grow up in an enriching loving environment      **The Divorced Dad's Survival Book** David Knox,Kermit Leggett,1998-03-21 Demonstrating clearly how to navigate the process of getting a divorce while minimizing the negative impact on one's children this guide shows how fathers can use the divorce process to cultivate and improve a healthy relationship with their kids      **Fathers and Custody** Ira Victor,Win Ann Winkler,1977 Homosexuality in index      *Divorced Fathers and Their Families* Florence W. Kaslow,2012-12-09 This book focuses on the experience of father's lives after a divorce and how mental health professionals can help them create a healthy transition Through the use of case examples critical issues are highlighted and discussed with supportive empirical findings and clinical insights Traditionally the marital legal sessions as well as the ultimate marriage settlement focus on the issues confronted by the ex wife and mother and on the custody and visitation plan for the children This is actually supported by law in some places This can remove the father from important qualitative issues such as what it is like to have children in two households relationships with two sets of grandparents where holidays will be spent fair rotations of responsibility and how continuing parental discord can be resolved The issues examined in this volume are relevant to a range of professionals who deal with divorcing couples from psychologists and family therapists to legal advisors and judges      Divorced Fathers Thomas Oakland,1984 Discusses the problems divorced parents face offers advice on child custody budgeting and household management and indicates what effect divorce has on children      *Tips for the Divorced Dad* Elaine Walsh,2002 With divorce being so prevalent just about everyone either needs this book and or knows someone who needs it It is the perfect gift book The author is a mother who watched and learned as her daughter adjusted to her parents divorce in particular as her daughter and ex husband adjusted to their new relationship This book is the collection of life lessons learned over six years Knowledge that was gained both first hand and through interviews with many other families in the midst of divorce Because this knowledge has been documented and shared fathers and children will benefit from what others have lived and learned

**Daddy's OK** Dean Mason,2012 Daddy's OK looks at the true experiences of 14 men going through separation or divorce Their stories are told in three main stages Eyes Opening how they become fully aware of what has occurred Existing With What You See how they get through their lives while coming to terms with what is now visible and Living and loving making sense of life as it is and turning it into something positive and long lasting With over 50 000 Australian men and women getting divorced every year this process of separation and divorce has become a common rite of passage for men How well men do this directly impacts on their performance at work in new relationships and in maintaining a healthy relationship with their ex spouse co parent and children Not every man interviewed for the book claims to be in a better place after their divorce Each man has a story that is as similar as it is different and each one of them illustrates things that work and what don't work to build stronger and healthier individuals husbands fathers and family relationships generally Throughout these

stories we look at what is going on inside for the man what his motivation is and how that translates into action what tools are available and whether the action is constructive or not We also look at how these issues are sometimes portrayed in the media and how the power of headlines like daddy day care only is often disassociated from the reality of the actual research they are based on Diaries of a Forgotten Parent Wendy A. Paterson, 2010-02-19 Diaries of a Forgotten Parent Divorced Dads on Fathering Through and Beyond Divorce opens an intimate window on the lives of divorced men Literature on divorce focuses primarily on its effects on women and children but fair and personal accounts of the lived experiences of custodial and non custodial fathers are less available In this highly accessible text ten American men share intensely personal reflections of guilt pain frustration sacrifice loneliness and pride The men do not see themselves as exemplary rather their stories are graphically honest revealing what Paterson calls ordinary men with all their warts The author reviews significant works on the male experience of divorce from psychological legal educational and sociological experts interspersing commentary and research with the men s own voices From the initial discussion of why men marry and why they divorce through the men s painful memories of being pushed out of their children s lives by angry and resentful mothers the author illuminates the legal fiscal emotional and practical experiences of men struggling to reinvent their fathering while they find themselves reconfigured into deserters deadbeats and visitors The societal myth that fathers are less valuable parents than mothers is thoroughly deconstructed in this text The book will help divorced and divorcing men and those who work with them to fully understand the experiences of fathers who never stopped loving and caring for their children in spite of the fact that the contributions of fathers are still largely discounted by schools courts and worst of all by their children s mothers From this book readers will understand that there are just too many reasons why fathers must never be forgotten in the lives of their children Divorce and Fatherhood American Psychiatric Association. Meeting, 1986 **Always Dad** Paul Mandelstein, 2006-01-01 Statistics show that more than half the marriages in this country will end in divorce What this means is that millions of young fathers will go through the challenging process of significantly changing their marital status and along with it their relationships with their children Practical advice about how to have a great relationship with your kids while youre going through a divorce This book is not about ex wife bashing Its about creating an extended family through cooperation and collaboration with your ex and through prioritizing your kids Lots of examples of families who've met the challenges of the divorce transition Written in a friendly accessible style *"I Didn't Divorce My Kids!"* Gerhard Amendt, Günter Amendt, 2008 Popular culture often portrays divorced fathers as deadbeats who have little interest in caring for the emotional physical and financial needs of their children In the stereotype shattering book *I Didn't Divorce My Kids* Gerhard Amendt presents the long neglected plight of the divorced father who is plagued by grief and loneliness after being separated from his children Based on surveys and in depth interviews of thousands of such dads Amendt reveals how fathers cope with trying to salvage their own lives while simultaneously maintaining relationships with their children after a painful

divorce Amendt s incisive look at divided families also explores the impact that a single parent household has on children s well being criticizing the American tendency to over pathologize normal reactions to familial upheaval Even the most civilized of divorces Amendt argues can cause rage sadness potential health problems and behavioral disturbances in otherwise well adjusted children The broad spectrum of experiences recounted in I Didn t Divorce My Kids will be essential reading for anyone interested in or personally shaped by the changing face of the modern family     **The Divorced Dad's Handbook** Steve Davies,2007 This book provides practical hard to find help to fathers who are separated from their kids It covers all relevant areas from legal and financial to emotional and recreational     **The Single Dad Detour** Tez Brooks,2015-02-05 Conventional wisdom holds that fathers have few parenting skills and that mothers always know best The single father is often considered a mythical creature found only in sitcoms as an object of humor or pity Where does that leave real single dads Too often it makes them susceptible to overcompensation or apathy Tez Brooks knows those feelings all too well He s traveled that road with his own children after an unexpected divorce The Single Dad Detour is the result of his journey and the lessons he s learned along the way It s a guidebook for the rocky road of single fatherhood extending encouragement confidence and challenges using specific examples from dads who ve survived parenting and have hope to offer There are no unreachable requirements for perfect fatherhood here and no twisty theological mysteries just authentic downto earth wisdom from one dad to another     **We're Still Family** Constance R. Ahrons,2004-06 Interviews with adult children from the divorced families originally studied in the author s The good divorce c1994     **Lost Fathers** Laraine Herring,2005-03-03 Examines the long term ramifications for adult women who as adolescent girls lost their fathers to death divorce or addiction helps them understand how their behaviors were shaped by that loss at a pivotal developmental stage and provides some interactive exercises to help them heal Original     **Dad's Place** Jill Burrett,1997 A tribute to the legacy of fatherhood It is written from the conviction that men have a special contribution to make to the personal and social development of their children especially after separation and divorce It offers insights into the complex relationships that arise in these situations This book urges fathers to rediscover effective parenting and to make dad s place a centre of love learning and development

### **Fathers And Divorce Introduction**

In today's digital age, the availability of Fathers And Divorce books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Fathers And Divorce books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Fathers And Divorce books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Fathers And Divorce versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Fathers And Divorce books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Fathers And Divorce books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Fathers And Divorce books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Fathers And Divorce books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Fathers And Divorce books and manuals for download and embark on your journey of knowledge?
