religious roots and motivations in a new light if they actually bothered to immerse themselves for a time in their own sacred scriptures rather than merely fake familiarity with them Actually to read scripture in all its antiquated tendentious sectarian absurdity Kelly reasoned is to take a first giant step in renouncing irrational creeds of all kinds Thus was born Scoffing at Scripture A Commoner Reads the World s Holy Writ and Rejects Traditional Religion a book from which the author hopes the open minded reader will draw a secularly pure spiritual sustenance      *Keith Richards: A Life in Pictures* Andy Neill,2015-09-14 From the early days of The Rolling Stones with a relatively baby faced Keef sporting a hounds tooth jacket to his heroic piratical look of the present day rock s indestructible hero has been photographed by many people over half a century Featuring more than 300 photographs in colour and black and white Among those who took the pictures in this book are legendary photographers Jim Marshall Terry O Neill Deborah Feingold Neil Preston and Mark Seliger If many of Keith Richards adventures have passed into folklore never before has there been quite such a comprehensive collection of portraits and candid shots collected to match the passing moments police busts global superstardom a legendary Glastonbury set a satisfying appearance in the Pirates Of The Caribbean movie franchise and an unlikely 2008 advertising stint as a lifestyle icon for Louis Vuitton as photographed by Annie Leibowitz Beautifully produced and elegantly designed Keith Richards A Life In Pictures is simply the must have book of the year
