Romeo C. Deiparine,2025-07-08 In the history of mankind we are instinctively drawn to religion which is indicative of God s real presence in our lives Thus in every country and places on earth all kinds of religion or faith are being practiced In the place called the Holy Land three prominent religions of Islam Christianity and the Jewish faith became true witnesses of the real existence of God It was God chosen people the Jewish race that God revealed Himself and they shared to us their God who created us all The God of Noah Abraham Moses Isaac and Jacob is the One and Only true God became the centerpiece of mankind s religion Abraham of the Jewish descend was chosen by God to become father of many nations of which the Islamic and the Christian faith came to existence The great prophet of Israel Moses recorded the history of God with his writings on the Old Testament the Five Books of Genesis Exodus Leviticus Numbers and Deuteronomy The Jewish faithful revered the teachings of the Torah and we can see them doing their religious ritual at the Wailing Wall their most revered sacred site in Jerusalem Also in Jerusalem the Islamic faith had their famous shrine the Dome of the Rock while the Christian faith had many revered religious site where the Son of God and Man revealed and renewed religion to the fullness of the truth The long awaited Messiah the Savior of mankind became the central Figure of the New Testament where He showed us the way the truth and the life In Jerusalem the holy city millions of Christians made pilgrimage to the most revered most sacred site The Church of Holy Sepulchre the place where the Son of God and Man died was buried and rose from the dead Theologians who seriously studied the Old and New Testament and comparing one to each other can easily conclude that the Christian religion is far more superior than the Jewish and Moslem religion by simply comparing their founder or their spiritual leader In the Jewish faith the faithful are formed through the Mosaic Laws written by their spiritual leader Moses the great prophet of Israel The Moslem religion was founded by their prophet Mohammed but the Christian religion was founded by the Son of God and Man Jesus Christ Analytically Moses and Mohammed though they were chosen to be prophets of God could never saved their flock for the simple reason that they do not the way the truth and the life While the Son of God and Man was sent by God the Father so to redeem and restore us back to Him The book reveals that God sent His only Begotten Son not only to

redeem and save us but most importantly to established the Catholic Church as the new ark so mankind will be saved from eternal death The central figure of this book is the Great Lady of God the Great Lady of our race a lowly creature like us chosen as the most worthy bride of God Holy Spirit which eternally sealed the union of God Spirit and mankind flesh Once the union was consummated by the birth of the Son of God and Man mankind was made worthy to enter the kingdom of Heaven prepared by the Risen Lord To conclude without Mary s yes mankind can never be saved And as Mother of God Mother of the Church Mother of Salvation this Great Lady of God will be the one who will unite all religion into her Son under the Patronage of Our Lady of Unity **Our Lady of Unity's Co-Founder's Formation and Mission Handbook**

Romeo Deiparine,2019-04-22 For thousands of years religion existed revealing humanity s need and hunger for the invisible and unfathomable God Billions of souls were drawn to religion especially when the children of Israel shared to us the invisible and unfathomable God that is always presence in our lives Religion forms and prepares us in our long and demanding journey to God and this book was written as a manual of divine direction shaping and transforming our soul into the likeness of God This book was specially made for serious souls who want to give their all to God and achieve salvation
