Jesus and the Father Kevin N. Giles, 2009-08-30
The doctrine of the Trinity is one of the cornerstones of Christianity In *Jesus and the Father* Kevin Giles wrestles with questions about the Trinity that are dividing the evangelical community What is the error called subordinationism Is the Son eternally subordinated to the Father in function Are the Father and the Son divided or undivided in power and authority Is the Father Son Spirit relationship ordered hierarchical or horizontal How should the Father and the Son be differentiated to avoid the errors of modalism and subordinationism What is the relationship between the so called economic Trinity and the immanent Trinity Does the Father Son relationship in the Trinity prescribe male female relationships in the home and the church Kevin Giles points out serious problems in the teaching that the Son is eternally subordinated to the Father and argues effectively for the full eternal equality within the Trinity This book should be read by all who wrestle with the complex but crucial doctrine of the Trinity Millard Erickson author *Christian Theology* By showing that subordinationism is a revival of a heresy that was systematically rejected by the non Arian Church the author reinstates the classical orthodox doctrine of the Trinity in all its scriptural majesty and grandeur Gilbert Bilezikian professor emeritus Wheaton College Giles skillfully places before us the stark choice which each generation of theologians must face will we allow the Bible to speak its message about the Father Son and Holy Spirit to us or will we use the Bible to advance our own agenda This important book deserves to be widely read and carefully considered Paul D Molnar professor of systematic theology St John s University
Conceptualizing and Measuring Father Involvement Randal D. Day, Michael E. Lamb, 2003-10-03
After decades of focusing on the mother s role in parenting family studies researchers have turned their attention to the role of the father in parenting and family development The results shed new light on childhood development and question conventional wisdom by showing that beyond providing the more traditional economic support of the family fathers do indeed matter when it comes to raising a child Stemming from a series of workshops and publications sponsored by the Family and Child Well Being Network under the federal fatherhood initiative of the National Institute of Child Health and Development this comprehensive volume focuses on ways of measuring the efficacy of father involvement in different scenarios using different methods of assessment and different populations In the process new research strategies and new parental paradigms have been formulated to include paternal involvement Moreover this volume contains articles from a

variety of influences while addressing the task of finding the missing pieces of the fatherhood construct that would work for new age as well as traditional and minority fathers The scope of this discussion offers topics of interest to basic researchers as well as public policy analysts

A Language of Our Own Peter Bakker,1997-06-05 The Michif language spoken by descendants of French Canadian fur traders and Cree Indians in western Canada is considered an impossible language since it uses French for nouns and Cree for verbs and comprises two different sets of grammatical rules Bakker uses historical research and fieldwork data to present the first detailed analysis of this language and how it came into being

The Father's Eternal Freedom Dario Chiapetti,2022-01-01 John Zizioulas is renowned for his controversial reflection on the ontological freedom as the cause and cipher of God s being which also has important implications for anthropology ecclesiology and ecumenical dialogue This view is bound up with a personalist conception of the Trinity recognised in the teaching of the Greek Church Fathers in which the person represents the primary ontological category In particular Zizioulas shows how by virtue of the Father personhood coincides with absolute freedom In *The Father s Eternal Freedom* Dario Chiapetti explores this ontology Taking into account Zizioulas epistemological principles his patristic reading and his theological development the author systematically presents Zizioulas thesis verifying its conformity to dogma and its internal coherence Chiapetti analyses how Zizioulas proposal brings back to the centre of systematic theology the teaching of the Greek Fathers especially the Cappadocians and the apophatic horizon of dogmatic reflection Such reflection pushes the discourse on God to its maximum degree identifying and bringing out rather than resolving or attenuating the aporetic terms that structure it

Fathers Speak Introduction

In the digital age, access to information has become easier than ever before. The ability to download Fathers Speak has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Fathers Speak has opened up a world of possibilities. Downloading Fathers Speak provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Fathers Speak has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Fathers Speak. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Fathers Speak. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Fathers Speak, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Fathers Speak has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
