Faust Part One Penguin Classics:

Faust Johann Wolfgang von Goethe, 2005-12-27 Goethe's Faust reworks the late medieval myth of a brilliant scholar so disillusioned he resolves to make a contract with Mephistopheles. The devil will do all he asks on Earth and seeks to grant him a moment in life so glorious that he will wish it to last forever. But if Faust does bid the moment stay, he falls to Mephisto and must serve him after death. In this first part of Goethe's great work, the embittered thinker and Mephistopheles enter into their agreement, and soon Faust is living a rejuvenated life and winning the love of the beautiful Gretchen. But in this compelling tragedy of arrogance, unfulfilled desire, and self-delusion, Faust heads inexorably toward an infernal destruction. A. S. Byatt's preface considers Goethe's lifelong relationship with the myth of Faust and its influence on modern literature. This edition includes an introduction by the translator, a chronology, suggestions for further reading, explanatory notes, and an addendum on the writing of Faust. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Spanning 4,000 years from the legends of Ancient Mesopotamia to the poetry of the First World War, with Greek tragedies, Icelandic sagas, Japanese epics, and much more in between, it encompasses 500 authors and 1,200 books, bringing these to life with lively descriptions, literary connections, and beautiful cover designs.

Faust Part 1 Johann Wolfgang von Goethe, 2001 Goethe's classic enlivened by Randall Jarrell's fine translation and Peter Sis's dark dreamy illustrations. Randall Jarrell's translation of Faust is one of his most important achievements. In 1957 he inscribed Goethe's motto on the first page of his notebook: *Ohne Hast aber ohne Rast*. Without haste but without rest, and from then until his death in 1965 he worked on the masterpiece of his own favorite daemon, dear good great Goethe. His intent was to make the German poetry free, unrhymed poetry in English. He all but finished the job before he died, and the few lines that remained untouched, Gretchen's Room, were rendered into English by Robert Lowell. This elegant new edition features numerous beautiful line drawings and jacket lettering by the renowned Czech artist Peter Sis, author of the award-winning books *Starry Messenger*, *Galileo Galilei*, and *Tibet Through the Red Box*.
